- Government Gazette 54179, Notice No. 7159, dated 20 February 2026.
- Local Government: Municipal Finance Management Act, 2003 (Act No. 53 of 2003)

As reflected in the preamble to Goovernment Gazette 54179, Section 7(3) of the Act, states that the salaries and allowances of a member of a Municipal Council is determined by that Municipal Council by resolution of a supporting vote of the majority of its members, in consultation with the member of the Executive Council responsible for Local Government in the Province concerned, having regard to the upper limits as set out in this Gazette, the financial year of he municipality and affordability of the municipality to pay within the different grades of the remuneration of Councillors, including the austerity measures as approved by National Cabinet.

For purposes of implementation of the aforementioned Government Notice, "in consultation with" means that a municipal council must obtain concurrence of the MEC for Local Government prior to the implementation of the provisions of this Notice.

## 6. Background / Discussion / Evaluation / Conclusion

The Remuneration of Public Office Bearers Act, 1998 (Act 20 of 1998) provides a framework for determining the upper limits of salaries and allowances of *inter alia* members of municipal councils, to provide for a framework for determining pension and medical aid benefits of office bearers, to provide for the repeal of certain laws, and to provide for matters connected therewith. The adjustment of salaries and allowances of Councillors is considered annually in terms of the Act.

On 20 February 2026, the Minister of Cooperative Governance and Traditional Affairs published the upper limits notice for the salaries, allowances and benefits of councillors and a copy of Government Notice No 7159, published in Government Gazette No 54179 dated 20 February 2026, is attached as Annexure A.

The determination of the grade of a municipal council is derived from a combination of points allocated to each municipal council in respect of total municipal income and total population. The **total municipal income** refers to the gross income in respect of the local municipality based on actual income received as stated in the audited financial statements for the 2024/25 financial year, excluding transfers and / or grants received from the national- and provincial fiscus. If a municipal council has no audited financial statements for the 2024/25 financial year by the date of publication of this Notice, Clause 19(1) allows that the audited financial statements for the 2023/24 financial year shall apply. The **total population** refers to the official statistics of the population residing in the area of jurisdiction of the municipality as determined by the Statistician-General for the 2022 Census, in terms of section 14(7) of the Statistics Act, 1999 (Act No. 6 of 1999).

In terms of the Criteria as summarized on the Grading Certificate, Overstrand Municipality is regarded as a Grade 4 Municipal Council. A copy of the Grading and Affordability Verification Certificate, signed by the Municipal Manager, is attached as Annexure B.

The definition of **Total Remuneration Package** is clear insofar as it relates to the inclusion of a basic salary component, a motor vehicle allowance, housing allowance, the municipal contribution to a pension, provident or retirement annuity fund and municipal contribution to a medical aid scheme. Should a councillor elect to include a motor vehicle allowance in the salary structure, he / she must provide proof of ownership of a private vehicle to the municipality and have the vehicle available for official duties.

In providing for the travelling allowance, Councillors' attention are drawn to the reality that this allowance is granted to cover costs incurred for travelling on official business, which excludes travel between the place of residence and ordinary place of work. Although fully taxable on assessment, only 80% of the allowance is subject to the deduction of PAYE. Again, this does not mean that only 80% is taxable. The full allowance remains taxable and any unspent portion

will be included in a Councillor's taxable income and a Councillor would be required to account to the South African Revenue Service (SARS) for the use of such an allowance. Councillors who do not have motor vehicles and/or who are likely to have difficulties accounting to SARS for this allowance are advised not to include the travel allowance in the salary structure.

A councillor who utilizes a privately-owned vehicle for official purposes must, for purposes of claiming kilometres travelled, keep a travel logbook containing at least the following information relating to actual official and private kilometres travelled per month as may be determined from time to time by the South African Revenue Service:

- (i) Date of travel;
- (ii) Kilometres travelled; and
- (iii) Travel details (i.e. reason for the trip, duration of trip and place from and place to).

In exceptional circumstances and upon good cause shown, a council vehicle may be used for official purposes with the approval of the Mayor or Speaker; provided that the municipal council exercises prudent financial management in line with applicable legislation and an approved council policy to ensure that the provision of such a motor vehicle does not undermine the need to prioritise service delivery. If a councillor uses a municipal-owned motor vehicle for official purposes, such councillor will not be reimbursed for kilometres travelled.

Additionally, over and above the annual total remuneration package provided for in terms of items 5 and 8 of Government Notice 7159 respectively, Municipal Councillors may be paid a cell phone allowance not exceeding R3'600.00 per month and a mobile data bundle allowance not exceeding R317 per month.

A councillor may participate in a pension, provident or retirement annuity fund and a medical aid scheme registered in terms of the Pension Fund Act, 1956 (Act No. 24 of 1956) and the Medical Schemes Act, 1998 (Act No 131 of 1998) respectively. If a councillor elects to participate in a pension, provident, retirement annuity fund or a medical aid scheme, the municipal council must deduct from that councillor's salary the monthly contributions and pay the contributions to the pension, provident, retirement annuity fund or medical aid scheme to which the councillor is a member in accordance to the rules of such pension, provident, retirement annuity fund or medical aid scheme. The contributions by the municipal council and the councillor are included in the total remuneration package as a total cost to the municipality.

In addition to the annual total remuneration packages the municipality must take out SASRIA or similar special risk insurance cover which covers the loss of or damage to a councillor's personal immovable or moveable property and assets, excluding property used by such councillor for business purposes, as well as life and disability cover for any loss or damage caused by riot, civil unrest, strike or public disorder. The special risk insurance on residential property is limited to R1,5 million while on vehicles it is limited to R750,000. The life and disability insurance cover is limited to 2 times the total remuneration package of a

councillor. Councillors are obliged to submit either all the necessary details regarding the councillor's property, assets and beneficiaries to be covered by the special risk insurance, or with written confirmation that such cover is in place. A councillor who fails to submit the required details referred to herein forfeits the benefits associated with the special risk insurance cover.

Any remuneration paid to a councillor of a municipality otherwise than in accordance with section 167(1) of the Local Government: Municipal Finance Management Act, 2003 (Act No. 53 of 2003) including any bonus, bursary, loan, advance or other benefit, is an irregular expenditure and the municipality must recover that remuneration from the councillor concerned and may not write off any expenditure incurred by the municipality in paying or giving that remuneration..

## **7. Financial Implications**

The Independent Commission for the Remuneration of Public Office Bearers, after calculating the annual cost of living increase, determined the upper limits of the annual total remuneration packages of full-time and part-time Councillors as set out in Clauses 5 and 8 respectively. The monetary value for this provision in the 2024/2025 budget amounts to R12'642'565.

The cell-phone allowances for the Executive Mayor, Deputy Mayor, Speaker, Members of the Mayoral Committee and Councillors have remained unchanged at R3'600 each per month, while the separate mobile data allowance of R317 each per month also remained unchanged. The monetary value for this provision in the 2024/2025 budget amounts to R1'269'108.

With the approved increase in councillors' remuneration the anticipated actual expenditure for 2024/2025 will amount to R13'506'129, made up as follows:

	<b>Approved 2025/2026 Increase</b>	<b>Approved 2024/2025 Budget</b>	<b>Anticipated 2024/2025 (Shrtfall)</b>
Remuneration	R13'079'970	R12'742'433	(R337'537)
Cell-phone	R1'269'108	R1'269'108	R0
<b>Total</b>	<b>R14'349'078</b>	<b>R14'011'541</b>	<b>(R337'537)</b>

The monetary value for the provision in respect of total remuneration for both full-time and part-time councillors in the 2025/2026 budget amounts to R12'742'433. With the approved increase in councillors' remuneration from 2025/2026 the anticipated actual expenditure for 2025/2026 will amount to R13'079'970, resulting in a projected shortfall of (R337'537).

The monetary value for the provision in respect of cell-phone allowances for the Executive Mayor, Deputy Mayor, Speaker, Members of the Mayoral Committee and Councillors in the 2025/2026 budget amounts to R1'269'108. With the approved increase in councillors' remuneration from 2025/2026 the anticipated

actual expenditure for 2025/2026 will amount to R1'269'108, resulting in a projected saving of R0.

I, Dr. D G O'NEILL Accounting Officer of OVERSTRAND MUNICIPALITY, hereby certify that:

(mark and complete as appropriate)

Current Councillor Remuneration Budget : R 14'011'541

Rand Increase of Total Budget as per new upper limits : R 337'537

**Adequate provision** has been made in the 2025/26 budget for the said increases in councillor remuneration including the back pay.

There is **inadequate provision** in the 2025/26 budget for the said increases in councillor remuneration including the back pay and that the shortfall will be funded from the accumulated surplus or savings (delete the inappropriate).

Based on the current financial performance and collection trends that the increases in councillor remuneration is affordable and does not compromise service delivery and the sustainability of the municipality.

Is an adjustment budget required to provide for back pay or the increase in councillor remuneration? Y / N

If Yes, how will the additional expenditure be funded? (Provide sufficient detail of how savings have been achieved to fund the additional expenditure)

A number of vacant posts, especially Sect 56 vacancies, could not be filled on time due to the delays in resolving the upper limits of the posts. The savings realized in this manner will be sufficient to fund the shortfall in the Councillor remuneration.

The information submitted above, is to the best of my knowledge accurate.
