ANNEXURE C TO MFMA CIRCULAR NO 32**CHECKLIST FOR CONSIDERING THE ANNUAL REPORT**

The MFMA provides that the purpose of the annual report of a municipality or a municipal entity for each financial year is:

- to provide a record of activities;
- to provide a report on performance against the budget; and
- to promote accountability to the local community for decisions made throughout the year.

The MSA provides that an annual *performance report* must be prepared for each financial year to report on the performance of the municipality and each external service provider, compared with targets set for performance.

The annual report requirements are provided in Chapter 12 of the MFMA, section 45 and 46 of the MSA and the annual Division of Revenue Act.

The following checklist summarises what must be included in the annual report and is designed to support and guide councillors and officials. It should be noted however, that this list is not exhaustive and from time to time other information requirements may be prescribed. Consideration must also be given to specific circumstances and conditions in which other questions may be appropriate. Councillors and officials are encouraged to make suggestions to enhance this checklist and send these to the National Treasury.

Council should verify that the required information is contained in the annual report and then consider the relevance and accuracy of information accordingly. The checklist provides guidance on how matters could be considered.

The oversight committee and the full council may use this checklist as a means to organise the report and to manage requests for additional information. The questions suggested may be used by all councillors to gain clarification on contents of reports and also to verify compliance with the MFMA and MSA. Responses to many of these questions should be provided by the accounting officer of the municipality and/or municipal entities.

Note that the views of the Audit Committee and the findings of the Auditor-General are primary sources of information to assist council in determining a decision on the annual report.
