

14.

**APPLICATION FOR THE DETERMINATION OF A SPECIAL RATING AREA (SRA):  
HERMANUS SPECIAL RATING AREA (HSRA)**

5/18/1

S Reyneke-Naudé

Director : Finance

17 March 2020

(028) 313 8040

**1. Executive Summary**

The purpose of this report is to present Council with the application received from the applicant, Mr Michael Farr, seeking Council's approval for a special rating area (SRA) to be established in Hermanus.

The Steering Committee of the proposed Hermanus Special Rating Area (HSRA) now officially approached Council for approval for the establishment of Hermanus as a special rating area in terms of the Overstrand Municipality: Special Rating Area By-Law (the By-Law), 2016 read together with the Overstrand Municipality: Special Rating Area Policy (the Policy), as amended (1 July 2019), to being 17<sup>th</sup> Avenue in the east up to Swartdam Road in the west, with Still Street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaiwater and Voëlklip.

**2. Service Delivery and Budget Implementation Plan - IGNITE**

Directorate: Finance

**3. Compliance with Strategic Priority/ies**

Provision of democratic, accountable and ethical governance  
 Provision and maintenance of municipal services  
 Creation and maintenance of a safe and healthy environment  
 The encouragement of structured community participation in the matters of the municipality  
 Promotion of tourism, economic and social development

**4. Delegated Authority**

None

**5. Legal Requirements**

Local Government: Municipal Systems Act, 2000(Act 32 of 2000) (MSA)  
 Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003) (MFMA)  
 Local Government: Municipal Property Rates Act, 2004(Act 6 of 2004) (MPRA)  
 Overstrand Municipality Special Rating Areas By-law, 2016 (SRA By-law)

Overstrand Municipality Special Rating Area Policy, as amended (the Policy)

## **6. Background/Discussion/Evaluation/Conclusion**

### **Background**

In terms of section 22(1)(a) of the MPRA a municipality may by resolution of its council determine an area within that municipality as a special rating area. It is important to note that the purpose and objective of special rating areas are to only supplement or top up existing municipal services. The MSA clearly defines a municipal service as a service that the Municipality can provide in terms of its delegated Constitutional powers and functions for the benefit of the community.

Section 8 of the SRA By-law specifically refers to Council's decision after consideration of the application. Section 8 provides for Council to either determine a special rating area in accordance with the business plan, or refuse the application. Section 22(3)(b) refers to the role and functions of the Municipality, including the determination of the boundaries of the area, how the area is to be improved or upgraded, the establishment of a separate accounting system, and the establishment of a committee of persons representing the committee to follow due process up to submission of the application to Council.

### **Discussion**

Property owners of the Hermanus area identified the need to take ownership of their area and assist the Municipality to create a friendly environment to live in.

A Steering Committee consisting of property owners from the area was formed to pursue the SRA model which allows property owners to provide supplementary municipal services to improve and upgrade their area. These services will be funded from an additional rate to be collected from the property owners in the area, in terms of the framework provided for in section 22(1)(a) of the MPRA, which allows a municipality to determine an area within that municipality as a special rating area, by resolution of its council.

The Steering Committee was guided through the establishment process as set out in sections 4 to 7 of the Special Rating area (SRA) By-law and paragraph 10 of the SRA Policy:

#### Initiation Phase:

The municipality established an internal SRA working group consisting of representatives from relevant directorates/departments, inclusive of Legal Services, to facilitate discussions in order to fulfil the role of the municipality as defined in the SRA By-Law and the Policy.

An introductory meeting was held with members of the Steering Committee on 30 August 2019 to inform them of the legislative requirements and timeline of the establishment process.

After a formal request was received from the Steering Committee to pursue a SRA establishment process, a data base comprising of all properties was submitted to the Steering Committee for verification which was preceded by an arrears profile which indicated a payment ratio of 97.36% for the period 1 July 2018 to 30 June 2019. An acceptable payment ratio allowed the Steering Committee to continue with the process and conduct an urban management survey to obtain insight into the current status of the area as perceived by property owners and people using the area.

Business Plan Content:

The urban management survey results indicated that property owners in the proposed Hermanus SRA mapped area focus on the following areas:

- Public Safety
- Crime Prevention
- Cleansing Services

The following areas were highlighted as most concerning in the urban management survey:

- Safety and Security
- Cleanliness of town
- Preservation of the natural environment
- Safety of residents and visitors are being the biggest need
- Equality for all (especially regarding housing)
- Rioting and illegal squatting
- Influx control
- Baboon Management
- CBD Revitalisation
- Dog-related issues
- New Harbour

Before-mentioned formed the basis for compiling a draft business plan to address the need for supplementary municipal services to improve and upgrade the area.

The HSRA Business Plan (1 July 2020 - 30 June 2025) consists of the Motivation Report defining the need and framework required to provide supplementary municipal services, an Implementation Plan proposing relevant action steps to implement the supplementary municipal services and the Term Budget, which reflects the funding required to provide these services (Annexure A).

The HSRA Business Plan was reviewed in terms of the SRA legislative requirements, affordability and sustainability. The draft HSRA Business Plan was furthermore circulated to relevant Directorates during 2019, requesting the review the Business Plan and confirmation of proposed service delivery in terms of the IDP. The Directorate: Infrastructure & Planning (Environmental

Management Services), Directorate: Management Services (Legal Services and Strategic Services) Directorate: Protection Services (Law Enforcement Services and Fire & Rescue, Disaster Management and Security Services) provided responses/confirmation.

First and Second Public Meeting:

The draft Business Plan was presented to property owners and stakeholders of Hermanus at public meetings held on 19 December 2019 and 23 January 2020 held at the Overstrand Civic Centre in the Auditorium and Bosko Hall, Faiways Avenue Eastcliff, after which the obtaining of support commenced. The notice and minutes of this meetings are attached as Annexure B.

Obtaining Support:

As the proposed HSRA is regarded as a residential SRA in terms of the SRA legislation, 50% plus one (1) written support was needed before an application for establishment could be submitted to the Municipality. The Steering Committee obtained support from 3141 of the 5525 properties (56.85%) within the HSRA as per their submission.

Application:

The Steering Committee submitted an application to establish the HSRA as per the application letter dated 03 February 2020 (Annexure C) that includes the following:

- The Business Plan (Motivation report, Implementation Plan and Budget);
- The written consent or objections of property owners within the proposed SRA who will be liable for paying the additional rate;
- Property database indicating consent or objection to the SRA proposal per property;
- Advertisements and notices of the public meetings;
- Presentation done at the public meetings; and
- Minutes of the public meetings.

The application was verified by the Revenue Department and found to be a valid application as shown in the table below.

Reconciliation of support on application:

Hermanus Special Rating Area (HSRA)	Total	%
Total number of properties	5525	100.0%
Consent required	2764	50% +1
Properties supporting on application	3141	56.85%
Final verified consent	3141	56.85%
Objections received	8	0.14%
Objection forms referred back for updating	0	

Final verified objections	8	0.14%
---------------------------	---	-------

Advertising of the application notice and third Public Meeting:

The application was advertised for comments and objections on 5 and 6 February 2020 as required by section 7 of the SRA By-law and paragraph 10.5 of the SRA Policy. The notice was also send to all the affected property owners (Annexure D).

Property owners also had the opportunity to submit their comments or objections to the establishment of the HSRA to the Municipality until 06 March 2020. The advertised notice also informed all property owners of a further public meeting which was held on 20 February 2020. Minutes and attendance register of this meeting are attached (Annexure E).

Objections:

The Steering Committee was required to engage with the objectors as per paragraph 10.5.3 of the Policy, to ensure that there is a clear understanding of the SRA proposal and processes that needs to be followed. A total of 8 objections were received. The Steering Committee engaged with all of the 8 objectors and the outcome of the engagements are summarised per Annexure F.

Final Considerations:

As per the urban management survey it is clear that Hermanus is a well developed area with good infrastructure but it is clear that there is concern about a safe, clean and healthy environment as set out in the proposed HSRA application.

Section 7 of the SRA Policy provides as follows for existing relief in terms of *exemptions, rebates and reductions (qualifying criteria applies)*:

*“7.1 The Overstrand Municipality’s Municipalities Rates Policy applies with the necessary changes to this Policy. In particular, and without limiting the generality of the afore-going, the exemptions, rebates and reductions set out in the Rates Policy apply with the necessary changes in relation to the levying of an additional rate for special rating area purposes.*

*7.2 Notwithstanding the provisions of paragraph 7.1 above, when the Municipality grants a partial rebate as set out in the Rates Policy, the relevant property owner will be granted a full (100%) rebate in relation to the additional rate.*

*7.3 Other policies approved by the Council apply with the necessary changes to the collection of additional rates in terms of the Policy, the By-Law and section 22 of the Property Rates Act, including, but not limited to, the Overstrand Municipality Credit Control and Debt Collection Policy.”*

Annexure G provides a full list of all properties indicating whether they supported or objected to the application or abstained from the process.

The applicant complied with all the legislative processes and obtained more than the 50%+1 support from property owners for the mapped area as required in the SRA By-law and SRA Policy.

The SRA additional rate will be calculated on the municipal valuation of the properties within the Hermanus area, in accordance with the Overstrand Property Rates Policy, to enable the municipality to collect the additional rates from property owners as required for the HSRA's first year budgeted amount of R1 977 885.00. The Municipality will commence with monthly payments to the HSRA, once the following sections in chapter 2 of the By-law are met:

- Section 10: Commencement with the Business Plan;
- Section 11: Establishment Composition, Powers and Duties of the Management Body; and
- Section 12: Finances (this includes the conclusion of a Finance Agreement)

The additional rate for the HSRA will be considered for approval by Council with the Municipality's 2020-21 Budget and will be implemented from 1 July 2020.

## 7. Financial Implications

## 8. Staff Implications

None

## 9. Comments from other Departments, Divisions and Administrations

The Directorate **Management Services** confirmed that the strategic objectives of the 2019/2020 IDP review are correctly referenced in the Hermanus Special Rating Area document.

## 10. Annexures

- Annexure A: Hermanus SRA Business Plan
- Annexure B: First and second public meeting notice and minutes
- Annexure C: Application letter
- Annexure D: Adverts and notices of the application – notice of the third public meeting
- Annexure E: Minutes of second public meeting and attendance register
- Annexure F: Steering Committee engaging with objectors
- Annexure G: List of all properties indicating whether they support or object to the application or abstain from the process

## RECOMMENDATION TO THE COUNCIL:

1. that the area as reflected in the body of this report **be identified** as a special rating area (SRA), known as the Hermanus Special Rating Area (HSRA), in terms of the Overstrand Special Rating Area By-law, 2016;
2. that the application submitted by Mr Michael Farr, the registered owner of 84 Westcliff Road, Westcliff Hermanus (Erf 103 Westcliff), to establish the HSRA in terms of section 8.1(c) of the By-law, **be approved**;
3. that an additional rate **be levied** on properties in the HSRA from 1 July 2020 in terms of section 22(1)(b) of the Local Government Municipal Property Rates Act (MPRA), Act 6 of 2004;
4. that a Finance Agreement be concluded between the Overstrand Municipality and the HSRA Management Committee in terms of section 12(6) of the By-law prior to 1 July 2020;
5. that the Municipal Manager be authorised to sign all the necessary agreements and documents to give effect to the establishment of the Hermanus Special Rating Area (HSRA);
6. that the Hermanus Special Rating Area (HSRA) additional rate be calculated on the municipal valuation for properties within the HSRA mapped area, in accordance with the Overstrand Property Rates Policy, to enable the Municipality to collect the additional rates required for the HSRA's first year budget of R8 300 000.00, as well as for subsequent years in accordance with the 5-year budget period;
7. that payments to the HSRA be commenced with in accordance with the Finance Agreement once the following sections in chapter 2 of the SRA By-law as amended are met:

- Section 10: Commencement with the Business Plan,
  - Section 11: Establishment Composition, Powers and Duties of the Management Body; and
  - Section 12: Finances (including the conclusion of a Finance Agreement); and
8. that the additional rate for the HSRA be considered by Council with the Municipality's 2020-2021 Budget and be implemented from 1 July 2020.

# BUSINESS PLAN FOR THE PROPOSED HERMANUS SPECIAL RATING AREA (HSRA)

This business plan was compiled by the Steering Committee of the proposed Hermanus Special Rating Area (HSRA) in accordance with the *Overstrand Municipality: Special Rating Area By-law 2016*, promulgated in the *Provincial Gazette Extraordinary 7692* (21 October 2016); the requirements of *Section 22 of the Municipal Property Rates Act of 2004*; and the *Overstrand Municipality: Special Rating Area Policy* (1 July 2019).

It is aimed at assisting the Council in the fulfilment of its objectives and developmental duties as set out in its *Integrated Development Plan (IDP) for the 5-year period 2017/8 – 2021/22 (2<sup>nd</sup> Final Review of 5-year IDP 2019/20)*.

## 1. Definitions

Additional Rates	An additional rate on property in the defined area for the purpose of raising funds for improving or upgrading that area.
By-law	Overstrand Municipality: Special Rating Area By-law 2016
CCTV	Closed Circuit TV. A self-contained surveillance system comprising cameras, recorders and displays for monitoring activities.
Mapped Area	Refers to the geographically defined area within Hermanus with the boundaries being from 17 <sup>th</sup> Avenue in the East up to Swartdam road in the West, with Still street as the southern border and Fernkloof Nature Reserve as the northern border.
HSRA	Hermanus Special Rating Area. A geographically defined mapped area, in which property owners contribute additional rates to enhance and supplement municipal services. The boundaries of the proposed HSRA being; 17 <sup>th</sup> Avenue in the East up to Swartdam road in the West, with Still street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaiwater and Voelklip.
IDP	Overstrand Municipality's Integrated Development Plan
Management Body	The non-profit company (NPC) structure of the Special Rating Area as contemplated in the Companies Act, which is referred to in the Overstrand Municipality Special Rating Area By-law as "the management body".
NPC	Non-profit Company
OM	Overstrand Municipality
Policy	Overstrand Municipality: Special Rating Area Policy (1 July 2019)
SRA	Special Rating Area. A clearly defined geographical area, in which property owners contribute additional rates to enhance and supplement municipal services.

## 2. Executive Summary

This business plan describes the intention of the Hermanus Special Rating Area (HSRA) Steering Committee to have a Special Rating Area (SRA) declared in the town. The *Overstrand Municipality: Special Rating Areas By-law, 2016* allows property owners to supplement municipal services with top-up services considered by them to be appropriate for satisfying the specific needs of their community. The business plan describes these envisaged services and how they align with the provision of law enforcement and a safe and healthy urban environment as intended in the Overstrand's Integrated Development Plan (IDP) 2017/8 – 2021/22 (2<sup>nd</sup> Final Review of 29 May 2019 of 5-year IDP 2019/20).

The boundaries of the proposed Hermanus Special Rating Area (HSRA) are 17<sup>th</sup> Avenue in the East up to Swartdam road in the West, with Still street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaiwater and Voelklip.

An urban management survey of property owners shows that there is a perceived need for the maintenance and enhancement of a safe environment and for maintaining preferred standards of cleanliness and the appearance of public areas of the area in terms of the municipal by-laws, safety plan and IDP.

It is the aim of the proposed HSRA management body to assist the Overstrand Municipality (OM) by:

- Improving the monitoring of public areas using advanced technology;
- Identifying, reporting and following up any need for restoring public spaces to prevent urban decay;
- Contributing to maintaining a clean and healthy environment through inspection and by reporting and following up any threat to the environment and any aberration of acceptable levels of cleanliness and appearance of public spaces;
- Contributing to maintaining a safe environment for all the residents and visitors to the area; and
- Monitoring the violation of municipal by-laws and reporting inappropriate behaviour in public areas by informing law enforcement services to deal with these issues.

The cost of providing these services is expected to be in the region of R8 300 000 annually at current prices, to be sourced by the Overstrand Municipality from rateable property owners', as an additional rate on property value, as envisaged in the five-year budget and implementation plan described in this business plan. The benefits to be gained would include: an improved safe environment and a more attractive urban and natural environment.

In accordance with the Overstrand Municipality Special Rating Area By-law, the intention is to establish a non-profit company (NPC) with members, managed by a board of directors elected by HSRA property owners and acting in accordance with the property owners' mandate, and in compliance with the *Overstrand Municipality: Special Rating Areas By-law, 2016* and the *Overstrand Municipality: Special Rating Area Policy*.

### 3. What is a Special Rating Area?

*"The special rating area model is based on international best practice. It is aimed at preventing the degeneration of towns and the consequential urban decay, and facilitating their upliftment, economic growth and sustainable development.*

*The Overstrand Municipality recognises special rating areas as a potential tool for assisting it to fulfil its constitutional and statutory obligations to allow property owners within a geographical area to improve and upgrade their area by means of a property rate in addition to the standard property rate"<sup>1</sup>*

The Western Cape Government promulgated the *Overstrand Municipality Special Rating Area By-law* (Appendix B) in 2016 and the Overstrand Municipality approved the *Overstrand Municipality: Special Rating Area Policy, as revised* (Appendix C) in 2019, thereby setting the platform for property owners to establish such areas in the Overstrand Municipal area. The Hermanus Special Rating Area (HSRA) Steering Committee identified special rating area (SRA) legislation as a sustainable means of both addressing issues regarding a safe environment and preventing urban degeneration.

The intention is to establish Hermanus SRA (HSRA) as a non-profit company with members managed by HSRA property owners and responsible for managing and implementing mentioned supplementary services deemed by the community to be necessary and supplementary to the services provided by the Overstrand Municipality. HSRA property owners would be required to pay an additional rate to fund these supplementary services. The

supplementary services, undertaken on behalf of all property owners, will represent provision of systems that enhance effective monitoring and reporting infringements to the authorities.

*"The applicant must provide written proof to the Council that owners of rateable property within the boundary of the special rating area, who own not fewer than 50% (fifty percent) plus 1 in number of such properties, approve of the formation of the special rating area."*<sup>2</sup>

The additional monthly rate payment for HSRA will be determined by the property's municipal valuation and will amount to 0.00061 cents in the Rand per annum. It will be collected by the Municipality from property owners in the area and paid over to a non-profit company (NPC) responsible for operating the SRA. These funds would then be used to cover only the expenses of the Hermanus SRA (HSRA). (*"Before Overstrand Municipality will consider allowing ratepayers in a special rating area to carry out these administrative and other functions in relation to the area, the Steering Committee must establish a non-profit company (NPC) in terms of the Companies Act for that purpose."*<sup>3</sup>)

The additional rates due by property owners in the area would be in proportion to the municipal valuations on their properties and used for the benefit of the entire community. The cost of the proposed supplementary services will benefit property owners by providing them with a sense of communal pride in a well-managed, safe town.

*"Ultimately, the decision whether or not to determine a special rating area rests with the Council in its sole discretion."*<sup>4</sup>

#### 4. Why should Hermanus mapped area become an SRA?

##### 4.1 Background and Motivation

The Overstrand Municipality (OM) has an **Integrated Development Plan (IDP)** (available in pdf format as [Final 29 May 2019 IDP 2<sup>nd</sup> Review of 5 year IDP 2019/20](https://www.overstrand.gov.za/en/documents/strategic-documents/integrated-development-plan/6421-final-2019-2020-idp-review-29-5-2019) at <https://www.overstrand.gov.za/en/documents/strategic-documents/integrated-development-plan/6421-final-2019-2020-idp-review-29-5-2019>) which describes the effective management of its municipal area. In most instances the IDP satisfies the basic needs of the various communities and areas within the large geographical area OM serves.

The *"creation and maintenance of a safe and healthy environment"* is listed as one of the 5 strategic goals or objectives of OM. It is also described as one of 5 *"focus areas to guide the 5-year IDP cycle."*<sup>5</sup>

One of the areas of major concern in HSRA is the safety risk that accompanies civil disobedience. In the 2019/20 IDP Review this is identified as one of seven priorities to be addressed by the approval and implementation of a strategy to deal with it.<sup>6</sup> It is stated that one of the causes of this risk is that *"opportunistic criminals take advantage of protest actions when the resources of the SAPS and Law Enforcement are used for crowd control."*<sup>7</sup>

The installation and operation of CCTV cameras at the entrances and at strategic areas is listed as a priority in the IDP.<sup>8</sup>

The role of OM Law Enforcement and the importance of By-law enforcement are described as follows in the IDP:

*"Overstrand Law Enforcement role is bylaw related, emphasis is on compliance to municipal bylaws as mandated by the Constitution, while SAPS focus is on the criminal procedure act. It's a matter of bylaw offences vs criminal offences.*

*If Overstrand Municipality wants to attract more tourists and investors we should get our house in order and enforce effective policing of our By-laws to correct and improve tourism and investors' confidence in Overstrand. Section 152 of the Constitution of South Africa provide us with the objectives of local government and Section 152(1)(d) states that one of the objects of local government is to provide a safe and healthy environment. Therefore safety and security remains one of the main objectives of our IDP.*

*The Overstrand Municipal Safety Plan focuses on integrated increased visible patrols to prevent crime in all communities in an effort to deter Bylaw related offenses that have an impact on the quality of life of residents. Under section 156 (1) (b) of the Constitution, read with Government Notice 1114 in Government Gazette 41982 of 19 October 2018, another of the competencies of the municipality is to appoint law enforcement officers to provide law enforcement services in its area of jurisdiction. Government Notice 1114 gives power to Law Enforcement (i.e. peace officers) to deal with public safety, crime and road traffic policing in the Jurisdiction. During the 2018/19 - 2019/20 financial years the Western Cape Provincial Government allocated funding to establish a K9-unit in the Overstrand. The purpose of the K9 unit is to expand the capability of Law Enforcement in dealing effectively with public safety crimes such as poaching, drugs and narcotics and monitor and report on these crimes. Adopting a zero-tolerance approach towards traffic, By-law and other offences and promoting ethical conduct amongst all members are other key elements of the plan which will contribute*

*to the creation of a peaceful, stable and prosperous community. The Safety Plan has been developed to incorporate Traffic, Law Enforcement and Fire Services and was submitted to the Department of Community Safety. This Safety Plan is reviewed by end June in a 3-year cycle in conjunction with all the relevant role players and is available from the Directorate Protection Services (028 313 8914). A Municipal Community Safety Forum (CSF) is in place and meets annually. The Safety plan is distributed to all CSF members.”<sup>9</sup>*

*“The Municipal Systems Act, No 32 of 2000 provides the directive in terms of the role of Local Municipalities towards safer and secure communities. The indication from the Act is that the Municipality as the closest sphere of government to communities must promote a safe and healthy environment.*

*The Directorate Protection Services has the responsibility to enhance the health and safety with the community by means of a law enforcement service in order to ensure the preservation of order within its legal area of responsibility. The National Road Traffic Act No 93 of 1996, the Criminal Procedure Act No 51 of 1977 and the Municipal by-laws strengthen the local authority’s ability to regulate the social environment and intimidating factors flowing from it that may affect the communities right to live without the fear that it will impact on their quality of life.*

*Law enforcement, performed by traffic and By-law officials, concentrates on enforcing traffic laws, municipal By-laws and crime prevention interventions. Active involvement of the South African Police Service and Provincial Traffic Service in operational activities was conducted with the focus to clamp down on offences which endanger life and property. The Law Enforcement unit of the Municipality focuses on the following aspects of community safety:*

- *Road traffic safety and enforcement (Traffic).*
- *Administration regarding driver’s licenses and vehicle registration.*
- *Municipal By-laws and regulations.*
- *Road Safety Awareness campaigns.*
- *Crime prevention.”*

*However, the challenges and issues as stated in the IDP show that more needs to be done to address the safety situation:*

*“The current status of law enforcement is very challenging with key issues facing the functioning of this department viz. shortage of resources, budget constraints, and high level of*

*absenteeism. Strain on existing personnel reserves general levels of crime, homelessness, anti-social behaviour and general community apathy.*

*It is our firm intention, this financial year, to expand our partnership through local communication and fulfilling our role as an effective, community orientated public safety agency. In order to accomplish this we will work diligently towards carrying out the vision of Overstrand Municipality. We will ensure the delivery of equitable professional, effective and efficient public safety services and will strive towards continuous improvement of service excellence and delivery."<sup>10</sup>*

Residents of HSRA have first-hand experience of these challenges and recognise that Overstrand Municipality's capacity to deliver a sustainable and high-quality service to all its residents is hampered by the large area it serves, shortage of resources and that most of the offences occur outside normal office hours.

The Hermanus Special Rating Area (HSRA) Steering Committee is of the opinion that these services need to be supplemented and enhanced to ensure a safe and healthy environment. This can be done by establishing the HSRA. This is addressed in the IDP:

*"One of the recent additions to the policies, the Special Rating Areas Policy, is aimed at further investment into areas where, through co-operation between municipalities and private business, municipal top-up services could serve to uplift areas to address or prevent degeneration in order to address public safety, and to support and encourage property investment.*

*The top-up municipal services typically include the provision of top-up public safety, public area cleaning services, maintenance and/or upgrading of the urban public environment and/or infrastructure in a Special Rating Area (SRA).*

*Special Rating Areas is municipal facilitation of an additional rate levied on property value, payable by owners in a defined area, to raise funds for the improvement or upgrading of such an area. SRA's thus provide a formal structure through which to finance top-up services.*

*The top-up services provided by SRA's enhance and supplement municipal services already provided by the municipality. Services offered within an SRA do not replace the services of the Municipality, but rather complement and supplement those services.*

*Individual SRA's are unique in nature due to geographical settings, population density, zonings and property values. The cost of the top-up municipal services allows individual property owners to benefit from a well-managed neighbourhood, including a shared sense of communal pride, safety and social responsibility.”<sup>11</sup>*

In the commissioned urban management perception survey analysis it stated that although more than half of respondents had never been a victim of crime, safety in the area is a concern. Many participants stated that they do feel safe in Hermanus, but only during the daytime. Many respondents, noted that the foot patrols in the area make them feel safer, but would like to see more patrols around Hoy's Koppie and on the Cliff Path.

Additional monitoring services, such as the Hermanus Public Protection (HPP), neighbourhood watches and security companies were viewed very favourably and deemed essential in preventing crime. Municipal law enforcement and the Police Service tended to be viewed as average by a majority of the respondents.

Tourism is highlighted as one of the key economic activities in the Overstrand Municipality area in the IDP.

*“The area boasts a host of tourist attractions, products and activities that contribute significantly to employment creation and GDP, making it a destination of choice to many.”<sup>12</sup>*

*“Environmental Management is one of the Strategic Directives in the IPD. “The natural beauty of the Overstrand Municipal Area and its abundant environmental wealth are the region's greatest assets.”<sup>13</sup>*

A sustainable way to achieve the IDP goals of a safe and healthy environment for the community of the HSRA, is to establish a Special Rating Area (SRA). Supplementary intervention through coordinated management of the area will further improve public safety and cleansing services. Ongoing joint efforts will ensure that HSRA continues to be a desirable investment and tourism destination.

#### 4.2 Proposed Special Rating Area

The proposed Hermanus Special Rating Area (HSRA) is a geographical area which includes Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaiwater and Voelklip. It is the residents in this area who will contribute in a sustainable manner – by means of a monthly additional rate levied on their property taxes

– towards supplementary services, thereby ensuring a safer, healthier and cleaner environment for the community as a whole. This additional rate should be affordable to property owners and its impact on the average property owner's rates should be as low as possible.

The proposed supplementary services include: cleansing services; monitoring and patrolling response vehicles (24/7); foot patrols in the CBD, along the Cliff Path and Hoy's Koppie; bicycle patrols in the suburbs; and an advanced monitoring system of CCTV cameras at strategic points (in the instance of a municipal decision, to transfer existing Hermanus Public Protection (HPP) assets to the HSRA). The system will be linked to a control room which will be staffed 24/7.

It is the intention that the HSRA NPC will provide a supplementary service in collaboration with OM Law Enforcement, through the municipal central Incident Command Centre (ICC).

Access to all information will be under strict confidentiality agreements and within the boundaries of what is legally permitted. Sharing information between OM Law Enforcement and other law enforcement agencies (within the confines of their mandated functions) will be conducted in compliance with the *Protection of Personal Information act* (POPI) as well as the *Promotion of Access to Information act*.

#### 4.3 Map of the proposed HSRA

Figure 1: Proposed Area for HSRA

## 5. Overstrand Municipality's IDP

The proposed supplementary service will be in line with and linked to OM's 2017/8 – 2021/2 5-year IDP (2<sup>nd</sup> Final Review 29 May 2019). In order to ensure that the service complies with the directives of the IDP, this business plan has been compiled in consultation with officials of the OM, namely the Directorates for Finance and others. Everything possible has been done to make sure that the plan is consistent with the Overstrand Municipality's IDP as per the Service Departments' plans.

Every stage of the plan has been and will be submitted to the office of the CFO for comments and suggestions and in coordination with municipal departments.

## 6. Urban Management Perception Survey

### 6.1 Requirements

According to the *Overstrand Municipality Special Rating Area Policy* the following is required:

*"The Steering Committee will be required to conduct an urban management survey (only one survey per property owner) of not less than 20% of properties in the database (proportional split in terms of the usage code is required). In addition a random sample of people within the area, which is equal in number to not less than 5% of the properties in the database, is also required. Where a reduction in the number of survey forms is required it may be motivated for consideration by the CFO."*<sup>14</sup>

### 6.2 Database of Taxable Properties

In accordance with the *Overstrand Municipality Special Rating Area Policy*, the OM has provided the Steering Committee with the contact details of property owners in the HSRA.

The database was made available to the Steering Committee in October 2019 after an agreement of confidentiality was signed by both parties. Property owners' contact details were and shall only be used for communicating with ratepayers about matters concerning the establishment and (should it be approved) the management of the HSRA NPC. It will not be made available to a third party.

According to the database of taxable properties, there are 5501 erfs in the HSRA. To meet the Policy requirements, not less than 20% or 1100 of property owners and not less than 5% or 275 of random users must be surveyed.

### 6.3 Methodology

The Steering Committee developed an urban management survey related to the goals of the proposed HSRA. The HSRA Steering Committee appointed Douglas Parker Associates (DPA) to independently conduct and analyse the survey (Appendix D).

The internet-based platform SurveyMonkey was used to gather and process responses. A link to the survey was emailed to property owners, together with the request to complete the survey on the 14<sup>th</sup> of October 2019. Notices to complete the survey and reminders were sent through the local media, bi-weekly email reminders and shared on Hermanus Facebook community pages. Ratepayers Associations were asked to elicit responses from their communities.

SurveyMonkey recorded each respondent's IP address and these, together with the responses, are available for verification purposes. Respondents were also asked to provide their names and addresses and, where applicable, the address and name of the trust under which the property was registered. This was done so that the responses could be compared to the OM database made available to the Steering Committee and correct erf numbers could be assigned to each response. The property owners perception survey closed on the 18<sup>th</sup> of November 2019.

A total of 1393 individuals participated in the urban management perception survey. In accordance with the *Overstrand Municipality Special Rating Area Policy, 1117* (20%) respondents were property owners (identified by erf number in the property database), of which 972 were residential property owners, 63 business owners and 82 vacant land owners. In addition, 276 (5%) random users responded to the survey. It should be noted that not all participants responded to every question in the survey, as they were not obliged to do so. A majority, however, answered most of the questions.

### 6.4 DPA Perception Survey Analysis

#### Perception of Safety and Security

*"Although more than half of respondents had never been a victim of crime, a majority of all respondents were of the opinion that safety in the town was becoming a problem and that they still felt safe in Hermanus, but only during the daytime.*

*Additional security services, such as the HPP, neighbourhood watches and security companies were viewed very favourably and deemed essential in preventing crime. They typically major*

*security services, such as municipal law enforcement and the Police Service, tended to be viewed as merely average by a majority of the respondents. Regarding traffic control, a majority viewed these services as between very good and average. It would thus appear that, if municipal law enforcement and the police are not deemed completely effective, additional services are viewed as being required to help limit crime.*

*In terms of crimes, respondents viewed burglary as the biggest problem in Hermanus, with theft without forced entry being deemed the second biggest problem.*

*Regarding the breaching of bylaws, respondents viewed trespassing on private property as the biggest problem, with unlawful dumping of rubbish and malicious damaging of property viewed as the second largest problems (perhaps due to all the recent rioting and unrest).*

*More than half of the respondents agreed with, and supported, the statement that all property owners should share responsibility for ensuring a safer town.”<sup>15</sup>*

#### Perception of Cleanliness

*“The majority of respondents opined that Hermanus is an attractive town, but that litter (especially during the holidays) and the illegal dumping of rubbish were viewed as very problematic.*

*Positively, a majority of the respondents felt that the Municipality was doing an excellent job with regards to the maintenance of public walkways, pavements and benches.”<sup>15</sup>*

#### Conclusion

*“Almost all of the respondents stated that the preservation of the natural environment is important. This notion also fits in with respondents’ view that littering and illegal dumping of rubbish is currently problematic.*

*Fitting in with the questions dealing with safety and security, respondents viewed the safety of residents and visitors as being the biggest need in Hermanus that needed to be addressed. An attractive and clean town was deemed the second biggest need that needed focusing on.*

*Final comments and suggestions by respondents were split between issues already focused upon by the main questions in the survey, and any other issues that respondents also deemed important:*

*Respondents once again emphasized equality for all (including the provision of housing) which could lead to a decrease in crime and breaching of bylaws. Furthermore, their worries w.r.t.*

*safety and security, as well as the need for a clean environment and the importance of tourism, came to the fore, as well as their views (both positive and negative) on the Municipality and the HPP / HSRA.*

*Other issues emphasized included baboon management, the revitalization of the CBD, the New Harbour and dog-related issues.”<sup>15</sup>*

## 7. Public Meeting, Consent (Voting Process) and Objections

A public meeting must precede the application of a special rating area. *“The purpose of the meeting is to enable the applicant to consult with the property owners who will be liable for paying the additional rate within the proposed special rating area with regard to the proposed boundaries of the area and the improvement and upgrading of the area.”<sup>16</sup>*

Prior to holding the meeting the applicant must give notice to all property owners, the meeting must be held not less than seven days and not more than 30 days after the date of the notice.<sup>16</sup>

Support may only be obtained following the first public meeting. Property owners in the HSRA are required to complete a consent form which will be filed and cross-referenced. Majority support of 50% (fifty percent) plus 1 must approve the formation of the HSRA.<sup>17</sup>

*“Any property owner that wants to object to the establishment of a special rating area or to the provisions of the business plan can do so by indicating it on the consent form. The objector will be required to submit an objection letter once an application for the establishment of a special rating area is submitted to Council.”<sup>18</sup>*

### 7.1 Proof of Consent (Voting Process)

The consent of HSRA ratepayers will be asked via approved consent forms. These will be sent by e-mail (with a link to the consent form), by Post Office mail or delivered by hand.

The HSRA Steering Committee will hand over all consent forms or duplicates thereof to the Municipality as proof that the majority of property owners (representing 50% plus 1 or more of the rateable properties in HSRA) accept liability for paying the additional rate.

Proof will be kept of notices of public meetings contemplated in the *Overstrand Municipality Special Rating Area By-law*.

The minutes of public meetings will be published on the HSRA website.

Every ratepayer participating in the process will be asked to identify himself/herself as the lawful owner or authorised signatory of any said property.

Ratepayers may submit objections once the application for the establishment of HSRA has been submitted for approval to the OM council.<sup>19</sup>

## 8. Vision, Mission and Goals

### 8.1 Vision

The vision of the Hermanus Special Rating Area (HSRA) is to create and maintain an environment, that is safe, clean, caring and sustainable, for the benefit of all its residents and visitors.

### 8.2 Mission

It is the mission of the Hermanus Special Rating Area (HSRA) to improve the public environment to the benefit of all. To deliver supplementary municipal services as determined by the community, to ensure, in a sustainable manner, a safe, healthy and clean environment for residents and visitors. The services shall be supplementary to those services already provided and rendered by Overstrand Municipality (OM).

### 8.3 Goals

#### 8.3.1 Management

- To manage the proposed HSRA effectively and sustainably.
- To ensure a safe environment and provide supplementary cleansing services.

To reach this goal a non-profit company (NPC) with members will be formed as defined in section 1 of the Companies Act No 71 of 2008.

*"The inaugural memorandum of incorporation ("MOI") of the NPC must be aligned with the prescribed format determined by the CFO; and any amendments thereto must be approved by the CFO."*<sup>20</sup>

#### 8.3.2 Safe Environment

- To work in collaboration with OM Law Enforcement, through a municipal central Incident Command Centre (ICC).

## Business Plan for the Proposed Hermanus Special Rating Area (HSRA)

- To promote, together with the OM Traffic and Law Enforcement departments, community involvement, thereby enhancing a safe environment for all residents within the framework of the relevant OM legislation.

### 8.3.3 Clean and Healthy Environment

- To support OM by monitoring problem areas in order to report on illegal littering; rubbish dumping; blockage of storm water canals; areas and residences that constitute a fire hazard; alcohol abuse in public areas; issues regarding problem animals, the need for the clearing of alien vegetation and fire breaks and the maintenance of foot paths and board walks.

## 9. Implementation Plan

### 9.1 Service Providers

Service providers will be appointed through a tender process implemented by the HSRA NPC. As far as possible the HSRA NPC will make use of local service providers. Service provider appointments will be in accordance with the *Overstrand Municipality Special Rating Area By-law and Policy*.

The process and appointment of all service providers will be communicated to property owners on the HSRA NPC's website and in newsletters.

Service providers will be appointed and managed with a commitment to good, fair and transparent governance.

Service providers will be contracted to supply supplementary public safety and crime prevention monitoring services and supplementary cleansing services.

### 9.2 Services

#### 9.2.1 Supplementary Public Safety and Crime Prevention Monitoring Services

- Patrol officers on foot in the CBD area and vehicle patrols throughout the area. The vehicle patrols will be on a 24-hour basis, 7 days a week.
- Foot patrol officers will be used primarily in the CBD and on the Cliff Path which stretches from the New Harbour to Grotto Beach.
- Vehicle patrols will be throughout all the suburbs included in the HSRA area.
- Activities will be monitored through GPS tracking from the control centre.

## Business Plan for the Proposed Hermanus Special Rating Area (HSRA)

- The HSRA NPC will have access to a minimum of 19 monitoring CCTV cameras, in the instance of a municipal decision, to transfer existing Hermanus Public Protection (HPP) assets to the HSRA.

### Crime Prevention Monitoring

- Maintaining a high technological camera monitoring system within the boundaries of HSRA.
- Providing facilities and 24/7 monitoring in a well-managed control room within the boundaries of OM.
- Providing an internet service for the system.
- Supplying software for the system.
- Supplying internet connection to the License Plate Recognition (LPR) database within the requirements of the Protection of Personal Information (POPI) and the Promotion of Access to Information acts.

### Crime Prevention and Safety in Public Areas

Providing monitoring and response staff with the necessary qualifications as well as vehicles for HSRA.

In order to improve crime prevention and public safety, the HSRA will participate with inputs into the comprehensive and integrated safety and security plan for the area through municipal processes.

The HSRA NPC will participate in any safety and security forums in association with the municipality. This forum will encourage the involvement of members of the HSRA, property owners, residents, tenants, businesses and representatives of the abovementioned organisations.

### Monitored Advanced Camera Systems

The management of advanced camera systems will be operated as follows:

Cameras will be linked via the internet to a control room. This will be done under the direction of the HSRA Board and in cooperation with the OM Protection Services Department. Should other towns in the neighbouring area decide to do the same, the system should be linked to the same database. In this way all human and vehicular movements in the area will be monitored, which, in turn, will help law enforcement agencies with general law enforcement and enable quick response in emergency situations. It will be done in compliance with the

Protection of Personal Information act (POPI) as well as the Promotion of Access to Information act.

The HSRA NPC will comply with the OM's strategies and other applicable legislation/policies/By-laws in relation to, among others, regulation of external and internal privately-owned CCTV cameras on OM property, inclusive of open spaces, road intersections, road reserves, etc. A confirmed link up with OM CCTV networks/systems and equipment, inclusive of reporting into the Overstrand Incident Command Centre established for this purpose.

The HSRA NPC will appoint a service provider who is accredited according to the Private Security and Investigative Services Act (PSISA) and registered at the Private Security Industry Regulatory Authority (PSIRA) to provide monitoring and reporting services as supplementary support for the OM Law Enforcement department. The service provider should be enabled to act in public places and address problems within its legal mandate until the responsible OM Law Enforcement officials or the SAPS arrive at the scene.

An effective communication system will be established with regular tips and suggestions regarding a safe environment.

The HSRA NPC will be available in the case of emergencies with clear links to the Disaster Management Plan of OM. All communication in this regard will be relayed in compliance with the municipality's official Communication Policy.

(<https://www.overstrand.gov.za/en/documents/policies/4268-communication-policy-29-march-2017>)

An up to date a database with relevant information about residents that will be available in emergency situations. This information will be confidential and will not be shared with any third party. As well as providing input regarding the creating, testing, implementing and updating of an emergency plan for Hermanus as supplement to the Disaster Management Plan of OM as described in the IDP and help coordinate community involvement, if required by the municipality, during the execution of the emergency plan.

The HSRA NPC will commit to build on existing working relationships through the relevant OM departments, with the Community Safety Forum and other organisations involved with maintaining a safe environment. This includes giving access to data collected by the various

monitoring systems so that any acts in violation with municipal By-laws can be followed up and the necessary evidence for successful prosecution can be found.

### 9.2.2 Supplementary Cleansing Services

To establish the most effective cleansing plan for the HSRA, the management will initially develop a comprehensive cleansing strategy in conjunction with the appointed service provider and the relevant Overstrand Municipality department. The strategy will support existing waste management services, identify specific management problems and areas and assist in developing waste management and cleansing plans for the area.

The plan will be executed by an appointed cleansing service provider tasked to work in conjunction with the relevant Overstrand Municipality department to:

- Decrease waste and grime in the area through a sustainable cleansing programme;
- Provide additional street sweeping, waste picking and additional refuse collection in all the public areas of the HSRA; and
- Promote waste minimization by providing supplementary municipal services in the area including but not limited to more waste bins and waste recycling opportunities, strictly in alignment with official municipal policies in this regard.

The HSRA will also support the Overstrand Municipality with an effective litter collection service on the Cliff Path and Hoy's Koppie.

The HSRA NPC appointed cleansing contractor will conduct its work on a weekly cycle covering the areas to be identified.

### 9.3 Schedule of Goals

Tasks per milestone	Start and finish date	Responsibility	Performance indicator
<b>Milestone 1: Management and control</b>			
Write MOI	March 2020	HSRA Steering Committee	Directly after consent of 50% plus 1 or more of ratepayers has been achieved and the OM Council has approved.
Establish a NPC	May 2020	HSRA Steering Committee	The MOI complies to legislation
Appoint Board of Directors	June 2020	General Meeting of members (ratepayers)	Notice of meeting given appropriately, minutes taken and published on website.

Direction and leadership for the board	Ongoing	Board Chairperson	Successful implementation of the business plan.
Recruitment of a part-time Administrator	15 May 2020 to 15 July 2020	HSRA Board	Successful selection of an Administrator.
Appointment of a part-time Administrator	1 September 2020	HSRA Board	Employment contract reviewed annually.
Day-to-day management and operations	Ongoing	HSRA Administrator	Monthly reports by administrator submitted to board.
Appointment of service providers	15 May 2020 to 15 July 2020	HSRA Board in liaison with OM CFO	Service provider compliance with terms and contracts
Placement and control of staff (monitoring and enforcement services)	September 2020	Service provider	Monthly reports by service provider submitted to board.
Board meetings	Once per month except December	HSRA Chairperson	Notice of meetings given appropriately, minutes taken and published on website.
Communication and HSRA membership update	Ongoing	HSRA Administrator	Monthly reports by administrator submitted to board.
Newsletter to members	Once a month	HSRA Administrator	Newsletter published on HSRA website and e-mailed to members with the consent of the Liaison Director.
Financial bookkeeping	Ongoing	HSRA Administrator	Monthly reports by administrator submitted via Financial Director to board.
Audit of financial bookkeeping	Within one month after end of financial year.	HSRA Board	Unqualified audit report approved by board and members at the AGM.
Financial reports to OM CFO	Monthly	HSRA Financial Director	Monthly reports by administrator submitted to CFO.
Annual General Meeting	Within two months after end of financial year.	HSRA Board	Notice of meeting given appropriately, chairperson's annual report delivered, audit report approved, auditors appointed, budget approved, amending of MOI approved if required and minutes taken and published on the HSRA website.
<b>Milestone 2 Safe Environment</b>			

Enhance structures to promote community involvement in community safety issues	Ongoing	HSRA Board HSRA Administrator	Active involvement in OM represented structures such as the OM safety forum and the weekly JOCOM meetings.
In liaison with other role players in the Hermanus mapped area, identify current shortcomings that relate to a safe environment and develop and implement effective strategies to address them.	July to September 2020.	HSRA Liaison and Operations Directors in consultation with the Board.	Active participation in OM represented structures and the JOCOM meetings where these issues are discussed on a weekly base. Present a strategy to address shortcomings.
Inputs in the Review and maintenance of the Community Safety Strategy specifically aimed at the needs in HSRA with clear deliverables and defined performance indicators to guide monitoring services by the appointed service provider and to evaluate levels of provided services.	Ongoing.	HSRA Operations Director in consultation with the Board.	Active participation in OM represented structures.
Maintain a technological advanced camera monitoring system in liaison with OM Directorate: Protection Services and other relevant Directorates.	September – November 2020	Service provider	Cameras operational at strategic points in the HSRA.
Internet connections for monitoring cameras in liaison with OM Directorate: Protection Services.	September – November 2020	Service provider	Internet connections established, operational and linked to control room.
Power supply to cameras in liaison with OM Directorate: Infrastructure and Planning.	September – November 2020	Service provider, OM electrical services	Power supply maintained for each camera.
Control room operations in liaison with OM Directorate: Protection Services.	September – November 2020	Service provider	Service provider compliance with terms and contracts.
Deploy resources (monitoring staff and	September – November 2020	Service provider	Service provider compliance with terms

vehicles) for visible monitoring services in liaison with OM Directorate: Protection Services.			and contracts. Monthly reports to HSRA Board.
Monitoring of patrolling and control room staff.	Ongoing	Service provider	Service provider compliance with terms and contracts. Monthly reports to HSRA Board.
Assistance to OM Law Enforcement.	Ongoing	Service provider	Provision of access to relevant data within legal terms and conditions.
Participate in an effective communication strategy. All communication in this regard will be relayed in compliance with the municipality's official Communication Policy	Ongoing	HSRA Liaison Director	System for e-mail, social media, SMS, WhatsApp and newspaper communication with community.
Encourage community involvement in the OM disaster management plan	Ongoing	HSRA Board HSRA Administrator	Community involvement in accordance with the OM disaster management plan approved by the OM Council.
<b>Milestone 3 Healthy and clean environment</b>			
Identify issues regarding a clean and healthy environment and report to the OM.	Ongoing	HSRA Board HSRA Administrator HSRA members	Issues are documented and reported to OM administration in the Overstrand Municipality in an orderly way.
Monitor illegal dumping, littering, fires and arson and report to the OM.	Ongoing	HSRA Board HSRA Administrator HSRA members	Video footage of offenders recorded by the monitoring system and made available to OM for their perusal.
Monitor illegal alcohol misuse and assist OM law enforcement in acting against offenders	Ongoing	HSRA Board HSRA Administrator HSRA members	Video footage of offenders recorded by the monitoring system and made available to OM for their perusal.
Promoting waste minimization and recycling in accordance with approved municipal policies and plans.	Ongoing	HSRA Board HSRA Administrator HSRA members	Regular articles on this topic published to improve public awareness.

#### 9.4 Further Phases of Implementation

Lessons learned from the operations during the first phase will enable the Management body of HSRA NPC to install additional CCTV cameras at strategic points in the HSRA. Initially, the HSRA NPC will have access to a minimum of 19 monitoring CCTV cameras, in the instance of a municipal decision, to transfer existing Hermanus Public Protection (HPP) assets to the HSRA.

### 10. Financial Impact

It is intended that HSRA NPC will be funded through a special rate payable by all property owners who do not receive rates exemption. Properties that qualify in terms of policies will be the source of the additional rate. This list of properties will be regularly amended to accommodate changes in ownership as time goes by.

#### 10.1 Source of Funds

Funding of HSRA will be provided from a Special Rating Area rate charged by OM and applied to the owners of valid rateable properties on the OM property database. As of October 2019, there are approximately 5501 rateable properties in the HSRA.

The additional monthly rate payment for HSRA will be determined by the property's Municipal valuation and will amount to 0.00061 cents in the Rand per annum. The table below gives an indication of how much property owners would be required to pay according to the proposed HSRA budget.

This would generate an income of approximately R8 302 000 for HSRA NPC in 2020/2021.

Municipal Valuation	Estimated Monthly Special Rate					
	Residential		Business		Vacant	
	From	To	From	To	From	To
Less than R50 000	Less than R0		Less than R3.56	R3.56	Less than R2.03	R2.03
R50 001 – R100 000	R0.08	R2.03	R3.56	R5.08	No properties in this range	
R100 001 – R300 000	R2.03	R10.17	R5.08	R15.25	R6.10	R14.74
R300 001 – R600 000	R10.17	R22.37	R15.25	R32.18	R14.74	R33.55

R600 001 – R1 000 000	R22.37	R38.63	R32.18	R50.82	R33.55	R50.83
R1 000 001 – R1 500 000	R38.63	R58.97	R50.83	R76.25	R50.83	R76.25
R1 500 001 – R3 000 000	R58.97	R119.97	R76.25	R152.50	R76.25	R152.50
R3 000 001 – R6 000 000	R119.97	R241.97	R152.50	R304.96	R152.50	R305.00
R6 000 001 – R12 000 000	R241.97	R446.12	R304.96	R605.68	R305.00	R559.17
R12 000 001 – R35 000 000	R446.12	R1379.62	R605.68	R1768.45	R559.17	R1779.17
<b>Estimated Income per month</b>						
<b>R691, 829.88</b>	<b>R538 491.97</b>		<b>R128 485.74</b>		<b>R24 852.17</b>	

## 10.2 Criteria to Qualify for Exemption

In this matter the proposed HSRA will follow the *Overstrand Municipality Special Rating Area Policy*:

*“7.1 The Overstrand Municipality’s Municipalities Rates Policy applies with the necessary changes to this Policy. In particular, and without limiting the generality of the afore-going, the exemptions, rebates and reductions set out in the Rates Policy apply with the necessary changes in relation to the levying of an additional rate for special rating area purposes.*

*7.2 Notwithstanding the provisions of paragraph 7.1 above, when the Municipality grants a partial rebate as set out in the Rates Policy, the relevant property owner will be granted a full (100%) rebate in relation to the additional rate.*

*7.3 Other policies approved by the Council apply with the necessary changes to the collection of additional rates in terms of the Policy, the By-Law and section 22 of the Property Rates Act, including, but not limited to, the Overstrand Municipality Credit Control and Debt Collection Policy.”<sup>21</sup>*

### 10.3 Five-year Term Budget

According to the OM's SRA Policy the budget for the proposed improvements or upgrades must at least address the following:

- *"An annual budget per line item commencing on 1 July of the first year and ending on 30 June of the last year of the term; and*
- *a budget split for the provision of improvements or upgrades between the different categories of properties.*
- *subject to the provisions of the Property Rates Act, the additional rate in any category of property must not exceed 25% of the municipal property rate. Any deviation must be fully motivated to Council for consideration."*<sup>22</sup>

However, while the above is the official Policy, it is the aim of the HSRA Steering Committee that the additional rate should not exceed 12% of the municipal property rate.

Business Plan for the Proposed Hermanus Special Rating Area (HSRA)

<b>HERMANUS SRA ESTIMATED 5-YEAR BUDGET</b>					
	Budget Fin Year 2020/21	Budget Fin Year 2021/22 5.5%	Budget Fin Year 2022/23 5.5%	Budget Fin Year 2023/24 5.5%	Budget Fin Year 2024/25 5.5%
<b>INCOME</b>					
Estimated Levies	8,300,000	8,756,500	9,238,108	9,746,203	10,282,245
<b>Total Income</b>	<b>8,300,000</b>	<b>8,756,500</b>	<b>9,238,108</b>	<b>9,746,203</b>	<b>10,282,245</b>
<b>EXPENDITURE</b>					
<b>HSRA ADMINISTRATION</b>

#### 10.4 Other Requirements

*"Before the Overstrand Municipality will pay over any additional rates collected to the NPC, the NPC and the Overstrand Municipality must have concluded a written finance agreement regulating, amongst other things:*

- *the mechanisms and manner of payment;*
- *how the additional rate is to be held by the NPC;*
- *any parameters relating to expenditure; and*
- *any obligations on the NPC to take out and maintain appropriate insurance."*<sup>21</sup>

#### 10.5 Existing Inequities

As in every other town in the country inequities exist in Hermanus. One of these is the inequity in financial means. It is important that inequities should not be exacerbated by establishing an SRA as required by the Policy, HSRA funding will be based on the municipal valuation of properties. This means that every rateable property owner will contribute as an additional rate the same number of cents in the rand value of his/her property, as every other property owner.

Standard municipal rebates and exemptions as currently exercised will apply also to this special rate.

### 11. Proposed Management Structure

A non-profit company (NPC) with members as defined in Section 1 of the Companies Act No 71 of 2008 will be created as soon as the establishment of HSRA has been voted for by the ratepayers of HSRA (50%+1 in support) and approved by the OM Council.

#### 11.1 Board of Directors

The NPC will have at least 4 (four) directors, each with specific portfolio(s) aligned with the business plan of the HSRA.

The Board of Directors will be appointed by the members (the owners of all rateable properties in the Hermanus mapped area) of the HSRA at the first General Meeting of the HSRA and will consist of the following portfolios:

- A Chairperson

- A Liaison Director (with OM Protection Services and representative of HSRA on the Hermanus Joint Operations Committee (JOCOM))
- A Financial Director responsible for the HSRA budget and financial management and liaison with the OM CFO
- An Operations Director who will liaise with HSRA service providers and supervise the HSRA Administrator
- A Communications Director who will liaise with all ratepayer bodies in the HSRA and who will inform ratepayers on a regular basis on the operations, challenges and achievements of the HSRA

The HSRA Administrator serves in an advisory capacity on, and as secretary of the Board.

The Board of Directors will meet once a month except for the month of December.

*"The Executive Mayor will appoint a councillor(s) as director(s) and alternate director(s) to the Board in accordance with sections 11(4) and 11(5) of the By-law. The director(s) appointed by the Executive Mayor will not have the powers and duties of directors as set out in the Companies Act and the management body's MOI."*<sup>23</sup>

#### 11.2 Annual General Meeting

An AGM will be scheduled within two months after the end of the financial year.

The AGM will be responsible for:

- the appointment of directors;
- the review of the chairperson's Annual Report;
- the approval of the audited financial statements;
- the approval of the following year's budget and implementation plan in accordance with the OM rate as approved by the OS council;
- the appointment of an auditor; and
- the amending of the NPC's MOI if required and with prior written consent of the CFO.

## 12. Benefits for ratepayers and OM

The proposed Hermanus Special Rating Area (HSRA) will enable individuals in the HSRA community to collectively decide what supplementary services they feel are needed in order to attain the HSRA's goals of a safe, clean and healthy environment.

The benefits:

- OM Traffic and Law Enforcement Departments will be supported with monitoring (especially after hours and in light of the challenge to provide officials 24/7 in all residential areas in the large geographical area that OM serves).
- Monitoring and reporting any signs of degeneration and decay in public areas quickly and effectively.
- The community as a whole will share the benefits of a safe, healthy and clean environment for living, working and relaxing.
- All rateable property owners will share equitably the cost of HSRA operations by contributing the same number of cents according to the rand value of their properties.
- Visitors will feel safe in the HSRA and will therefore be more inclined to invest in the town and its environment. Tourism will also benefit, which is an important point as tourism is a key economic activity of the area (see IDP p 95).
- A safe, healthy and clean environment will contribute indirectly towards an increase in the value of properties.
- Law enforcement will be able to respond and apprehend law breakers more quickly and more effectively since camera film footage will be available as evidence in a court of law.

## 13. Website

The HSRA Steering Committee has developed a website which will include the following content:

- the application letter;
- the business plan;

- the urban management perception report;
- the presentations and minutes of all public meetings;
- *the Overstrand Municipality: Special Rating Area By-law;*
- *the Overstrand Municipality: Special Rating Area Policy;*
- frequently asked questions and answers about HSRA;
- notices; and
- a blank consent / objection form.

The address for the website is <https://hermanussra.co.za/>

## NOTICE OF INTENTION TO ESTABLISH THE HERMANUS SPECIAL RATING AREA (HSRA)

A separate public meeting pertaining to the establishment of a Special Rating Area will be held immediately following the conclusion of the HPP meeting

**Notice is hereby given that:**

1. Michael Farr, registered owner of Erf 103, Westcliff Road, Westcliff, Hermanus, 7200, intends applying to establish the Hermanus Special Rating Area (HSRA), in terms of the Overstrand Municipality's Special Rating Area By-Law, 2016 read together with the Overstrand Municipality: Special Rating Area Policy, as amended (1 July 2019), to include all properties in the boundaries of: 17<sup>th</sup> Avenue in the East up to Swartdam Road in the West, with Still Street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaaiwater and Voelklip.
2. A public meeting will be held, the purpose of which shall be to:
  - a. Inform all attendees of relevant information pertaining to the application;
  - b. Discuss the practical implications relating thereto; and
  - c. Allow the Hermanus Public Protection (HPP) to present their interim plan for the provision of services until the SRA is successfully established.

**Date: Thursday, 19 December 2019**

**Time: 17H00**

**Venue: Civic Auditorium, Overstrand Municipal Centre, 1 Harmony Ave,  
Hermanus.**

**ALL PROPERTY OWNERS IN THE PROPOSED SRA ARE REQUESTED TO ATTEND THE  
MEETING.**

Enquiries may be directed to the HSRA Steering Committee at [info@hermanussra.co.za](mailto:info@hermanussra.co.za)

For more information visit our website <https://hermanussra.co.za>

## MINUTES OF PUBLIC MEETING

DATE: 19 December 2019

TIME: 17H00

VENUE: Civic Auditorium, Overstrand Municipal Centre, 1 Harmony Ave, Hermanus

CHAIRMAN: Mr Fanie Prins. No association with HSRA and not a property owner in area. He was invited to chair the meeting. F. Prins credentials approved by Overstrand Municipality.

### 1. ATTENDANCE

Present: See attendance list attached to minutes. 233 attendees.

Apologies: See apologies list attached to minutes. 25 invitees notified by email that they were unable to attend.

Mr Michael Farr (HSRA SC Chairman) and Mr Errol van Staden (HPP Chairman). HSRA Steering Committee and the HPP Board are represented. M. Bown – Minutes Secretary.

### 2. WELCOME

Public Meeting Chairman welcomes all the attendees.

### 3. ORDER OF BUSINESS

Public Meeting Chairman outlines the Order of Business, stating there will an opportunity to ask questions at the end of the presentations given by Mr. E. van Staden and Mr. M. Farr respectively.

### 4. PURPOSE OF THE MEETING

- a. Inform all attendees of relevant information pertaining to the application;
- b. Discuss the practical implications relating thereto; and
- c. Allow the Hermanus Public Protection (HPP) to present their interim plan for the provision of services until the SRA is successfully established.

### 5. HERMANUS PUBLIC PROTECTION (HPP) PRESENTATION BY MR ERROL VAN STADEN

E. van Staden presents the current status of HPP. Presentation is available on HPP website: <http://www.hppsecurity.co.za/>

- 17H27 OM Facilities Manager calls a halt to proceedings as auditorium is over maximum capacity (194). E. van Staden requests that people sitting in the aisles and around the sides leave and informs them that another meeting will take place in January 2020. Around 40 attendees leave to comply with the Health and Safety regulations.
- 17H30 HPP Presentation commences. Questions and Answer session. Question and answers listed below.

#### 6. PROPOSED HSRA PRESENTATION BY MR MICHAEL FARR

M.F welcomes and thanks attendees.

M.F states the process followed to establish the Steering Committee and that it is representative of the area.

M.F proceed with presentation on the proposed HSRA. The full presentation is available on the HSRA website:

<https://hermanussra.co.za/notices/>

Key Points Highlighted by M.F:

- The Business Plan will be available on the HSRA website after midnight.
- The HSRA geographical area will be the same as the HPP.
- The HSRA establishment must comply with various National and Municipal legislation. The pertinent legislation for Special Rating Areas is available on the HSRA website.
- M.F relates to his previous experience establishing CIDs in Cape Town and states that successful SRA's are proven to attract investment and offer a safe and secure environment for all. There is also less likelihood of depreciation in property values.
- M.F. confirms that the Business Plan is aligned with the Overstrand Municipality IDP.
- M.F outlines the process for establishing the HSRA, what has been achieved to date and what needs to be achieved to submit the application to the OM by the end of January. M.F further states that there is a 30 day objection period follows the application submission. Should the application be successful, the levy will only be payable in August. M.F. reiterates that the timelines are very tight.
- M.F outlines the findings of the perception survey results. It is highlighted that property owners are concerned about safety in

4/45

the area and that Neighbourhood Watches, the HPP and private security are integral to safety in the area.

- M.F states that foot patrols are not effective in residential areas due to the size. Vehicle patrols are the preferred method to respond to and identify crime. Foot patrols are effective in the CBD and along the Cliff Path.
- M.F outlines the cleansing services that will be provided.
- Terry McCarthy (T.McC) (Steering Committee Member) outlines the 5-year budget and reiterates that supplementary safety and cleansing services are the key features of the Business Plan based on the survey outcomes.
- T.McC then outlines the predicted costs to ratepayers and unpacks the calculation of the rates.
- Questions are raised by a number of attendees at this point. The Chairman lets the questioning continue. Questions and answers are listed below.
- M.F continues with presentation highlighting the voting process, voting eligibility.
- M.F ends presentation with what can be done to help and raises an example of a CBD where deterioration in the area led to a 40% decline in property values. States that we must protect our most valuable assets.

## 7. Question & Answers

A summary of questions and answers follows:

Question	Answer
<b>Questions following the HPP presentation</b>	
Q1. Should the meeting continue following the H&S issue? Is the audience still representative?	E.v.S – The meeting is for information purposes and is not required to be representative.
Q2. Funding for the HPP was unilaterally stopped by the OM, however, the By-law has not yet been repealed. The OM is obligated to continue collecting funds under the CID By-law.	E.v.S – Question is noted and will be investigated and raised with the OM.
Q3. Did our rates bill not decrease when the levy stopped?	E.v.S – the levy was never specified as a line item on the rates bill. The levy ceased on 1 July 2019, at the same time the new rates increase was implemented.

<p>Q4. Why can't the HPP obtain a copy of property owners contact details from the OM.</p> <p><i>Note: This question is raised by Pat Redford several times.</i></p>	<p>E.v.S – The HPP is not permitted to receive the property owners database.</p> <p>M.F – a joint statement was sent to all property owners in the HSRA. The statement confirmed that HSRA SC and HPP Board have agreed a collaborative partnership against the backdrop of a common goal – ensuring a safe, clean and caring environment that contributes to Hermanus being a highly sought-after investment and tourism destination.</p>
<p>Q5. How effective has the HPP been?</p>	<p>E.v.S – In the past the HPP has communicated poorly with the community about the impact they have. They plan to be more active and has established more online routes to share achievements. ADT now provides more information on activities and metrics are available. Crime is under control in the area and there is a good cooperation between the HPP, law enforcement and other actors. The west side of the Cliff Path had an increase in incidents, more patrollers are now in the area.</p>
<p>Q6. Why can't ADT pay the HPP staff in the interim?</p>	<p>E.v.S - HPP pay ADT to supply staff. ADT do not have the funds to pay the HPP staff in the interim and the staff cannot be transferred. That is why we are appealing for voluntary funding until the SRA can be established.</p>
<p><b>Questions following M. Farr and T.McC Presentation</b></p>	
<p>Q1. Is that still 10% on the rate?</p>	<p>T.McC - confirms that the levy is approximately 10.25%. The HSRA states that it does not intend to go higher than 12%, the OM SRA Policy states that it cannot be more than 25%. The HSRA NPC is regulated under the companies act and members have to approve any increase.</p>
<p>Q2. What guarantees are there that the OM will pay the funds over to the SRA?</p>	<p>T.McC – there is legislation in place, that legally obliges the OM to pay the funds directly to the HSRA NPC, however, the OM does have financial oversight to ensure funds are not misspent.</p>
<p>Q3. What percentage of tax payers will contribute to the SRA?</p>	<p>TMcC – a database was provided by the OM with 5501 ratepayers in the defined area. It is mandatory once 50 percent plus 1 ratepayers vote in favour of establishing the SRA.</p>

Q4. An audience member asks for a show of hands to get an idea of how many people support the initiative.	The majority of the audience raises it hands.
Q5. Bob Stanway – The process is in contravention with the SRA By-law and policy. After the public meeting property owners should comment on the Business Plan prior to giving consent. How's it possible to vote at this stage as it is completely opposed to the by-law and policy?	<p>F.P – This is a consent form for the establishment of the SRA. If there are any objections to what is in the business plan, those objections can be put forward.</p> <p><i>B. Stanway – the by-law states only after the final business plan has been published. There is a step missing here. You cannot vote on a draft business plan. The process will be invalidated and illegal.</i></p> <p>M.F – the purpose of the public meeting is for people to express their view and if they support or object to the SRA. The Business Plan put forward is regarded by both the HSRA SC and OM as a final business plan.</p> <p><i>B. Stanway – can I just say that this is illegal.</i></p> <p>F.P – can we take this offline to resolve.</p>
Q6. I am concerned about the verifying of votes. How will this be controlled, who will audit the votes – independent body?	M.F - There is a voting and verification process in place that the HSRA SC must adhere to, verify details and cross reference. The OM will verify the votes when the application is submitted.
Q7. What new technologies will be introduced?	M.F. – The current CCTV software system will be updated to enhance its facial recognition capabilities, as well as use the LPR system. The CCTV network will be extended to help with crime prevention and convictions across the region.
Q8. How can we help? How will all property owners be notified to vote?	<p>Property owners with an email/ cell details will be sent a link to vote online or download from the website. Direct mail will be sent to property owners who only receive mail.</p> <p>If you would like to volunteer to help collect votes, please let us know.</p>
Q9. Can the consent form be circulated on WhatsApp groups? It seems to be the most pervasive form of communication in the area.	M.F – Yes, a link can be sent via WhatsApp groups to the consent form.
Q10. Will the levy be compulsory?	M.F – yes, if the majority (50%+1) vote in favour, the levy will be mandatory for all ratepayers in the HSRA.
Q11. Is VAT included in the budget?	TMCC – I will investigate and communicate the outcome.
Q12. Does the OM/ Council/ Law Enforcement support this initiative?	M.F – Yes.

HENMANUS  
Special Rating Area

7/45

Q13. Who will make a provision for bad debts?

M.F – The OM makes a provision for bad debts.

8. Closing

Chairman thanks all attendees for their participation.

Meeting is closed at 19H17

CHAIRMAN SIGNATURE: \_\_\_\_\_

A handwritten signature in black ink, appearing to be 'G.L.', written over a horizontal line.

## NOTICE OF INTENTION TO ESTABLISH THE HERMANUS SPECIAL RATING AREA (HSRA)

A separate public meeting pertaining to the establishment of a Special Rating Area will be held immediately following the conclusion of the HPP meeting.

**Notice is hereby given that:**

1. Michael Farr, registered owner of Erf 103, Westcliff Road, Westcliff, Hermanus, 7200, intends applying to establish the Hermanus Special Rating Area (HSRA), in terms of the Overstrand Municipality's Special Rating Area By-Law, 2016 read together with the Overstrand Municipality: Special Rating Area Policy, as amended (1 July 2019), to include all properties in the boundaries of: 17<sup>th</sup> Avenue in the East up to Swartdam Road in the West, with Still Street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaaiwater and Voelklip.
2. A public meeting will be held, the purpose of which shall be to:
  - a. Inform all attendees of relevant information pertaining to the application;
  - b. Discuss the practical implications relating thereto; and
  - c. Allow the Hermanus Public Protection (HPP) to present their interim plan for the provision of services until the SRA is successfully established.

**Date: Thursday, 23 January 2020**

**Time: 17H00**

**Venue: BOSKO Hall, Fairways Avenue, Eastcliff, Hermanus (behind the cricket grounds)**

**ALL PROPERTY OWNERS IN THE PROPOSED SRA ARE REQUESTED TO ATTEND THE MEETING.**

Enquiries may be directed to the HSRA Steering Committee at [info@hermanussra.co.za](mailto:info@hermanussra.co.za)

For more information visit our website <https://hermanussra.co.za>

## MINUTES OF PUBLIC MEETING

DATE: 23 January 2020

TIME: 17H00

VENUE: BOSKO Hall, Fairways Avenue, Eastcliff, Hermanus

CHAIRMAN: Mr Fanie Prins. No association with HSRA and not a property owner in area. He was invited to chair the meeting. F. Prins credentials approved by Overstrand Municipality.

### 1. ATTENDANCE

Present: See attendance list attached to minutes. 83 attendees.

Apologies: One apology received.

Mr Michael Farr (HSRA SC Chairman) and Mr Errol van Staden (HPP Chairman). HSRA Steering Committee and the HPP Board are represented. M. Bown – Minutes Secretary.

### 2. WELCOME

Public Meeting Chairman welcomes all the attendees.

### 3. ORDER OF BUSINESS

Public Meeting Chairman outlines the Order of Business, stating there will an opportunity to ask questions at the end of the presentations given by Mr. E. van Staden and Mr. M. Farr respectively.

### 4. PURPOSE OF THE MEETING

- a. Inform all attendees of relevant information pertaining to the application;
- b. Discuss the practical implications relating thereto; and
- c. Allow the Hermanus Public Protection (HPP) to present their interim plan for the provision of services until the SRA is successfully established.

### 5. HERMANUS PUBLIC PROTECTION (HPP) PRESENTATION BY MR ERROL VAN STADEN

E. van Staden presents the current status of HPP, states that is a reduced service due to funding. Presentation is available on HPP website:

<http://www.hppsecurity.co.za/>

17H20 Questions and Answer session. Question and answers listed below.

6. PROPOSED HSRA PRESENTATION BY MR MICHAEL FARR

M.F welcomes and thanks attendees.

M.F proceed with presentation on the proposed HSRA. The full presentation is available on the HSRA website:

<https://hermanussra.co.za/notices/>

Key Points Highlighted by M.F:

- The HSRA geographical area will be the same as the HPP.
- The HSRA establishment must comply with various National and Municipal legislation. The pertinent legislation for Special Rating Areas is available on the HSRA website.
- M.F. confirms that the Business Plan is aligned with the Overstrand Municipality IDP.
- M.F outlines the process for establishing the HSRA, what has been achieved to date and what needs to be achieved to submit the application to the OM in terms of the by-law. M.F further states that there is a 30 day objection period following the application submission. Should the application be successful, the levy will only be payable in August.
- M.F outlined the findings of the perception survey results. It is highlighted that property owners are concerned about safety in the area and that Neighbourhood Watches, the HPP and private security are integral to safety in the area.
- M.F stated that foot patrols are not effective in residential areas due to the size. Vehicle patrols are the preferred method to respond to and identify crime. Foot patrols are effective in the CBD and along the Cliff Path.
- M.F outlines the cleansing services that will be provided.
- Terry McCarthy (T.McC) (Steering Committee Member) outlined the 5-year budget and reiterates that supplementary safety and cleansing services are the key features of the Business Plan based on the survey outcomes.
- T.McC then outlined the predicted costs to ratepayers and unpacks the calculation of the rates.
- T.McC stated that the HSRA SC has raised a query with the Overstrand Municipality regarding VAT on the rate.

## 7. Question & Answers

A summary of questions and answers follows:

Question	Answer
<b>Questions following the HPP presentation</b>	
Q1. What is the relationship between HPP and OM Law Enforcement?	E.v.S – Currently OM has oversight and Council member is a non-voting member of HPP. Going forward, hope for a more collaborative and integrated relationship to be more efficient and effective.
Q2. Why does the OM not support the HPP? What the alternative?	E.v.S – The amendment to the by-law and policy has meant that the HPP ceased receiving funding. The OM has been supportive in establishing the SRA as well as additional services such as OM Law Enforcement patrolling the Cliff Path during the holiday season and looking to supplement patrolling with K9 unit.
Q3. Why is HPP not more transparent about its services and successes?	E.v.S – The HPP does not have a current database of property owners so communications is difficult. A weekly report is received from ADT and is shared on property owners, who have signed up, WhatsApp group.
Q4. What other ways is the HPP communicating what they do?	E.v.S – The HPP use other forms of social media, such as Facebook, to communicate to signed up property owners.
Q5. Why and when were the HPP levies stopped?	E.v.S – The HPP lacked 'legality'. The levy was never specified as a line item on the OM rates bill. The levy ceased on 1 July 2019; at the same time the new rates increase was implemented.
Q6. There is little value to the HPP if they do not work closely with other Law Enforcement and SAPS.	E.v.S – Agree, need an integrated solution that ensures effective collaboration between all parties. SRA will work to ensure that is in place.
<b>Questions following M. Farr and T.McC Presentation</b>	
Q1. Why don't tourists pay a tourism levy or tax?	T.McC – Does not believe the OM has been canvassed on the issue.
Q2. Was VAT charged on the HPP levy?	T.McC – VAT was zero rated on the HPP levy.
Q3. How many votes do I have if I own multiple properties?	T.McC – One vote per erf, even if there are multiple owners.
Q4. Does the HSRA budget allow for patrols to receive training?	T.McC – Yes training is included, the services will be outsourced, the

36/45

	subcontractor must ensure that the staff are qualified and received ongoing training.
Q5. I am concerned about the OM being uncooperative, what if they force the closure of the new SRA like they did the HPP and do not consult the community?	T.McC – The MOI of the SRA NPC will ensure that property owners are eligible facilitated to be voting members so that the best interest of the community is served.
Q6. How can I find out the precise cost of the rate? Will the rate increase?	T.McC – if you live in residential property you can apply 0.00048 cents in the Rand to your municipal rate, as it includes the discounts and will give you a very close estimate. Yes, the HSRA budget increases every year by 5.5%.
Q7. Does consent have to be given again after the 5-year period?	M.F. – The OM SRA By-law and Policy state that an application must be submitted again to extend the SRA term.
Q8. What issues have established SRA's experienced?	T.McC – most have had success particularly where property owners who have taken an active interest in the operations of the SRA. Hence the importance for property owners sign up to be members of the NPC to ensure oversight. In addition the applicable municipality have an oversight function to ensure compliance with the agreed business plan
Q9. The budget is lacking detail and the first year will not be a full year?	T.McC – The request for proposal from sub-contractors will be more detailed.
Q10. What will we get for R8.3m a year?	T.McC – the services offered are listed in the business plan, the detail and key performance indicators will be detailed in the request for proposal to service contractors.
Q11. The SRA by-law and policy state that the OM CFO will prescribe the MOI for the NPC, thereby giving the CFO full control over the SRA.	T.McC – the SRA SC will draft the MOI which will include reference to voting members.

## 8. Closing

Chairman thanks all attendees for their participation.

Meeting is closed at 18H49.

ANNEXURE C  
113

3 February 2020

The Director: Finance  
Ms Santie Reyneke-Naudé  
Overstrand Municipality  
PO Box 20  
Hermanus  
7200

Dear Ms Reyneke-Naudé

**APPLICATION TO HAVE HERMANUS (MAPPED AREA) ESTABLISHED AS A SPECIAL RATING AREA**

The Steering Committee of the proposed Hermanus Special Rating Area (HSRA) hereby officially applies for the establishment of Hermanus (mapped area) as a special rating area in terms of the Overstrand Municipality: Special Rating Area By-Law, 2016 read together with the Overstrand Municipality: Special Rating Area Policy, as amended (1 July 2019), to include all properties in the proposed HSRA being; 17th Avenue in the East up to Swartdam road in the West, with Still street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaaiwater and Voelklip.

The following supporting documents have been sent to your office:

1. The Business Plan of the proposed HSRA which includes the motivation, implementation plan and five-year term budget (HSRA Business Plan.pdf).
2. The Urban Management Perception Survey Report (HSRA Perception Report.pdf).
3. The Project Journal (HSRA Project Journal.pdf) and minutes of meetings held with OM officials on 30 August 2019 (Minutes of Meeting of the SRA and OM – 30.8.2019.pdf) and 21 October 2019 (Minutes of the Meeting of the SRA SC – OM-HPP – 21.10.2019.pdf.)
4. The frequently asked questions and answers (HSRA FAQs.pdf).

Public Safety | Crime Prevention | Cleansing Services

Email: [info@hermanussra.co.za](mailto:info@hermanussra.co.za)

Website: <https://hermanussra.co.za>

5. The notice for the proposed HSRA first public meeting, held in the Overstrand Municipality Civic Auditorium, 19 December 2019 (Notice of Public Meeting 19.12.2019.pdf) and the notice for the second public meeting, held in Bosko Hall, Fairways Avenue, 23 January 2020 (Notice of Public Meeting 23.01.2020). The notices were sent by email/ SMS to all the property owners whose email address were available on the database OM provided for this purpose. Notices were posted to property owners who do not have email addresses and reside in Hermanus. The notices were published in The Village News, Hermanus Times, on the HSRA website and on social media.
6. The public meeting presentation (HSRA Public Presentation 19.12.2019&23.01.2019.pdf) that was presented at the two public meetings.
7. The minutes of the two public meetings (HSRA Public Meeting Minutes 19.12.2019 Signed.pdf and HSRA Public Meeting Minutes 23.01.2020).
8. The online and hardcopy consent / objection forms (HSRA Consent Form.pdf and HSRA SurveyMonkey Consent Form.pdf).
9. The Consent Activity Report that details the activities of the HSRA SC in obtaining the support of the owners of the majority of rateable properties in Hermanus mapped area (HSRA Project Journal.pdf). The Steering Committee made every effort to ensure that the property owners of the various communities in Hermanus mapped area were made aware of the proposal and of their right to either give their consent or objection by selecting either the YES or NO on the consent form.
10. The SurveyMonkey report with the responses of property owners on the electronic consent form (HSRA FINAL SURVEYMONKEY 31.01.2020.xlsx).
11. The consent forms filled in by hand (hardcopies) will be delivered to your office.
12. The HSRA consent report (HSRA\_ADDR\_LIST\_CONSENT RECORD.xlsx). The number of rateable properties of which the owners would be liable to pay the special rate is 5501. The owners of 3141 properties gave their consent. This is 57% of the total number. The responses were spread proportionately over the Hermanus mapped area and between residential, business and vacant properties.

The Steering Committee engaged several volunteers from the community of Hermanus mapped area to encourage property owners to participate in the voting process and addressed various groups, asking them to persuade their members to participate.

The Steering Committee is aware of the importance that the Steering Committee and eventually the members and directors of the non-profit company (NPC) (should the proposal be approved by the OM council) be representative of the community and gender.

Yours sincerely,

Mr Michael Farr  
HSRA Steering Committee Chairperson

ANNEXURE D  
1/2

## NOTICE OF APPLICATION TO ESTABLISH THE HERMANUS SPECIAL RATING AREA (HSRA)

**Notice is hereby given that:**

1. Michael Farr, registered owner of Erf 103, Westcliff Road, Westcliff, Hermanus, 7200, has applied to establish the Hermanus Special Rating Area (HSRA) in terms of the Overstrand Municipality: Special Rating Area By-Law, 2016 read together with the Overstrand Municipality: Special Rating Area Policy, as amended (1 July 2019), to include all properties in the area bound by the boundaries of: 17<sup>th</sup> Avenue in the East up to Swartdam Road in the West, with Still Street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaiwater and Voelklip.
2. The application, together with related information, is available for scrutiny on the HSRA website at: [www.hermanussra.co.za](http://www.hermanussra.co.za) and at the Overstrand Municipality, Hermanus Municipal Offices, 1 Magnolia Street, Hermanus (Enquiries: Ms Johette Basson, tel: +27(0)28 313 8133).
3. Any objections to the establishment of the Hermanus SRA must be submitted in writing to the Municipal Manager, PO Box 20, Hermanus 7200, or emailed to [cgroenewald@overstrand.gov.za](mailto:cgroenewald@overstrand.gov.za) or delivered by hand to the Municipal Manager, Municipal Offices, 1 Magnolia Street, Hermanus.
4. Objections must be received by the office of the Municipal Manager by not later than Friday, 6 March 2020.
5. **Public meetings will be held, the purpose of which will be to:**  
Inform all attendees of relevant information pertaining to the application; and to discuss the practical implications relating thereto.

**DATE AND TIME: 17:00 - Thursday, 20 February 2020**

**VENUE: BOSKO Hall, Fairways Avenue, Eastcliff**

**All property owners in the proposed HSRA are requested to attend the meeting.**

Enquiries may be directed to the HSRA Steering Committee at [info@hermanussra.co.za](mailto:info@hermanussra.co.za)

## KENNISGEWING RAKENDE 'n AANSOEK OM DIE STIGTING VAN DIE HERMANUS SPESIALE AANSLAGGEBIED (HSAG)

### Kennisgewing geskied hiermee dat:

1. Michael Farr, die geregistreerde eienaar van Erf 103, Westcliff Road, Westcliff, Hermanus, 7200, aansoek gedoen het om 'n SAG wat bekend sal staan as die Hermanus SAG te stig ingevolge die Overstrand Munisipaliteit se Verordening op Spesiale Aanslaggebiede (2016), saam met die Overstrand Munisipaliteit se Beleid vir Spesiale Aanslaggebiede soos gewysig (1 Julie 2019). Die gebied sluit in alle eiendomme wat omsluit word van die strek vanaf Sewentiende Laan aan die oostekant van Voëlklip, tot Swartdamweg in die weste, met Stilstraat die suidelike, en Fernkloof Natuurresewaat die noordelike grense. Woonbuurte in hierdie area sluit in Westcliff, Westdene, die Industriële Area, Northcliff, die sentrale sakekern, Eastcliff, Hermanus Heights, Fernkloof, Kwaiwater en Voëlklip.
2. Die aansoek, tesame met toepaslike inligting, is beskikbaar vir bestudering op die HSAG-webwerf by [www.hermanussra.co.za](http://www.hermanussra.co.za) en by die kantore van die Overstrand Munisipaliteit, Hermanus Munisipale kantore, Magnolia straat 1, Hermanus (Navrae: Ms Johette Basson, tel: +27(0)28 313 8133).
3. Besware teen die stigting van die Hermanus SAG moet op skrif gestuur word aan die Munisipale Bestuurder, Posbus 20, Hermanus 7200, of epos aan [cgroenewald@overstrand.gov.za](mailto:cgroenewald@overstrand.gov.za) of per hand afgelewer word by die Munisipale Bestuurder, Munisipale kantore, Magnoliastraat 1, Hermanus.
4. Besware moet die kantoor van die Munisipale Bestuurder nie later as Vrydag, 6 Maart 2020 bereik nie.
5. **Openbare vergaderings sal gehou word met die doel om:**  
Tersaaklike inligting rakende die aansoek te verskaf; en praktiese implikasies te bespreek wat daarmee verband hou.

**DATUM EN TYD: 17:00 - Donderdag 20 Februarie 2020**

**PLEK: BOSKO Hall, Fairways Avenue, Eastcliff**

**Alle eiendomseienaars in die voorgestelde SAG word versoek om die vergaderings by te woon.**

Vir navrae kontak die HSAG-loodskomitee by [info@hermanussra.co.za](mailto:info@hermanussra.co.za)

## MINUTES OF PUBLIC MEETING

### Application for the Establishment of the HSRA

**DATE:** Thursday, 20 February 2020

**TIME:** 17H00

**VENUE:** Bosko Hall, Fairways Avenue, Eastcliff

**CHAIRMAN:** Mr Werner J. Zybrands

No association with HSRA and not a property owner in area. He was invited to chair the meeting. Mr Zybrands' credentials approved by Overstrand Municipality.

#### 1. ATTENDANCE

Present: See attendance list attached to minutes. 86 attendees.

Apologies: See apologies list attached to minutes. 6 apologies received.

Mr M. Farr (HSRA SC Chairman)

HSRA Steering Committee

M. Bown – Minutes Secretary

#### 2. WELCOME

Public Meeting Chairman welcomes all the attendees.

#### 3. PURPOSE OF THE MEETING

Mr. Zybrands states that the Special Rating Area process is informed by the National Act and the Municipal SRA By-law and Policy.

States the purpose of the public meeting is to 'Inform all attendees of relevant information pertaining to the application; and to discuss the practical implications relating thereto'.

Mr. Zybrands states that the order of business will be a presentation by Mr. Farr, the HSRA Steering Committee Chair, followed by a question and answer session at the end of the presentation.

Mr. Zybrands states that objections to the establishment of the HSRA may be lodged until the 6<sup>th</sup> of March 2020.

#### 4. HSRA PRESENTATION BY MR MICHAEL FARR

M.F welcomes and thanks attendees.

2/12

M.F proceeded with presentation on the proposed HSRA. The full presentation is available on the HSRA website: <https://hermanussra.co.za/notices/>

Key Points Highlighted by M.F:

- M.F states the process followed to establish the Steering Committee and that it is representative of the area.
- The vision and mission of the HSRA are described.
- The HSRA geographical area is shown and boundaries described.
- Special Rating Area is defined.
- The HSRA establishment must comply with various National and Municipal legislation. The pertinent legislation for Special Rating Areas is available on the HSRA website.
- The key results of the Public Perception survey are outlined.
- The key features of the Business Plan are described for supplementary crime prevention and public safety and cleansing services.
- M.F states that foot patrols are not effective in residential areas due to the size. Vehicle patrols are the preferred method to respond to and identify crime. Foot patrols are effective in the CBD and along the Cliff Path.
- Terry McCarthy (T.McC) (Steering Committee Member) outlines the 5-year budget and reiterates that supplementary safety and cleansing services are the key features of the Business Plan based on the survey outcomes.
- T.McC then outlines the estimated costs to ratepayers and the rate calculation.
- T.McC states that there is an ongoing discussion with the OM and HSRA SC re VAT and clarifies that the estimated costs do not include VAT. T.McC states that the Non-profit Company (NPC) will be VAT registered.
- M.F outlines the process for establishing the HSRA, what has been achieved to date and what still needs to be achieved.
- M.F describes the voting process and the majority of 50%+1 requirement, states that the HSRA voting period closed on the 31 January 2020, with 3141 votes (subject to verification), a 57% majority.
- M.F further states that objection period is open until the 6<sup>th</sup> of March 2020 and the directive to submit objections in writing to the Municipal Manager.
- M.F describes the next stage in the process following the end of the objection period. The application and objections will be submitted to Council for deliberation. Should the application be approved, the HSRA SC will establish the management body – a non-profit company (NPC).
- M.F states that the Steering Committee has resolved that the NPC for the HSRA will be Hermanus Public Protection (HPP), an established NPC.
- The draft Memorandum of Incorporation (MOI) for the NPC is available for comment on the HSRA website <https://hermanussra.co.za/company-documents/> and that an interim board will manage the transition.
- The process for establishing the management body – the NPC is outlined.
- The process for procuring service providers is outlined.

## 5. Question & Answers

A summary of questions and answers follows:

	Question	Answer
Q1.	At the December public meeting, it was claimed that the OM was not cooperative in providing the names and addresses of ratepayers.	The full database was provided to the HSRA SC in September 2019. All available contact details have been used to communicate with ratepayers via email, SMS or post.
Q2.	Will membership to the NPC be automatic?	No, ratepayers must register to be a voting member of the NPC.
Q3.a	Will the request for proposal (RFP) be widely distributed?	No, it is envisaged that it will be a closed bidding process with at least three service providers invited to tender.
Q3.b	An open bidding process would be more transparent and follow due process. Service providers offering services to other SRA's in the area may offer a more competitive bid.	The HSRA SC is open to interacting with other SRAs to benefit from economy of scale.
Q4.	Where has funding come from to establish the HSRA?	Associations from the community have funded the proposed establishment of the HSRA. Westcliff Residents Association; Hermanus Ratepayers Association and Fernkloof Estates have contributed.
Q5.	What is the vision of the HSRA? What outcomes and impacts do you anticipate?	The HSRA is a vast area and affordability was a major consideration. The HSRA will offer a satisfactory safety solution. It will include both human resources and technology. Vehicles are the most effective solution, as they are more visible and can respond more rapidly with the support of CCTV monitoring. In Year 2, it is possible that there will be a 40% reduction in crime in the area.
Q6.	Why does the financial contribution change each year when municipal valuation does not increase each year?	The HSRA budget is defined for each year, increasing by 5.5% annually. The OM will calculate the cents in the rand each year to ensure that the budget can be achieved.
Q7.	Have you considered renting the camera network from an outside provider? It works in other SRAs.	The HSRA SC will take that into consideration.

4/12

Q8.	Why a closed bidding process to only three service providers? Why not open bidding?	Time constraints to do not allow an extensive bidding process, a minimum of at least three service providers will be invited to bid.
Q9.	What is the implication of the objection period given that 57% of ratepayers have consented to the establishment?	Depending on the nature of the objections; affordability and issues with services provided by government cannot be addressed by the HSRA, however, if there are fundamental/ material objections to the HSRA business plan the Council can reject the application. W. Zybrands states that objections aid the OM in applying its mind to all aspects of the application.
Q10.	A vote of thanks is given to the HSRA SC.	
Q11.	Does everyone have to pay for the HSRA?	Yes, It is a mandatory rate. To participate in the NPC property owners will have to register as a voting member.
Q12.	How are the security companies, law enforcement and neighbourhood watch groups going to integrate and complement the service?	The procured service provider will co-operate with OM law enforcement and other agencies to ensure that the service is enhanced through partnership and collaboration.
Q13.	Does the draft MOI allow for amendments?	The MOI has been sent to the OM for approval and is based on other MOI's for SRA NPCs from around the country.
Q14.	When will there be clarity on VAT being applied to the rate? This may cause a hindrance as it was not stated in the original estimated costs.	T.McC – the HSRA SC is awaiting a response from the OM. The HPP levy did not attract VAT and the HSRA SC believe that the HSRA rate should not attract VAT. It must be noted, however, that in Cape Town VAT is charged on SRA rates.

## 6. Closing

Chairman thanks all attendees for their participation.

Meeting is closed at 18H13.

ANNEXURE F  
1/66

16 March 2020

The Director: Finance  
Ms Santie Reyneke-Naudé  
Overstrand Municipality  
PO Box 20  
Hermanus  
7200

Dear Ms Reyneke-Naudé

**APPLICATION TO HAVE HERMANUS (MAPPED AREA) ESTABLISHED AS A SPECIAL RATING AREA**  
**SUBMISSION OF OBJECTIONS WITH RESPONSES**

The Steering Committee of the proposed Hermanus Special Rating Area (HSRA) hereby officially applies for the establishment of Hermanus (mapped area) as a special rating area in terms of the Overstrand Municipality: Special Rating Area By-Law, 2016 read together with the Overstrand Municipality: Special Rating Area Policy, as amended (1 July 2019), to include all properties in the proposed HSRA being; 17th Avenue in the East up to Swartdam road in the West, with Still street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaaiwater and Voelklip.

In accordance with the Overstrand Municipality: Special Rating Areas By-law, 2016, Section 7 Advertising of Application and Objections (1) – (5) and the Special Rating Area Policy of the Overstrand Municipality Section 10.5 Objections the Steering Committee hereby submit the objections received from owners of rateable properties and the HSRA SC responses.

Following the submission of application to the CFO on the 3<sup>rd</sup> of February, the HSRA SC Chairman, Mr M Farr, received approval from the CFO to publish the Notice of Application.

The Notice of Application was published in The Village News on the 5<sup>th</sup> of February 2020 and Hermanus Times on the 6<sup>th</sup> of February. The Notice of Application was emailed and sent via SMS to ratepayers,

Public Safety | Crime Prevention | Cleansing Services

Email: [info@hermanussra.co.za](mailto:info@hermanussra.co.za)

Website: <https://hermanussra.co.za>

2/66

posted on social media, the Hermanus SRA website and sent by mail and registered post. The Notice of Application specified the last day of submission of objections, 6<sup>th</sup> March 2020 and displayed the date for a further public meeting in accordance with the SRA Policy section 10.4.2. The public meeting was held on the 20<sup>th</sup> of February 2020 at 17H00 at Bosko Hall in Eastcliff.

Eight (8) objections were lodged with the Municipal Manager. The HSRA SC received notice of all objections and the objections on the 9<sup>th</sup> of March 2020. In accordance with a directive from the OM, the objections were responded to by the close of Friday, 13<sup>th</sup> March 2020.

### Objectors

	<b>Objector</b>	<b>Objection Received by HSRA</b>	<b>HSRA SC Lead Member</b>	<b>Response</b>
1.	Mr. F. van Eck	09/03/2020	Mr. C. Lerm	C. Lerm meets with Mr. F. van Eck 13 <sup>th</sup> March 2020. Minutes recorded.
2.	Prof. J. Morris	09/03/2020	Mr. F Farr	Mr Farr requests meeting with Prof. J. Morris, no response. M. Farr emails response to objection.
3.	Mrs. P. Redford	09/03/2020	Mr. T. McCarthy	T. McCarthy meets with Mrs. P Redford 11 <sup>th</sup> March 2020. Minutes recorded and responded to by Mrs. Redford.
4.	Mr. A du Toit	09/03/2020	Mr. M. Farr	M. Farr requests meeting. Mr du Toit is out of country and agrees to email correspondence.
5.	A. Hall, CC. Snyman & HG. Snyman, Members of Walkerbay Cycles CC.	09/03/2020	Mr. G. Serfontein	G. Serfontein requests meeting. Ms. Hall is out of the country, email correspondence.

3/66

6.	Mrs. D Fourie	09/03/2020	Ms. M. Bown	Objection motivation is outside of HSRA scope. Email correspondence to Mrs Fourie and OM MM.
7.	Ms. A Nortje	09/03/2020	Mr. J Cilliers	Mr Cilliers requests meeting. Ms Nortje away until 24 <sup>th</sup> March. Email correspondence.
8.	Mr. E. Le Roux	09/03/2020	Mr. J Cilliers	Mr Cilliers requests meeting. No response. Email response to objection.

The following supporting documents have been sent to your office:

**OBJECTION TO PROPOSED HERMANUS SPECIAL RATING AREA (HSRA)**

I believe that the request by the Hermanus Special Rating Area Steering Committee (HSRA SC) that residents should support their cause, is sincerely and honestly intended, but in my view, lack sound consideration. It would be strange if we are comfortable and also inclined to pay again for a service for which we have, to a great extent, already paid. This is exactly what the HSRA SC encourages us to do. A mandatory levy on property value has been determined to fund services for primarily certain elements of crime prevention, public safety and cleaning services in Hermanus. Crime prevention and public safety is already vested in government institutions which are funded by the tax payers. Cleaning services are already vested in local authorities like municipalities which are funded by property owners and other residents.

Bearing in mind that if the property owners concur that certain elements of crime prevention, public safety and cleaning services be funded as proposed, then the government institutions nor the municipality will in future make funds available for the same services nor will staff be provided or made available for delivering the same services. More importantly, however, is that the "over-eager" proposal to make an additional payment for certain elements of the relevant services will send out the wrong message to residents who are poor, unemployed or homeless and thereby create the impression that a certain section of the community has inexhaustible means to their disposal and that it can, accordingly, meet all their demands.

Normally there are at least two ways to address problems, namely the correct way or the easy way. In the case in hand the correct way would be to exercise pressure on the accountable state or municipal authority in whom the functions are vested to execute these functions properly. The easy way is to utilize money and then to believe that the problem has been solved. This is a short-term solution. I need to remind you of what happened when a certain TV presenter obtained donations for expensive hospital equipment. For how long did the improvements at the hospitals last? Money cannot straighten something crooked. Experience has shown that you cannot improve something by throwing good money after bad - the source should be fixed.

It is, furthermore, regarded as unfair that voting takes place whereas it has yet to be determined what the amount for administrative - and collection fees by the Overstrand Municipality is going to be. How can anyone make a decision if all the the facts are not yet available? It does not appear to be logical or justifiable to support the cause of the HSRA SC at present. It will only be fair that voting be suspended and postponed until it has been determined what the amount of the administration - and collection fee of the Overstrand Municipality will be.

In the meantime I wish to emphasize that the proposed monthly contribution/levy on properties with a municipal value of R3 million or below, are at a much higher rate than that of properties with a municipal value up to R6 million, up to R10 million and those above R10 million. Attached are two tables on one page. Table I contains your proposed monthly contribution/levies and Table II my proposed monthly contribution/levies. In each Table a column has been added indicating the tariff per R1 million. The tables are self-explanatory.

In view of the the reasons indicated in my e-mail, I do not give my consent that Hermanus be declared a Special Rating Area as proposed.

Freddie van Eck

TABLE I

MUNICIPAL VALUATION OF PROPERTY	MONTHLY CONTRIBUTION/LEVY	TARIFF RATE PER R1 MILLION
R3 million or below	R150,00	On R3m: $R150 \div 3 = R50,00$
Up to R6 million	R200,00	On R6m: $R200 \div 6 = R33,33$
Up to R10 million	R250,00	On R10m: $R250 \div 10 = R25,00$
Above R10 million	R300,00	On R10m: $R300 \div 10 = R30,00$

TABLE II

MUNICIPAL VALUATION OF PROPERTY	MONTHLY CONTRIBUTION/LEVY	TARIFF RATE PER R1 MILLION
R3 million or below	R100,00	On R3m: $R100 \div 3 = R33,33$
Up to R4 million	R135,00	On R4m: $R135 \div 4 = R33,75$
Up to R5 million	R165,00	On R5m: $R165 \div 5 = R33,00$
Up to R6 million	R200,00	On R6m: $R200 \div 6 = R33,33$
Up to R7 million	R235,00	On R7m: $R235 \div 7 = R33,57$
Up to R8 million	R265,00	On R8m: $R265 \div 8 = R33,12$
Up to R9 million or above	R300,00	On R9m: $R300 \div 9 = R33,33$

## MEETING MINUTES

Meeting held between

Mr Clinton Lerm, member of the Hermanus Special Rating Area Steering Committee

&

Mr F van Eck, Property Owner Objecting to the Establishment of the Hermanus Special Rating Area

Held on Friday, 13 March 2020 at 13H00 at 324 5<sup>th</sup> Street, Hermanus, 7200

**Present: Mr. C. Lerm; Mr F van Eck; Marcia Bown (Minutes Secretary)**

### Opening

- Mr Lerm thanked Mr van Eck for meeting with him as the representative of the HSRA SC to discuss the objection submitted to the Overstrand Municipality in accordance with the Special Rating Area Policy of the Overstrand Municipality Section 10.5.2.
- Mr Lerm stated that the minutes of the meeting would be sent to Mr van Eck with a right to reply in accordance with the Special Rating Area Policy of the Overstrand Municipality Section 10.5.3.

### Discussion

- Mr Lerm addressed Mr van Eck's concern regarding the administration and collection fee of the Overstrand Municipality that is still to be determined. Mr Lerm stated that the HSRA SC is still awaiting a response from the Overstrand Municipality regarding the administration fee (as stated in the OM SRA By-law Section 12 (8)), however, he stated that the administration fee that was incurred by the Hermanus Public Protection (HPP) did not exceed 3% of the rate.
- Ms Bown addressed Mr van Eck's issue with the proposed monthly rate based on municipal valuations on properties with a municipal value of R3 million or below, are at a much higher rate than that of properties with a municipal value up to R6 million, up to R10 million and those above R10 million. Ms Bown explained that the estimated rates have been calculated by the Overstrand Municipality and include the discounts that residential erfs receive (i.e. exemption on the first R15 000, a further reduction of R35 000 for improvements and an additional reduction of 20 percent).
- Mr Lerm further explains the SRA establishment process and the legislation and regulatory requirements that both the HSRA and OM must comply with.
- Mr van Eck states that he is concerned that the OM will reduce current public safety and cleansing services when the HSRA is established.
- Mr Lerm assures Mr van Eck that the services offered by the HSRA are supplementary and that the OM must continue with current service levels. Mr Lerm further states that regulations are in place to ensure that there is oversight from both parties, the OM CFO and HSRA to ensure that neither party reneges on their responsibilities.

**Closing**

- Mr Lerm closes the meeting and thanks Mr van Eck for his time and contribution to the HSRA establishment process. The minutes will be hand delivered to Mr van Eck.

Meeting Closes at 13H26.

## NOTICE OF APPLICATION TO ESTABLISH THE HERMANUS SPECIAL RATING AREA (HSRA)

**Notice is hereby given that:**

1. Michael Farr, registered owner of Erf 103, [Westcliff Road](#), Westcliff, Hermanus, 7200, has applied to establish the Hermanus Special Rating Area (HSRA) in terms of the Overstrand Municipality: Special Rating Area By-Law, 2016 read together with the Overstrand Municipality: Special Rating Area Policy, as amended (1 July 2019), to include all properties in the area bound by the boundaries of 17<sup>th</sup> Avenue in the East up to Swartdam Road in the West, with Still Street as the southern border and Fernkloof Nature Reserve as the northern border. Suburbs included in this area are Westcliff, Westdene, Industria, Northcliff, the Central Business District, Eastcliff, Hermanus Heights, Fernkloof, Kwaiwater and Voelklip.
2. The application, together with related information, is available for scrutiny on the HSRA website at: [www.hermanussra.co.za](http://www.hermanussra.co.za) and at the Overstrand Municipality, Hermanus Municipal Offices, [1 Magnolia Street](#), Hermanus (Enquiries: Ms Johette Basson, tel: +27(0)28 313 8133).
3. Any objections to the establishment of the Hermanus SRA must be submitted in writing to the Municipal Manager, PO Box 20, Hermanus 7200, or emailed to [cgroenewald@overstrand.gov.za](mailto:cgroenewald@overstrand.gov.za) or delivered by hand to the Municipal Manager, Municipal Offices, [1 Magnolia Street, Hermanus](#).
4. Objections must be received by the office of the Municipal Manager by not later than Friday, 6 March 2020.
5. **Public meetings will be held, the purpose of which will be to:**

Inform all attendees of relevant information pertaining to the application; and to discuss the practical implications relating thereto.

**DATE AND TIME: 17:00 - Thursday, 20 February 2020**  
**VENUE: BOSKO Hall, Fairways Avenue, Eastcliff**

**All property owners in the proposed HSRA are requested to attend the meeting.**

Enquiries may be directed to the HSRA Steering Committee at [info@hermanussra.co.za](mailto:info@hermanussra.co.za)

---

## KENNISGEWING RAKENDE 'n AANSOEK OM DIE STIGTING VAN DIE HERMANUS SPESIALE AANSLAGGEBIED (HSAG)

**Kennisgewing geskied hiermee dat:**

1. Michael Farr, die geregistreerde eienaar van Erf 103, [Westcliff Road](#), Westcliff, Hermanus, 7200, aansoek gedoen het om 'n SAG wat bekend sal staan as die Hermanus SAG te stig ingevolge die Overstrand Munisipaliteit se Verordening op Spesiale Aanlaggebiede (2016), saam met die Overstrand Munisipaliteit se Beleid vir Spesiale Aanlaggebiede soos gewysig (1 Julie 2019). Die gebied sluit in alle eiendomme wat omsluit word van die strek vanaf Sewentiende Laan aan die oostekant van Voëlklip, tot Swartdamweg in die weste, met Stilstraat die suidelike, en Fernkloof Natuurreservaat die noordelike grense. Woonbuurte in hierdie area sluit in Westcliff, Westdene, die Industriële Area, Northcliff, die sentrale sakekern, Eastcliff, Hermanus Heights, Fernkloof, Kwaiwater en Voëlklip.

2. Die aansoek, tesame met toepaslike inligting, is beskikbaar vir bestudering op die HSAG-webwerf by [www.hermanussra.co.za](http://www.hermanussra.co.za) en by die kantore van die Overstrand Munisipaliteit, Hermanus Munisipale kantore, [Magnolia straat 1](#), [Hermanus](#) (Navrae: Ms Johette Basson, tel: +27(0)28 313 8133).

3. Besware teen die stigting van die Hermanus SAG moet op skrif gestuur word aan die Munisipale Bestuurder, Posbus 20, Hermanus 7200, of epos aan [cgroenewald@overstrand.gov.za](mailto:cgroenewald@overstrand.gov.za) of per hand afgelewer word by die Munisipale Bestuurder, Munisipale kantore, [Magnoliastraat 1](#), Hermanus.

4. Besware moet die kantoor van die Munisipale Bestuurder nie later as Vrydag, 6 Maart 2020 bereik nie.

5. **Openbare vergaderings sal gehou word met die doel om:**

Tersaaklike inligting rakende die aansoek te verskaf; en praktiese implikasies te bespreek wat daarmee verband hou.

**DATUM EN TYD: 17:00 - Donderdag, 20 Februarie 2020**

**PLEK: BOSKO Hall, Fairways Avenue, Eastcliff**

**Alle eiendomseienaars in die voorgestelde SAG word versoek om die vergaderings by te woon.**

Vir navrae kontak die HSAG-loodskomitee by [info@hermanussra.co.za](mailto:info@hermanussra.co.za)

**RE: Notice of Application to Establish the Hermanus Special Rating Area (HSRA)**

2 messages

jrpm@iafrica.com &lt;jrpm@iafrica.com&gt;

7 February 2020 at 00:09

To: Hermanus Special Rating Area &lt;info@hermanussra.co.za&gt;

**NOTICE OF OBJECTION.**

I AS THE OWNER OF A PROPERTY SITUATED AT 104 WESTCLIFF DRIVE STRONGLY OBJECT TO THE ESTABLISHMENT OF AN HSRA IN THE AREA AS IT SIMPLY DRIVES UP COSTS OF OWNERSHIP AND GIVEN THE COURSE OF EVENTS IN SA WILL INCREASE CONSIDERABLY OVER TIME. IN SUPPORT OF MY OBJECTION NOTE THE FOLLOWING:

1. NONE OF THE FUNCTIONS OF THE HSRA FALL OUTSIDE THE COUNCILS CURRENT OBLIGATIONS TO SERVICE ITS RESIDENTS FULLY AND TO THEIR SATISFACTION OUT OF THE CURRENT RATES. RATES ARE A SERVICE CHARGE AND SHOULD BE EXPENDED FIRST ON THE RATE PAYING RESIDENTS TO SUPPLY FULL AND PROPER SERVICES AND NOT ON SOCIAL WORKS WHICH IN ANY WELL MANAGED SOCIETY ARE THE RESPONSIBILITY OF CENTRAL GOVERNMENT.
  
2. CENTRAL GOVERNMENT SHOULD PICK UP THE FULL COSTS OF SOCIAL SERVICES, INCLUDING HOUSING AND SERVICES TO THE DWELLINGS IN QUESTION, RATHER THAN FORCING A LOCAL AUTHORITY TO BEAR SAID COSTS WHICH MUST BE SEEN AS A NATIONAL OBLIGATION AND NOT BE VISITED ON ALREADY OVERTAXED LOCAL RESIDENTS. CENTRAL GOVERNMENT SHOULD PROVIDE SUCH SERVICES DIRECTLY (PREFERABLE: IF EQUITY IS TO BE MAINTAINED) OR, LESS DESIRABLE, DELEGATED TO A LOCAL AUTHORITY WHICH SHOULD BE FULLY FUNDED BY CENTRAL GOVERNMENT FOR COSTS INVOLVED.
  
3. IF AN HSRA IS ESTABLISHED IT WILL SIMPLY PROVIDE CENTRAL GOVERNMENT WITH ANOTHER AVENUE TO UNFAIRLY REDUCE OR RESTRICT ITS SUBSIDIES TO LOCAL AUTHORITIES .
  
4. THIS PROPOSAL THOUGH CLEARLY WELL MEANT IS SIMPLY A TRAP INTO WHICH LOCAL RESIDENTS SHOULD NOT FALL.

YOURS FAITHFULLY

PROFESSOR JOHN RP MORRIS

7 February 2020 at 16:41

Dear Prof. Morris,

On behalf of the Hermanus Steering Committee, I acknowledge receipt of your objection.

In order to comply with policy, please can you send the objection to the Municipal Manager by post, hand delivery or email as per the directive in the Notice of Application (see below).

3. Any objections to the establishment of the Hermanus SRA must be submitted in writing to the Municipal Manager, PO Box 20, Hermanus 7200, or emailed to [cgroenewald@overstrand.gov.za](mailto:cgroenewald@overstrand.gov.za) or delivered by hand to the Municipal Manager, Municipal Offices, 1 Magnolia Street, Hermanus.

4. Objections must be received by the office of the Municipal Manager by not later than Friday, 6 March 2020.

Please contact me should you require any further information.

With kind regards,

Marcia Bown  
On behalf of the Hermanus SRA Steering Committee

Dear Professor Morris

I am in receipt of your Notice of Objection with respect to the establishment of a Special Rating Area in Hermanus.

I have taken note of your argument that the State should be providing services to taxpayers and ratepayers and would like to invite you to meet with me during the course of this week to discuss your objection. Should this not be possible for you, please indicate whether a telephone call would be convenient.

Yours sincerely

Michael

12 March 2020 at 12:06

Dear Professor Morris

I am following up on your Notice of Objection with respect to the establishment of a Special Rating Area in Hermanus.

I have a keen understanding of the argument you put forward in your objection, namely that "Central Government should provide such services directly (Preferable if equity is to be maintained) or, less desirable, delegated to a local authority which should be fully funded by Central Government for costs involved".

It is unfortunately a sad reality that Government services at a Central level are seen by many to be insufficient and inadequate to meet the needs of our citizens. It is for this reason that communities often of their own volition agree to supplement government services through enhancing and funding such services. A pertinent example would be the number of citizens who elect to have private medical aid rather than to rely on the services of state hospitals and medical facilities which, for various reasons, they would find inadequate in meeting their needs. Thus, a choice is often made in what people regard as being in the best interests of their own circumstances and well-being.

In the case of the establishment of an SRA in Hermanus, the majority of ratepayers have elected to fund supplementary services to those provided by the local municipality in order to safeguard what is of value of them – improved crime prevention and public safety, a cleaner environment and consequently, the protection of what is normally their greatest financial asset – the value of their property.

With kind regards

Michael Farr

[Quoted text hidden]

## MEETING MINUTES

Meeting held between

Mr Terry McCarthy, member of the Hermanus Special Rating Area Steering Committee

&

Mrs. Pat Redford, Property Owner Objecting to the Establishment of the Hermanus Special Rating Area

Held on **Wednesday, 11 March 2020 at 10H30** at 3 Poole Street, Hermanus, 7200

**Present: Mr. T. McCarthy; Mrs P. Redford; Marcia Bown (Minutes Secretary)**

### Opening

- Mr McCarthy thanked Mrs Redford for meeting with him as the representative of the HSRA SC to discuss the objection submitted to the Overstrand Municipality on the 5<sup>th</sup> March 2020 in accordance with the Special Rating Area Policy of the Overstrand Municipality Section 10.5.2.
- Mr McCarthy furnished Mrs Redford with a written detailed response to her objection for her review (notes follow below).
- Mr McCarthy stated that the minutes of the meeting would be sent to Mrs Redford with a right to reply in accordance with the Special Rating Area Policy of the Overstrand Municipality Section 10.5.3.

### Discussion

- Mrs Redford stated that the Overstrand Municipality's over regulated controls imposed over the Non-Profit Company of the proposed HSRA are unacceptable.
- Mrs Redford further stated that the OM By-law and Policy are in conflict with the Companies Act which she believes will have a negative impact on the NPC as well as the wider community of the HSRA.
- Mrs Redford is of the opinion that the OM CFO will have a disproportionate amount of control over the NPC.
- Mr McCarthy responds that the HSRA SC contends that the OM's objective is not to control the NPC, but rather to have oversight of the NPC to ensure that it complies with legislation.
- Mrs Redford further notes other areas of concern that she would like to be addressed prior to the approval of the HSRA includes the amendment of the OM SRA By-law and Policy and the draft MOI. Mrs Redford also states that the previous CID By-law and Policy needs to be repealed.

16/66

- Mr McCarthy assures Mrs Redford that the MOI is a draft and still is in process and states that any amendments from Mrs Redford will be considered. Mr McCarthy further assures Mrs Redford that the board and voting members of the NPC will have overall approval of the MOI.

#### Closing

- Mrs Redford will review the response to her objection (notes follow below).
- Mr McCarthy closes the meeting and thanks Mrs Redford for her time and her contribution to the HSRA establishment process.

Meeting Closes at 11H10.

## Notes to an objection lodged by Pat Redford

### Note 1

**By-law clause 7(1)(b)** deals with the requirement to give written notice to all owners that an application for the approval of an SRA has been made and **clause 7(2)** states that written objections to the determination of a special rating area and/or to the provision(s) of the business plan may be lodged. It should be noted what exactly can be objected to. Namely, in the first instance, the area of the SRA and/or, in the second instance, the provision(s) of the business plan. It does not permit or cater for the nature of the objection found in this submission which appears to focus more on the provisions of the by-law and policy and a contention that they conflict with the Companies Act. Nevertheless, the remainder of the submission is considered in the notes that follow.

### Note 2

**By-law clause 10.1.3** *The Steering Committee must meet with the CFO before commencing with the establishment process to ensure that the special rating area is the appropriate vehicle.*

It seems the first objection is that an NPC is not the appropriate vehicle. However, clause 10.1.3, quoted above, makes no mention of an NPC and merely requires a determination, in consultation with the CFO, that an SRA is the vehicle to achieve the top up services.

It is further submitted that the OM's objective is not to control the NPC but, as regards its involvement with the NPC, merely to comply with legislation contained in the Municipal Finance Management Act (MFMA). See notes 6,7,10,11,12,13 and 15

### Note 3

**By-law clause 8(1)(b)** *Council shall determine a special rating area with such amendments or conditions as the Council considered to be in the public interest.*

**By-law clause 14(1)** *A business plan, including the geographical boundaries of the special rating area, may be amended by Council on written application by the management body at any time after the formation of the special rating area.*

**By-law clause 14(3)(a)(b) and (c)** *The Council may only approve an amendment in terms of subsection (1) of clause 14, (see above) to the business plan with the changes required by the context, in accordance with the provisions of Chapter 1, which the Council considers is likely to -*

- (a) materially affect the rights or interest of any person,*
- (b) affect the approved budget for the special rating area; or*
- (c) change the boundaries of the special rating area.*

Clause 14 of the by-law deals with changes to the business plan and in no way gives the municipality the authority to resolve perceived incompatibilities and legal issues. The sole purpose of clause 14 is to allow amendments to the business plan, but only after approval of the SRA and appointment of the management body. The management body must be appointed by the applicant and be an NPC with members as prescribed by the Companies Act.

### Note 4

Property owners at each public meeting were informed of the VAT position, namely, the steering committee had sought confirmation that the additional rate was subject to VAT but at zero percent. The response to date from the OM is that they will revert in due course. In informal discussion with the CFO she intermated her agreement with the steering committee's submission on VAT however is waiting for the response from the legal personnel of the OM.

**Note 5**

**Policy clause 9.2.2** *The inaugural memorandum of incorporation ("MOI") of the NPC must be aligned with the prescribed format determined by the CFO; and any amendments thereto must be approved by the CFO.*

A draft of the MOI has been and is available and, in terms of policy clause 9.2.2 has been submitted to the CFO for approval. It can only be final once approval has been given.

**Note 6**

**By-law clause 12.5** *The Council may, for purposes of carrying out the provisions of the business plan of special rating area and subject to section 67 of the Local Government Municipal Finance Management Act, 2003 (Act No. 56 of 2000), (MFMA) make payment to the management body of a special rating area.*

**By-law Clause 12.6** *The payment contemplated in subsection (5) of clause 12 (see above) is conditional upon the conclusion of a finance agreement to be entered into between Council and the relevant management body, and such agreement must regulate, among other things*

- *the mechanisms and manner of payment; and*
- *terms on which payment to the relevant management body is to be made.*

Clearly such an agreement can only be made once the SRA is approved and the management body is constituted and therefore could not have been, and was not required to be, in place during the voting/consent period. And see below requirements of the Municipal Finance Management Act (MFMA) section 67(3).

**Section 67(3)** of the MFMA stipulates the accounting officer must through contractual and other appropriate mechanisms enforce compliance with subsection (1) of section 67 of MFMA.

**Note 7**

The term is five years as disclosed in the public documents.

Reliance and security are based on the legislative requirements [see by-law clauses 12.5 and 12.6 quoted above] and specifically section 17(3) of the MFMA read with section 67(1) of the MFMA

**Section 17(3)(j)(iv) of MFMA**

*When the annual budget is tabled it must be accompanied by ...*

*(j) particulars of any proposed allocations or grants by the municipality to-*

*(iv) any organisations or bodies referred to in section 67(1)*

**Funds transferred to organisations and bodies outside government**

**Section 67(1)** Before transferring funds of the municipality to an organisation or body outside any sphere of government otherwise than in compliance with a commercial or other business transaction, the accounting officer must be satisfied that the organisation or body-

(a) has the capacity and has agreed-

- (i) to comply with any agreement with the municipality;
- (ii) for the period of the agreement to comply with all reporting, financial management and auditing requirements as may be stipulated in the agreement;
- (iii) to report at least monthly to the accounting officer on actual expenditure against such transfer; and
- (iv) to submit its audited financial statements for its financial year to the accounting officer promptly;

The municipality must abide by legislation and failure to do so would result in qualified audit reports. The OM prides itself on achieving unqualified audit reports and there is no basis to suggest that it will not continue to adhere to legislation under which it is governed.

#### Note 8

The word used in policy clause 5.2.1 is "by" and not "to".

#### Note 9

Some essential words have been omitted from the quoted content of clause 5.3 of the policy, namely "the Overstrand Municipality recognises special rating areas as a potential tool for assisting it to fulfill its ....etc. There is no confusion when it is seen that clause 5.2.1 of the policy uses the words **enhance and supplement** and in policy clause 5.3 the word **assisting** is used. The words enhance, supplement and assisting have a common thread, namely to augment, and therefore, while not the same words, they serve to complement each other and not confuse.

#### Note 10

The MFMA, see section 67(1)(a) quoted above, requires a municipality to ensure that the managing body, in the current case the NPC, of an SRA has capacity. The clause in the by-law echoes this legislative requirement and has no sinister intention other than to reinforce the legislative requirement.

#### Note 11

**Clause 9.2** of the policy is headed "Structural requirements" and the clauses that follow under this heading must be seen in this context and not, as is implied in the objection, to be that the public benefit objective of the NPC is to manage its affairs for and on behalf of the OM.

The intention of the clauses is to provide a structure through which the established SRA will operate. In this regard the policy directs that a NPC must be established, whose MOI must be approved by the CFO, be managed by the dictates of the Companies Act, have a certain minimum number of directors, including a councillor as required in terms of the by-law and comply with the need to hold meetings.

All of which is to fulfill the legislative requirement whereby the municipality in terms of the MFMA must be satisfied that the organisation, in this case the NPC, has capacity. See section 67(1)(a) of the MFMA quoted above.

#### **Note 12**

Clause 9.2.2 of the policy merely allows the CFO to interrogate the MOI, in the context of the municipality's regulatory obligations, in terms of section 67 of the MFMA.

#### **Note 13**

To say that the NPC is to be managed in terms of the Companies Act is to reiterate a factual position which is not absurd. Further to say it must comply with legislation as a result of its financial connection to the council clarifies that the NPC is constrained by any legislation under which it must operate. For example, as an outside party to which funds are transferred by the municipality, the NPC must comply with the dictates of the MFMA.

#### **Note 14**

Section 6(1) of the Municipal Property Rates Act (MPRA) states *a municipality must adopt by-laws to give effect to the implementation of its rates policy*. Thus the municipality has legislative authority to adopt policy and by-laws, including policy 9.2.5 and by-laws 11(4) and 11(5) (appointment of a councilor), and is not required to have the approval of voting members of the NPC.

#### **Note 15**

Once again clause 11.3 of the by-law is mandatory in terms of the MFMA where the municipality is obligated, before transferring funds, firstly to be satisfied that the management body (read NPC) has capacity, and, secondly has agreed to comply with section 67(1)(a)(i) through (iv). See specifically section 67(1)(a)(i) which reads *"has agreed- (i) to comply with any agreement with the municipality"*.

To the contrary the public benefit activities under which the NPC would operate are articulated in the draft MOI clauses 4.2.1 (safety) and 4.2.2 (cleansing). The OM is legislatively bound in terms of the Constitution to provide these same services to property owners and, in setting up an SRA, merely seeks to enhance these services. Therefore, the SRA and appointment of the NPC is established under the legislative authority granted to the OM under the MPRA to provide top up services within the designated area for the benefit of property owners. In this way the NPC is inextricable linked to the services provided by the OM and is certainly not masquerading as a service provider but is operating under the legislative authority which has as its origin the MPRA.

#### **Note 16**

The policy at clause 15 and the by-law at 16(1) speaks to the dissolution of the entire SRA not just the area and obligation to levy the additional rate.

It is submitted that an NPC created under the legislative authority which begins with the MPRA is a product of that authority and therefore as such an NPC cannot exist outside of that authority. That is not to say that a company cannot be formed of itself where it seeks voluntary funding from property owners. However, experience shows that voluntary funding to supplement municipal services does not work.

21/66

**Note 17**

The draft MOI at clause 16 deals with disillusionment of the NPC and is fully compliant with the Companies Act schedule 1.

**Note 18**

The NPC is independent, but like any company operating in any field, companies are constrained by the legislation controlling their endeavours - for example Banks under the Banks Act, Manufacturing under labour rules and health and safety. To say that the independence of Bank Directors and shareholders is undermined by the prescripts of the Banks Act is not defensible, and similarly to say the independence of directors of, and the powers of members of, the NPC is undermined by the laws governing the formation and operation of a NPC cannot be true.

**Note 19**

The OM must operate in terms of legislation and it is respectfully submitted that they would not be able to consider, let alone, implement the suggestion made in the objection.

22/166

## MEETING MINUTES

Meeting held between

Mr Terry McCarthy, member of the Hermanus Special Rating Area Steering Committee

&

Mrs. Pat Redford, Property Owner Objecting to the Establishment of the Hermanus Special Rating Area

Held on **Wednesday, 11 March 2020 at 10H30** at 3 Poole Street, Hermanus, 7200

**Present: Mr. T. McCarthy; Mrs P. Redford; Marcia Bown (Minutes Secretary)**

### Opening

- Mr McCarthy thanked Mrs Redford for meeting with him as the representative of the HSRA SC to discuss the objection submitted to the Overstrand Municipality on the 5<sup>th</sup> March 2020 in accordance with the Special Rating Area Policy of the Overstrand Municipality Section 10.5.2.
- Mr McCarthy furnished Mrs Redford with a written detailed response to her objection for her review (notes follow below).
- Mr McCarthy stated that the minutes of the meeting would be sent to Mrs Redford with a right to reply in accordance with the Special Rating Area Policy of the Overstrand Municipality Section 10.5.3.

### Discussion

- Mrs Redford stated that the Overstrand Municipality's over regulated controls imposed over the Non-Profit Company of the proposed HSRA are unacceptable.
- Mrs Redford further stated that the OM By-law and Policy are in conflict with the Companies Act which she believes will have a negative impact on the NPC as well as the wider community of the HSRA.
- Mrs Redford is of the opinion that the OM CFO will have a disproportionate amount of control over the NPC.
- Mr McCarthy responds that the HSRA SC contends that the OM's objective is not to control the NPC, but rather to have oversight of the NPC to ensure that it complies with legislation.

23/66

- Mrs Redford further notes other areas of concern that she would like to be addressed prior to the approval of the HSRA includes the amendment of the OM SRA By-law and Policy and the draft MOI. Mrs Redford also states that the previous CID By-law and Policy needs to be repealed.
- Mr McCarthy assures Mrs Redford that the MOI is a draft and still is in process and states that any amendments from Mrs Redford will be considered. Mr McCarthy further assures Mrs Redford that the board and voting members of the NPC will have overall approval of the MOI.

#### Closing

- Mrs Redford will review the response to her objection (notes follow below).
- Mr McCarthy closes the meeting and thanks Mrs Redford for her time and her contribution to the HSRA establishment process.

Meeting Closes at 11H10.

24/66

## Notes to an objection lodged by Pat Redford

### Intro:

*Thank you for responding to my objection and for delivering the notes to me.*

*With respect to your minutes, I would like to correct your statement regarding the repeal of the old CID bylaw.*

*I would like to correct your minutes. I did not say that "that the previous CID By-law and Policy needs to be repealed."*

*I in fact stated that: If the CID bylaw has not been repealed, the OM is still obliged to continue collecting the HPP fees associated with this. Only once the old CID bylaw is repealed, can the OM suspend collections. It is my opinion that the OM has overlooked their obligations and are violating their own procedures associated with this matter. The HPP should be claiming the outstanding funds until such time as this old CID bylaw is repealed. That is somewhat different from the minutes.*

### *The following response is made:*

#### Note 1

**By-law clause 7(1)(b)** deals with the requirement to give written notice to all owners that an application for the approval of an SRA has been made and **clause 7(2)** states that written objections to the determination of a special rating area and/or to the provision(s) of the business plan may be lodged. It should be noted what exactly can be objected to. Namely, in the first instance, the area of the SRA and/or, in the second instance, the provision(s) of the business plan. It does not permit or cater for the nature of the objection found in this submission which appears to focus more on the provisions of the by-law and policy and a contention that they conflict with the Companies Act. Nevertheless, the remainder of the submission is considered in the notes that follow.

*Add Note 1: It would be disingenuous to rely on a narrow reading of clause 7.2 to disregard valid objection and solution based recommendations;*

*The imposition of the CFO into the MOI, to prescribe the MOI format and that any changes thereto made by the members are subject to the approval of the CFO is unacceptable.*

*The entire approach is that owners of property pay, via OM imposition and collection, to provide the security services they require. The NPC with members free to vote their interests, deliver security services they require. The entity is governed under the Companies Act, that has adequate capacity to regulate the lawful conduct of the NPC and its directors. A finance contract - being "a commercial or other business transaction" (MFMA clause 67 (1) ) that accommodates the reasonable requirements of the By-law and Policy under contract law, the entire relationship and conduct between the OM and the NPC;*

*The NPC is established by the members, having an MOI informed by the members in accordance with Schedule 1 of the Companies Act;*

*Beyond the contract, insight into NPC for OM is invited not imposed, for the duration of the contract via an ex-officio director, appointed by OM that gives the highest level of access to all of the NPC, but no direction;*

*The rest is based on the good will of the members their energies and commitment to the public benefit object and public benefit activities and the co-operative relationship with OM;*

25/66

*I submit, the objection clause 8, supports the determination of the SRA for the purpose of raising funds for the NPC in terms of § 22 of the MPRA. This clause 8, specifically promotes that the OM MFMA requirements clause 67, and other requirements be properly facilitated in a finance agreement. These matters are further dealt with under the respective notes below;*

## Note 2

**By-law clause 10.1.3** *The Steering Committee must meet with the CFO before commencing with the establishment process to ensure that the special rating area is the appropriate vehicle.*

It seems the first objection is that an NPC is not the appropriate vehicle. However, clause 10.1.3, quoted above, makes no mention of an NPC and merely requires a determination, in consultation with the CFO, that an SRA is the vehicle to achieve the top up services.

It is further submitted that the OM's objective is not to control the NPC but, as regards its involvement with the NPC, merely to comply with legislation contained in the Municipal Finance Management Act (MFMA).

See notes 6,7,10,11,12,13 and 15

*Add Note 2: If 10.1.3 is to ensure that the special rating area regime is the appropriate vehicle, I am then comfortable that the NPC established by members under Schedule 1 and the other relevant provisions of the Companies Act, that does not alienate the voting rights and independence of members, is an appropriate members entity for the NPC.*

*Your assurance that the OM objective is not to control the NPC and merely to comply with legislation contained in the MFMA is noted. Please note that my comments below, rely on this assurance as the guide in my response;*

## Note 3

**By-law clause 8(1)(b)** *Council shall determine a special rating area with such amendments or conditions as the Council considered to be in the public interest.*

**By-law clause 14(1)** *A business plan, including the geographical boundaries of the special rating area, may be amended by Council on written application by the management body at any time after the formation of the special rating area.*

**By-law clause 14(3)(a)(b) and (c)** *The Council may only approve an amendment in terms of subsection (1) of clause 14,(see above) to the business plan with the changes required by the context, in accordance with the provisions of Chapter 1, which the Council considers is likely to -*

- (a) materially affect the rights or interest of any person,*
- (b) affect the approved budget for the special rating area; or*
- (c) change the boundaries of the special rating area.*

Clause 14 of the by-law deals with changes to the business plan and in no way gives the municipality the authority to resolve perceived incompatibilities and legal issues. The sole purpose of clause 14 is to allow amendments to the business plan, but only after approval of the SRA and appointment of the management body. The management body must be appointed by the applicant and be an NPC with members as prescribed by the Companies Act .

26/66

*Add Note 3 OF interest is that you reference incompatibilities and structural issues yet, do not address the points raise and where these are to be resolved. A recent precedent, referenced to the Mayor in a public meeting: 2019, at Fernkloof Hall concerning a public request to change the OM Policy clause 6.6. of "60% plus one" vote hurdle to that of "50% plus one" after discussion the Mayor on the spot in the meeting "verbally approved the request", within a matter of days copies of the Policy had pencilled in the 50% plus 1 hurdle and in a matter of weeks the updated version was reflected at least by Council approval 29 May 2019 effective 1 July 2019.*

*Also that the amendment is Approved by Council, this suggests that Council may well have authority in making a determination with amendments to resolve structural inconsistencies .*

#### **Note 4**

Property owners at each public meeting were informed of the VAT position, namely, the steering committee had sought confirmation that the additional rate was subject to VAT but at zero percent. The response to date from the OM is that they will revert in due course. In informal discussion with the CFO she intermated her agreement with the steering committee's submission on VAT however is waiting for the response from the legal personnel of the OM.

*Add note 4: I make two points: 1) Vat at 15% is a material number that affects the term budget; and 2) That only a directive from the SARS, Tax Exempt Unit will carry any weight and confidence that can be relied upon.*

#### **Note 5**

**Policy clause 9.2.2** *The inaugural memorandum of incorporation ("MOI") of the NPC must be aligned with the prescribed format determined by the CFO; and any amendments thereto must be approved by the CFO.*

A draft of the MOI has been and is available and, in terms of policy clause 9.2.2 has been submitted to the CFO for approval. It can only be final once approval has been given.

*Add Note 5: A draft MOI was uploaded to the website around 20 Feb 2020, Policy clause 9.2.2 - whilst it may be technically possible to inform a draft MOI for the NPC for approval by OM ... however this approach lacks transparency, as the fundamental control impositions in the MOI is more that that indicate: in Note 2.*

#### **Note 6**

**By-law clause 12.5** *The Council may, for purposes of carrying out the provisions of the business plan of special rating area and subject to section 67 of the Local Government Municipal Finance Management Act, 2003 (Act No. 56 of 2000), (MFMA) make payment to the management body of a special rating area.*

**By-law Clause 12.6** *The payment contemplated in subsection (5) of clause 12 (see above) is conditional upon the conclusion of a finance agreement to be entered into between Council and the relevant management body, and such agreement must regulate, among other things*

- *the mechanisms and manner of payment; and*
- *terms on which payment to the relevant management body is to be made.*

Clearly such an agreement can only be made once the SRA is approved and the management body is constituted and therefore could not have been, and was not required to be, in place during the voting/consent period. And see below requirements of the Municipal Finance Management Act (MFMA) section 67(3).

27/66

**Section 67(3)** of the MFMA stipulates the accounting officer must through contractual and other appropriate mechanisms enforce compliance with subsection (1) of section 67 of MFMA.

*Add Note 6: By-law clause 12.5 The Council may, for purposes of funding NPC to pursue its objects and subject to section 67 (1) of the MFMA and having concluded a "commercial or other business transaction" By-law clause 12.6 (finance contract), make payment to the NPC;*

*The finance contract, clause 12.6 triggers the caveat, "otherwise than in compliance with a commercial or other business transaction" note 7: below, clause 67(1) and authority for payment to NPC without otherwise applying sub-clause 67(1) (a) (i) to (iv);*

#### **Note 7**

The term is five years as disclosed in the public documents.

Reliance and security are based on the legislative requirements [see by-law clauses 12.5 and 12.6 quoted above] and specifically section 17(3) of the MFMA read with section 67(1) of the MFMA

#### **Section 17(3)(j)(iv) of MFMA**

*When the annual budget is tabled it must be accompanied by ...*

*(j) particulars of any proposed allocations or grants by the municipality to-*

*(iv) any organisations or bodies referred to in section 67(1)*

#### **Funds transferred to organisations and bodies outside government**

**Section 67(1)** Before transferring funds of the municipality to an organisation or body outside any sphere of government [**otherwise than in compliance with a commercial or other business transaction**], the accounting officer must be satisfied that the organisation or body-

*(a) has the capacity and has agreed-*

*(i) to comply with any agreement with the municipality;*

*(ii) for the period of the agreement to comply with all reporting, financial management and auditing requirements as may be stipulated in the agreement;*

*(iii) to report at least monthly to the accounting officer on actual expenditure against such transfer; and*

*(iv) to submit its audited financial statements for its financial year to the accounting officer promptly;*

The municipality must abide by legislation and failure to do so would result in qualified audit reports. The OM prides itself on achieving unqualified audit reports and there is no basis to suggest that it will not continue to adhere to legislation under which it is governed.

*Note 7 : See 6 above ...*

#### **Note 8**

The word used in policy clause 5.2.1 is "by" and not "to".

28/66

*Add Note 8*

*SRA Policy 5.2 reads: The purpose of a special rating area is to-*

*5.2. 1. enhance and supplement the municipal services, provided by the Overstrand Municipality.*

**Note 9**

Some essential words have been omitted from the quoted content of clause 5.3 of the policy, namely “*the Overstrand Municipality recognises special rating areas as a potential tool for **assisting** it to fulfill its ....etc.* There is no confusion when it is seen that clause 5.2.1 of the policy uses the words **enhance and supplement** and in policy clause 5.3 the word **assisting** is used. The words enhance, supplement and assisting have a common thread, namely to augment, and therefore, while not the same words, they serve to complement each other and not confuse.

*Add Note 8*

*It is absolutely clear ... through out the document that NPC is providing services to OM and not as a public benefit object, in the form of a public benefit activity. The control and direction of the NPC by OM, define this services provider relationship .... this impacts the Public benefit object of the establishment of the NPC.*

*This relationship needs to be separated and independent ... this is further exacerbated when NPC registerer to be a PBO for the purpose of receiving donations as further funding for NPC ...*

**Note 10**

The MFMA, see section 67(1)(a) quoted above, requires a municipality to ensure that the managing body, in the current case the NPC, of an SRA has capacity. The clause in the by-law echoes this legislative requirement and has no sinister intention other than to reinforce the legislative requirement.

*Add Note 10*

*There is no sinister intention, it is plane to see in simply reading the record and directives, and impositions in the OMI;*

**Note 11**

**Clause 9.2** of the policy is headed “Structural requirements” and the clauses that follow under this heading must be seen in this context and not, as is implied in the objection, to be that the public benefit objective of the NPC is to manage its affairs for and on behalf of the OM.

The intention of the clauses is to provide a structure through which the established SRA will operate. In this regard the policy directs that a NPC must be established, whose MOI must be approved by the CFO, be managed by the dictates of the Companies Act, have a certain minimum number of directors, including a councilor as required in terms of the by-law and comply with the need to hold meetings.

All of which is to fulfill the legislative requirement whereby the municipality in terms of the MFMA must be satisfied that the organisation, in this case the NPC, has capacity. See **section 67(1)(a)** of the MFMA quoted above.

*add Note 11: the legislative capacity section 67(1) of the MFMA, is instructive and set and compliant under contract law within “a comprehensive finance agreement which is replete with capacity”, without trampling on the purpose of an NPC, its objects and PBA’s.;*

29/66

**Note 12**

Clause 9.2.2 of the policy merely allows the CFO to interrogate the MOI, in the context of the municipality's regulatory obligations, in terms of section 67 of the MFMA.

*The entire requirement to satisfy MFMA clause 67 is satisfied in the Finance agreement (contract), provided in the above caveat. Add Note 6 above*

**Note 13**

To say that the NPC is to be managed in terms of the Companies Act is to reiterate a factual position which is not absurd. Further to say it must comply with legislation as a result of its financial connection to the council clarifies that the NPC is constrained by any legislation under which it must operate. For example, as an outside party to which funds are transferred by the municipality, the NPC must comply with the dictates of the MFMA.

*add Note 13: The response missed the point. Any absurdity arises from the degree to which the provisions of the respective legislation differ or change and over time. However the point goes to the nexus of the interface of the financial connection and that is the finance agreement not the MOI.*

**Note 14**

**Section 6(1)** of the Municipal Property Rates Act (MPRA) states *a municipality must adopt by-laws to give effect to the implementation of its rates policy*. Thus the municipality has legislative authority to adopt policy and by-laws, including policy 9.2.5 and by-laws 11(4) and 11(5) (appointment of a councilor), and is not required to have the approval of voting members of the NPC.

*Note 14: I am no specialist or authority in this regard, and concur the OM has executive authority in the adopting by-laws and Policies; however, where that power is placed and prevails over other legislation in this case the Companies Act, is for more learned than I to argue, save to say the comment made above begs a few questions:*

- (i) Why do OM stipulate an NPC with members and then so grossly trample upon the Companies Act and the members under which the NPC is governed, in the aggressive manner, when it is not necessary;*
- (ii) Why simply not stipulate an NPC without members, in which case at least the members are not trampled upon;*
- (iii) I find the provision of clause 14 of the by law enabling and a part of the solution suggested in clause 8 of the objection, and finally;*
- (iv) If you don't need the approval of the members, what is the point and how disingenuous is it that OM even entertained the concept of an SRA.*

**Note 15**

Once again clause 11.3 of the by-law is mandatory in terms of the MFMA where the municipality is obligated, before transferring funds, firstly to be satisfied that the management body (read NPC) has capacity, and, secondly has agreed to comply with section 67(1)(a)(i) through (iv). See specifically section 67(1)(a)(i) which reads *"has agreed- (i) to comply with any agreement with the municipality"*.

*Add Note 15 I have laboured the point enough above: - All of what is required of By-law 11.3 is accommodated in the output of the finance agreement; the finance agreement, the; MFMA section 67(1) "*

30/166

*...commercial or other business transaction,..” and caveat to the unneeded complexity of 67(1)(a)(i) through (iv);*

To the contrary the public benefit activities under which the NPC would operate are articulated in the draft MOI clauses 4.2.1 (safety) and 4.2.2 (cleansing) . The OM is legislatively bound in terms of the Constitution to provide these same services to property owners and, in setting up an SRA , merely seeks to enhance these services. Therefore, the SRA and appointment of the NPC is established under the legislative authority granted to the OM under the MPRA to provide top up services within the designated area for the benefit of property owners. In this way the NPC is inextricable linked to the services provided by the OM and is certainly not masquerading as a service provider but is operating under the legislative authority which has as its origin the MPRA.

#### **Note 16**

The policy at clause 15 and the by-law at 16(1) speaks to the dissolution of the entire SRA not just the area and obligation to levy the additional rate.

It is submitted that an NPC created under the legislative authority which begins with the MPRA is a product of that authority and therefore as such an NPC cannot exist outside of that authority. That is not to say that a company cannot be formed of itself where it seeks voluntary funding from property owners. However, experience shows that voluntary funding to supplement municipal services does not work.

#### **Note 17**

The draft MOI at clause 16 deals with disillusionment of the NPC and is fully compliant with the Companies Act schedule 1.

*Add Note 17, for the reasons above, the NPC on cancelation of the SRA area, by Council may live on as an NPC ... funded by the members or through other revenues, it has every right to continue to deploy its resources to further its Public Benefit Activities and PBO activities.... in the public interest. An prescription on its wind-up or dissolution must as at first instance be determined by the members. That to presume or usurp or claim any authority, we simply cannot speculate as to the future before we gain the experience to inform that future;*

#### **Note 18**

The NPC is independent, but like any company operating in any field, companies are constrained by the legislation controlling their endeavours - for example Banks under the Banks Act, Manufacturing under labour rules and health and safety. To say that the independence of Bank Directors and shareholders is undermined by the prescripts of the Banks Act is not defensible, and similarly to say the independence of directors of, and the powers of members of, the NPC is undermined by the laws governing the formation and operation of a NPC cannot be true.

#### **Add 18**

*The NPC nexus and interface with OM is the finance contract, its the right place where the commercial the commercial, protocol and recognition of the requirements are negotiated for implementation of the best outcom*

#### **Note 19**

31/bb

The OM must operate in terms of legislation and it is respectfully submitted that they would not be able to consider, let alone, implement the suggestion made in the objection.

*Add Note 19*

*I stand by this submission*

*Kind regards*

Hermanus SRA &lt;hermanussra@gmail.com&gt;

Dear Mr du Toit

I am in receipt of your Notice of Objection with respect to the establishment of a Special Rating Area in Hermanus.

I have noted that you are currently abroad and expect to return to Hermanus in June/July of this year. With the period for objections having closed on 6 March, the Overstrand Municipality requires us to deal with objections to the proposed establishment of the Hermanus SRA by 13 March, preferably through meeting with objectors to discuss their objection. As this is clearly not possible for you, kindly indicate your communications preference for an interaction with us.

Yours sincerely

Michael Farr

10 March 2020 at 09:42

Dear Michael

The Overstrand Municipality requirement that you deal with all objections within a period of one week is unreasonable in my opinion.

On the other hand, objection should probably have been dealt with at an earlier stage – before submission of the application – as I understand they did in Onrus.

I will request clarification from the Municipality.

We have several options to engage on this matter, including by:

- Correspondence via e-mail and/or
- Web discussion – using Skype for instance.

Please let me know what you can accommodate or if you have any other suggestions.

Regards

Andre du Toit

10 March 2020 at 10:30

Dear Andre

I'd be happy to accommodate your preference with respect to our engagement.

We only received the objections (8 in total) from the OM on Monday 9 March, and have been asked to complete our interactions with objectors by close of business on Friday 13 March.

Please let me know your availability to discuss your objection to the HSRA.

Kind regards

Michael

10 March 2020 at 10:55

Michael

Coenie Groenewald advised me that on 24 February he forwarded my objection to the relevant municipal officials, as well as the Steering Committee of the Hermanus SRA.

I am available at your convenience.

I suggest that we start with e-mails.

We can connect via Skype as and when required.

10 March 2020 at 12:44

Dear Andre

I am responding, on behalf of the HSRA Steering Committee, to your objection in terms of section 10.5.3 of the Overstrand SRA Policy.

1. The proposed boundaries of the HSRA were included in the business plan and the public presentations, as well as in the required Notice that was advertised in the local media. We did not receive any opposition to these boundaries from the significant majority vote of property owners in the area (3,141). We also indicated that incremental expansion of the boundaries may be possible if support from property owners for such expansion was forthcoming.
2. The improvements and/or upgrades the HSRA has identified in the business plan were put to property owners in 3 public meetings and were also contained in the business plan and the powerpoint presentation on the HSRA website. These improvements were defined and detailed in the business plan, and included our proposals with respect to crime prevention, public safety and cleansing. The budget was arrived at based on our assessment of the requirements of property owners as expressed through their responses to the public perception survey and a needs analysis to ensure that the budget was correctly allocated to meet the primary needs of property owners in the SRA. Consideration was also given to the affordability to property owners of the special or additional rate to fund the required services supplementary to the services provided by the Overstrand Municipality.
3. With respect to services to be provided by the HSRA, the main services are crime prevention, public safety and cleansing. With respect to crime prevention and public safety, a budget of R7,150,000 has been allocated. This includes patrol officers on foot in the CBD and on the Cliff Path, Bicycle and Vehicle patrols throughout the suburbs of the HSRA, CCTV Software upgrades and incremental CCTV expansion over a 5 year period. There

are currently 19 CCTV cameras in operation in the SRA. The budget also includes R130,000 for Communication Management (fixed line, cell phones, radios) and R303,000 for CCTV management (contract agreement, insurance and maintenance). With respect to cleansing, a budget of R300,000 per annum has been allocated with a focus on the Cliff Path and the Hoy's Koppie area. Assistance to the Overstrand Municipality will also be provided in the areas of litter collection and waste removal. A further R50,000 has been allocated to toilet rentals, primarily located on the Cliff Path.

4. The budget also includes provisions for HSRA Administration, totaling R367,000. The main provision in this budget is R265,000 for the appointment of an SRA Manager. Other budget items in this budget included accounting and audit costs, AGM expenses, bank charges, stationery, telephone, marketing and PR, and website maintenance.
5. With respect to the matter of appointing service providers for crime prevention, public safety, and cleansing, an RFP process will be followed. I have noted your concerns and questions with regard to this process and wish to assure you that the process will be placed in the public domain, and will be available on the HSRA website. We are not able to commence this process until final approval from the Overstrand Municipality is given for the establishment of the SRA but in anticipation that such approval may be given, we will soon commence the preparation of a defined Scope of Work for the services to be procured. As mentioned, this will be placed in the public domain. It is through the RFP process as described that we will be able give granular detail to the broader descriptions of the services mentioned in the business plan. For example, we will be able to give the precise number of vehicles, bicycles, foot patrol officers, cleansing staff etc once the process has been completed and the service providers have been appointed.

I might also mention that I have successfully established and managed 4 SRA's in the Cape Metropole and thus have a keen familiarity of the processes, the requirements, the pertinent legislation and the overall management of an SRA.

Please let me know if you require any further detail or elaborations.

12 March 2020 at 04:25

Michael

Thank you for your e-mail.

I issued my detailed my objections to the establishment of the Hermanus to the Municipality on 23 February 2020; before the stipulated deadline. The Overstrand SRA Policy does require that the Steering Committee engage with all the objectors and that they provide objectors and Council with minutes of these meetings. Since I am abroad, you and I have agreed to carry out such engagement via e-mail and should any party require then we may meet via electronic media, such as Skype.

Your e-mail below is the first engagement in respect of the objection that I issued to the Municipality. Please see below to my responses to your e-mail. However, firstly I state the following:

1. My objection is detailed and extensive. Your e-mail below covers only some of the content of my objection and does not address the full content of the objection.
2. You have elected to address only the following two issues in my objection:
  - a. Compliance with requirements in respect of establishing the SRA boundaries

36/66

b. Definition of the improvements and/or upgrades the HSRA proposes to provide to ratepayers over the next five years and how SRA arrived at their budget included in the Business Plan.

3. In respect of point 2(a) above, I remain of the opinion that the HSRA have not complied with requirements. Please see my opinion in the itemised responses below.

4. Regarding point 2(b) above, we could get involved in meaningless discussions around details and levels of information (for example the numbers of pencils and erasers), but that is not my point. My point is that I do not know and am unable to ascertain what it is that the HSRA intends to provide to ratepayers over the next five years. HSRA are unable (or unwilling) to provide me with any details other than the high level, aspirational and insufficiently detailed items contained in their Business Plan (and other documentation). I am unable to understand the manner in which the HSRA arrived at their proposed budget for the next five years because HSRA have not shared (or are unwilling to provide) any details of this process. The minutes of the public meeting held on 19 December 2019, records the following opinion of Mr. Stanway: "You cannot vote on a draft business plan". That is also my point – the Business Plan is not sufficiently defined for any reasonable and informed decision making in respect thereof. The voting proceeded nonetheless and, accordingly, I am compelled to object to the Overstrand Municipality agreeing to collect over more than 8 million Rands per year in rates, over the next five years, on the basis of this Business Plan.

I respond in the following manner to your e-mail, using your numbering for ease of reference.

#### Point 1

The requirement of the Act is: before determining a special rating area, a municipality must consult the local community, including the following matters; the proposed boundaries of the area; the proposed improvement or upgrading of the area. As you have said, the boundaries of the HSRA were determined without any consultation with the local community. The requirement is consultation; the act of seeking opinion or advice and not the act of deciding the issue then wait to see if anyone objects. The level of consultation and the amount of detail provided in respect of the proposed improvement or upgrading of the area is also questionable but I have not included this issue in my objections at this time.

#### Point 2

I have read the minutes of public meetings and looked at the referenced PowerPoint presentation on the website. The public meetings do not provide any additional details of the proposed improvements/upgrades over those in the Business Plan and the PowerPoint presentation contains two slides which presents key features of the Business Plan – no details.

You say that the HSRA-SC did a needs analysis. I presume that this is the Perception Survey (which, in my experience is a part of needs analysis). If it is not so then the needs analysis to which you refer have not been made public. The requirements assessment that you say HSRA-SC conducted was not made public – I have not seen it.

You say that the budget was correctly allocated – but, with the information currently available to me, there is no way that I can validate this contention. I cannot determine what it is that the HSRA proposes to deliver to ratepayers in the next five years and how this relates to the money that I will need to pay (i.e. the budget). I have also not seen the affordability considerations that you mention - are they public?

I contend that the proposed improvements and/or upgrades were not sufficiently identified in the Business Plan or elsewhere for any informed decision making and, as a consequence, there should be no agreement to the Business

Plan because it and the budget that it contains cannot be validated.

To me it seems that the HSRA are asking the Municipality and ratepayers to provide them with funds on the basis of trust. Such would be improper and I, for one, am not willing to agree.

#### Points 3 and 4

When I initially studied the proposed budget in the Business Plan, I found it to be insufficiently detailed for me to make any determinations. I therefore sent an e-mail to the HSRA, enquiring about the details of the line item services that appear in the five year term budget of the Business Plan. As explained in my objection, the responses that I received did not answer my enquiry. This is one of the reasons for my decision to withhold consent to the HSRA and subsequently to issue an objection. The information provided in items 3 and 4 of your answers to my objection is substantially the same as that provided by you on my first enquiry. This information does not respond to the items in my objection.

*(For the record, following are extracts from your previous responses to my enquiry:*

*We intend to appoint service providers for crime prevention, public safety, and cleansing. We will follow an RFP (Request for Proposals) process to decide on the most suitable service providers for our needs. Costs for the Crime Prevention and Public Safety measures are R7,583,000 and R350,000 for Cleansing.*

*Monitoring Centre costs are included in the Crime Prevention/Public Safety budget. CCTV management costs are R303,000 and rental costs of the Centre will be R300,000 in Year 1.*

*Vehicle and Bicycle patrols will be in all suburbs and foot patrols will be in the CBD and on the Cliff Path. Precise numbers will be available after the completion of the RFP process. Supervisors will manage the activities of personnel using various technologies, including GPS.*

*Current equipment includes 19 CCTV cameras, maintenance and replacements, and insurance – R303,000. Incremental expansion of the CCTV network including software upgrades is budgeted for over a 4 year period of the 5 year business plan.*

*There will be a Board of Directors to be elected by ratepayers in the HSRA who are voting members of the SRA/HPP. The only remunerated person of the SRA/HPP will be the Operations Manager at a salary in Year 1 of R265,000. General Admin costs in year 1 are expected to be R102,000.)*

#### Point 5

I note your statement that the proposed HSRA procurement process will be placed in the public domain, and will be available on the HSRA website. Unfortunately, this does not answer my objections regarding validity of the five year budget that the HSRA has proposed and transparency of how it was determined.

I do not intend to enter into an argument about the definition and/or necessary granularity of required things (scope of services for instance). Suffice it to say that in any budgeting process, it is normal to identify and define the needs, prepare a plan of how to these needs will be serviced and costing such a plan to arrive at a budget. If the HSRA has not done these things then there is something missing – the Business Plan can only be considered a draft. If they have indeed done these things then I have not seen any of it.

In my opinion the HSRA has not provided sufficient definition of what it is that they intend to do over the next five years, the estimated cost of these activities and how the budget was arrived at. It is not possible for anyone to validate the proposed budget. For the avoidance of doubt, the broad descriptions of the items contained in the Business Plan are in no way sufficient to inform the proposed budget.

I have requested but have not been able to gain any further insight into this issue from HSRA. This indicates that there

was either insufficient consideration of the issue or, if there was then the details of it are not being made public.

Question 5 in the minutes of the 19 December 2019 public meeting also raised concerns about the draft nature of the Business Plan, which is in essence the same as my objection. The resolution of Question 5 has not been made public.

My engagement with HSRA to date, the manner of their responses and referring me back to inadequate information on their website in response to my questions, makes me question the sincerity of the assurances that they have provided. In my opinion, these matters are serious and they cannot be addressed with assurances and platitudes.

Lastly, Michael, your successes in establishing SRA's in the Cape Metropole are noted; congratulations. As I mentioned in my objection, I have a lifetime of experience working for and with authorities (in SA and internationally) on their infrastructure, including establishing their plans (including budgets) for preparation, implementation, operations, maintenance and the like. In the case of HSRA, I have so far been unable to learn what it is that I will get for the money that I am asked to agree to pay through the Municipality to the HSRA over the next five years. I am therefore compelled to object and cannot see on what basis the Municipality can make a decision to proceed.

Dear Andre

Thank you for your email.

With respect to your comment "As you have said, the boundaries of the HSRA were determined without any consultation with the local community", I wish to point out that I never said this. On the boundary question, which of course is an element of the business plan, we received two enquiries which we responded to by saying that we wished to consolidate property owner support where that support was most assured, and that we are open to looking at incremental expansion of the boundaries if property owners outside of the current boundaries wish to apply for inclusion. We have had no such request thus far.

Broadly speaking, it seems to me that the essence of your objection is summarised in the following extract from your reply to my email:

*"Suffice it to say that in any budgeting process, it is normal to identify and define the needs, prepare a plan of how (to sp) these needs will be serviced and costing such a plan to arrive at a budget. If the HSRA has not done these things then there is something missing – the Business Plan can only be considered a draft. If they have indeed done these things then I have not seen any of it".*

The HSRA has attended to these issues. The needs were determined from the public perception survey responses. We took the views of all property owners into account in responding, in our business plan, to the services that they asked be provided. If you believe this to have been insufficient, I am not sure how else it could have been done. Also, at public meetings, the opportunity for property owners to express alternative needs to those expressed by survey respondents could easily have been raised.

I'm not entirely sure of your assertion that we have not provided sufficient detail with respect to the business plan and the budget. We are of the view that property owners who have consulted the business plan and the budget have the same degree of knowledge of the most salient details as we do. The only details that are lacking are those yet to come from the RFP process (Scope of Work and Service provider proposals) which, as mentioned previously, can only be provided after Council's consideration of our application. If and when final approval by Council is given, we can proceed with the public RFP process and add further granular detail to the budget. This will be an open and transparent process and the SRA NPC would be happy to engage with property owners who have an interest in this process, while the process itself will be made available on our website.

With regard to our primary services of crime prevention, public safety and cleansing, these details are all contained in our business plan with line item allocations based on the assessed costs of the required services to be rendered. The assessed costs were informed by an analysis of service costs and budget allocations associated with other SRAs in the Western Cape.

Through our public meetings and the availability of detailed documentation on our website, we have been abundantly transparent in sharing information on the SRA with property owners.

We have met the requirements of the consultative process with property owners and through that process to date, we have a majority vote of 3141 property owners who have voted in favour of establishing an SRA in Hermanus. Currently, as at 12 March, there are 6 remaining written objections in opposing such establishment.

The prevailing view of property owners in the HSRA is that we need an operational SRA as soon as possible. We have done an enormous amount of work to make this possible, and we are confident that the implementation of our described services will enable increased crime prevention and more assured public safety to the benefit of all of our property owners and residents. And these benefits will also be to our business sector, our tourism industry, and our property values.

The alternative of not having a solution, whatever flaws it might have in your view, is just not in the interests of the community.

We have sought to the best of our ability to address your concerns.

13 March 2020 at 05:47

Dear Michael

Thank you for your response to my email.

Having done similar things myself in the past, I do understand and appreciate the enormous amount of work that the Steering Committee has done on this matter. Please do not misunderstand my intentions – I do not intend to belittle or demean any of the work that has been done or any individual involved. Indeed, I commend you and your team on tackling a very difficult task.

I am aware of that a majority of property owners have voted in favour of the HSRA and that there may be a sense of urgency in this matter (the number of objections is not really relevant). However, in my opinion, there are no circumstances (including those that you have mentioned) that warrant establishing an SRA in any event and at any cost; irrespective of the confidence of and assurances provided by the Steering Committee.

In the event that the Municipality approves the HSRA then ratepayers will have to pay for it and live with the things that the HSRA do for at least the next five years. Over this period the Municipality will be obliged to collect rates for and on behalf of the HSRA. For the purposes of proper future governance and accountability, it is necessary that the HSRA starts off on the right footing. My belief is that this is one of the reasons for the various requirements in the laws, by-laws and regulations. In the case of HSRA, several requirements have not been complied with, which, if this had been the case, then much of the information that I have requested from HSRA may have been available.

I believe that the reasons for the policy requirement that the Steering Committee engage with objectors and the subsequent actions is in order for each point of objection to be examined and possibly resolved through dialog and agreement involving clarifications, provision of additional information and the like. Where resolution is not possible, then I believe, the records should document the position of each party. Such documented information can inform the Municipality in their decision making regarding the HSRA

My objection is comprehensive and contains numerous points. I did anticipate to engage with the Steering Committee on each of the points in my objection, in the manner described above. However, you have elected to focus only on the following two issues of my objection:

- a. Compliance with requirements in respect of establishing the SRA boundaries
- b. Definition of the improvements and/or upgrades the HSRA proposes to provide to ratepayers over the next five years and how HSRA arrived at the budget included in the Business Plan.

On the first point, I maintain my opinion that there has been no consultation. If there had been then ready explanations as to how and why the boundaries of the HSRA were established would have been readily available. All the information that I have at present indicates that it was decided that the boundaries will remain as they were before (for HPP), they were included in the business plan, there were two enquires and there were no request from other properties to be included. In my opinion, this does not constitute consultation.

On the second point, I have not seen sufficient definition of what it is that the HSRA intends to spend money on over the next five years and how much each such item may cost for anyone to come to any conclusions. You are asking me to agree to a price before I know and understand what it is that I am buying – this should not be acceptable to anyone.

For the avoidance of doubt, I do not consider the descriptions and information in the business plan (and other documents) to be sufficiently detailed to allow any validation of the proposed budget of over 8 million Rands a year. My enquiries and this engagement process has not resulted in HSRA providing any additional and more detailed information on these matters.

You restated that HSRA will do an RFP process to define the work and cost. I have explained why I believe that this should not be considered as a proper or acceptable way of working. You say that property owners have the same knowledge of the most salient details as you do – I do not understand what this means. Does it mean that you do not have any more details about what it is that HSRA will do and how each of these it may cost – because I do not. In this case it would be anyone's guess – how was the budget made and on what basis can I agree to it? You mention that

line item allocations in the budget are based on the assessed costs of the required services to be rendered. Does HSRA have any information regarding the required services to be rendered and the assessment of the associated costs? I keep on asking – please show me. It still it seems to me that the cart is be before the horse in this instance.

I do not see any benefit to HSRA, the Municipality or myself in continuing the current dialog on the above two matters and not engaging on all the other issues of my objection. I suggest that we may now finish this engagement and provide the Municipality with the required documentation for their further decision making.

Dear Andre

I am in agreement that our correspondence be shared with the Municipality. The Steering Committee is satisfied that it has followed all the required processes for its application to be considered by Council. We are also satisfied, as are the vast majority of ratepayers, that our business plan is sufficiently detailed.

Furthermore, we are of the opinion that we have addressed the issues and concerns you have raised through our correspondence which we will now forward to the Municipality.

Kind regards  
Michael Farr

# Objections to the Establishment of the Hermanus SRA

Andre du Toit

## 1 Definitions

"Act" means that Local Government: Municipal Property Rates Act, 2004 (the Act).

"Business Plan" means the document "Business Plan for the Proposed Hermanus Special Rating Area" as compiled by the Steering Committee of the proposed Hermanus Special Rating Area.

"By-law" means the Overstrand Municipality: Special Rating Area By-law.

"Council" means the Overstrand Municipality Council.

"HSRA" means the proposed Hermanus Special Rating Area.

"HSRA-SC" means the Hermanus Special Rating Area Steering Committee and the party who applied for the establishment of the HSRA.

"Municipality" means the Overstrand Municipality.

"Policy" means the Overstrand Municipality: Special Rating Area Policy.

"Schedule" means the Project Schedule shown in the Hermanus Special Rating Area (HSRA) Project Journal.

## 2 Introduction

I am Andre Johan du Toit (ID 5608145012089), the lawful owner of property at Erf HEC 929 with the address: 10 Musson Street, East Cliff, Hermanus. I am a ratepayer and my property falls within the HSRA.

On 3 February 2020 the HSRA-SC submitted an application to for the establishment of a special rating area to the Municipality. In accordance with the requirements of the Policy, Section 10.5.2, I hereby object to the following in respect of this application:

- The establishment of a special rating area and;
- The provisions of the Business Plan contained in the application.

The reasons for my objections are elaborated in this document.

In accordance with the Policy, Section 10.3.3, I previously indicated my intent to object by completing and submitting the consent form (located at <https://hermanussra.co.za/consent-form/> on the HSRA website). I still await engagement of the HSRA-SC as required by section 10.5.3 of the Policy.

Please be advised that I am currently abroad and expect to return to Hermanus in June/July of 2020.

### 3 My Objections

I was abroad in the period during which the HSRA-SC conducted public consultations. Before issuing the consent form with my objection, I did engage with the HSRA-SC via e-mail. I issued enquiries and receiving responses.

#### 3.1 Compliance with requirements

In my opinion, the process of establishing the HSRA does not comply with the requirements of the Act, the By-law and the Policy. I provide my consideration regarding the compliance with requirements in the following section (Issues), but in summary:

- The HSRA-SC did not follow any process or conduct any public consultation in respect of the proposed boundaries of the SRA as required.
- The improvements and/or upgrades that the HSRA intends to make to the areas of the proposed SRA were not elaborated and discussed as required.
- Because the improvements and/or upgrades that the HSRA intends to make are not defined, the viability of the budget can not possibly be established.

#### 3.2 Issues

##### 3.2.1 Perception Survey

The HSRA-SC did conduct a perception survey but, in my opinion it was very high level and aspirational. It did not provide any information regarding or insight whatsoever into the following:

- the extent of the proposed HSRA area or;
- details of the improvements or upgrades that the community desires or;
- the geographic areas within which such improvements or upgrades may be desired.

##### 3.2.2 SRA Boundaries

At the public meeting on 19 December 2019 the HSRA-SC stated that the HSRA geographical area will be the same as the HPP. The HSRA simply adopted boundaries of the previous CID which was stopped in 2019.

After 20 years of operation, the boundaries of the CID may no longer be valid. It is expected (and indeed required) that a process will be followed to establish the boundaries of the HSRA – this was not done. The SRA boundaries were apparently established without any guidance or input from ratepayers, who should have been consulted.

##### 3.2.3 Services to be provided

I am asked to agree that the Municipality levy additional rates on me for the purposes of paying the HSRA to make improvements or upgrades to the area in which I live. I have no real information at all on what these improvements or upgrades will be or how much each will cost. I must therefore object to the proposal and cannot agree to the additional rates to be levied.

##### 3.2.4 Implementation Plan

The implementation plan in the Business Plan is sketchy and without any detail. As a minimum the implementation plan should provide information about what improvement and upgrade activities are intended to be carried out and over what period of time. My comments on the implementation plan in the Business Plan are as follows:

- The Business Plan states that they intent to appoint some unstated service providers to provide undefined supplementary Public Safety and Crime Prevention Monitoring

Services. There are no details of for instance the types of services that the HSRA intend to procure, the scope of the services to be provided and the extent/quantum of resources that are anticipated for each service.

- The Business Plan states that they will undertake Crime Prevention Monitoring. This section contains mostly aspirational statements. There is absolutely no detail whatsoever about what it is that the HSRA plans to do, how and when.
- The Business Plan section on Crime Prevention and Safety in Public Areas contains one line which inform the budget - getting more people and vehicles. There are no details about what will be inherited from HPP, how many new vehicles will be purchased, the number of staff and what all these people and assets will do, where and on what shifts. The rest of this section deals with their own organisation's interaction with the Municipality and other agencies.
- The Business Plan section on Monitored Advanced Camera Systems talks about the operation and management of camera systems but there are no details about what work HSRA intends to do and when. For instance it talks about linking cameras via the internet to a control room. I was under the impression that existing cameras were already monitored from a control room. There are no details about any new work that is planned or the activities that lead to operation and maintenance expenditures.
- The Business Plan section on Monitored Advanced Camera Systems mentions appointing a service provider for monitoring and reporting services as supplementary support for the Law Enforcement department. There are no details about what supplementary services this contractor will provide. Keep in mind that many ratepayers (including myself) already contract such service providers (SAFE, ADT, etc.). From the information provided, I cannot determine whether there will be any duplication or overlap of service.

### 3.2.5 Supplementary Cleansing Services

The Supplementary Cleansing Services section of the Business Plan talks about appointing a party to establish a cleansing plan for the HSRA. I do not see how the work of the cleansing plan could possibly have been budgeted without any form of plan. From this section it would appear that the HSRA intends to appoint a service provider for some fee and who will then go on to define their own scope of work and put it in a plan to send to HSRA. From the perspective of any procurement process to spend public funds this should be absolutely unacceptable – and in respect of the Municipality collecting my money on behalf of the HSRA to spend is unacceptable.

### 3.2.6 Engagement with HSRA

I sent an e-mail to the HSRA, asking about the details of the line item services that appear in the Five-year Term Budget of the Business Plan. In the responses from the chairperson of the HSRA-SC, he:

- Provided me with different numbers for the same line items as their published budget (be it in the same ballpark).
- Advised me that the HSRA will follow a Request for Proposals (RFP) process to appoint service providers.
- Did not provide any further details of the improvements or upgrades that the HSRA intends to make.
- Did not provide any further details of the service contracts or the scope of work for which the HSRA intends to request proposal.

I have over 40 years of experience with delivering infrastructure internationally, including services and implementation (design, construction and the like). The client task sequence, up to the RFP process, is typically as follows: Needs Definition, Scope of Work, Contract Split, Delivery Schedule, Contract Conditions, Budget - which are followed by RFP, selection, appointment and implementation.

The following responses from the chairperson of the HSRA-SC are of particular concern to me:

- “We will follow an RFP process to decide on the most suitable service providers for our needs”. The HSRA-SC have not consulted ratepayer or provided any specifics on their “needs”. It is not apparent what these are and how they were defined. They have not provided any clarity on any of the activities that must follow the needs definition leading up to the RFP process. Such an approach also places in question whether proper and transparent processes will be followed by the HSRA in the future.
- “Vehicle and Bicycle patrols will be in all suburbs and foot patrols will be in the CBD and on the Cliff Path. Precise numbers will be available after the completion of the RFP process”. This means that the HSRA-SC have not defined how many people and vehicles they intend the service provider to provide. This statement implies that the scope of work is not yet defined and service providers will be requested to make a proposal of what services they would like to provide and on what conditions. Such an approach would be negligent and certainly prone to malfeasance, corruption and the like. This raises alarms for me and lowers confidence that the HSRA will follow proper and transparent processes in the future.

In my opinion there was either insufficient preparation in setting up the HSRA (where, what will be done; why, by whom, how and when) or, if there was, then there is a serious lack of transparency and a major issue of governance. Either way I am compelled object to paying additional rates on my property to the Municipality to hand over to the HSRA to procure the services of some unspecified providers to do some undefined things and in a manner which is very questionable.

At the public meeting on 23 January 2020, two questions were raised in respect of the budget, namely; the budget is lacking detail and what will ratepayers get in return for the first year’s proposed R 8.3 million budget.

The written HSRA-SC responses were that request for proposal from sub-contractors will be more detailed and that the services offered are listed in the Business Plan; details will be detailed in the request for proposal to service contractors.

The questions were simple but the answers make no sense whatsoever. The services offered are NOT listed in sufficient detail in the Business Plan. Again it appears that the intent of the HSRA is that contractors (why sub-contractors – sub to what main contract, etc.) will be requested to propose their own scope of work. If the request for proposals to the service contractors (presumably from the client) will be more detailed then why can ratepayers not be informed of the scope of the intended work?

I have serious concerns that HSRA could proceed to spend money that the Municipality will collect from me on goods and services as they or their service providers or contractors want, when they want without transparency or the proper and required checks and balances.

### 3.2.7 Budget

The requested individual contributions may seem relatively small but the total quantum of the yearly HSRA budget, collected by the Municipality from ratepayers represents a substantial business. The proposed 2020/2021 budget for the HSRA is R 8 300 000. To put some perspective on it, this yearly budget is nearly four times the total valuation of my property.

The HSRA-SC did not provide sufficient information to allow any validation of their proposed budget. In my opinion, this issue alone should be sufficient grounds for the Municipality to turn down the application. Nonetheless, I did consider the following issues in an attempt to gain some insight into the proposed HSRA budget.

The Schedule shows an activity of "Period for Public Comment" on the draft budget commencing in the last week in February 2020 up to to the middle of April 2020. Completion of this activity occurs after the deadline for submission of objections – 6 March 2020. It is not reasonable to expect ratepayers to provide their objections to the budget when they, apparently, have not seen or been consulted on the details of the budget. The Schedule shows a milestone "Adoption of Budget by Council" in the third week of May 2020.

The Schedule shows "Deliberation of Council" commencing in March 2020 and concluding at the end of that month. This activity is concluded before public consultation on the draft budget. To me it seems that the cart is before the horse. I cannot see how Council can possibly deliberate on collecting money for and on behalf of an SRA, the budget of which they have not seen and on which the public has not had an opportunity to comment.

At the time that the Municipality stopped collecting rates for the CID, I was being charged R 75,78 per month for HPP. The budget provided for the proposed SRA indicates that they would charge me R 86,23 per month. The SRA increase in levy, for substantially the same services as provided previously by HPP will be around 13.8%. When the Municipality stopped collecting the HPP levy (mid 2019), they increased the municipal rates by 5.7%. Now the SRA are asking that I pay more than twice the municipal increase without providing any clarity on what it is that I will get from the SRA that I did not get from HPP.

The line item "Public Safety & Crime Prevention Management" accounts for 84% of the total yearly budget. This amounts to nearly R 600 000 per month of ratepayer's money to be spent on some undefined goods and/or services. I asked the following question of the HSRA-SC:

- What service providers do you intend to appoint in the next year, to do what and at what estimated cost.

I received the following response:

- We intend to appoint service providers for crime prevention, public safety, and cleansing. We will follow an RFP (Request for Proposals) process to decide on the most suitable service providers for our needs. Costs for the Crime Prevention and Public Safety measures are R 7,583,000 and R 350,000 for Cleansing

I am sorry but I am unable to agree to anyone spending over R 600 000 per month (R 7 933 000 per year) of ratepayers money on an intent of appointing service providers for crime prevention, public safety, and cleansing. The scope of services for this work is defined in six words – that is not sufficient explanation or understanding for me to justify the requested expenditure.

I have elaborated my objection to the "RFP process" issue (contract procurement process) in a previous section. Suffice it to say here that the HSRA-SC's proposed procurement process raises serious governance and transparency issues.

Searching for other SRAs to compare with, I consulted the internet and found the following information on yearly budgets:

Kamps Bay	2019	R 1 602 273
Zeekoevlei	2015	R 529 423
Stellenbosch Technopark	2019	R 1 294 225
Strand Business Improvement District	2018	R 1 343 969

I could not locate sufficient details to calculate the budget per property. Nonetheless, the proposed HSRA budget appears enormous in comparison.

## 4 Requirements Compliance

In my opinion, the HSRA proposal for the Council to consider determining a special rating area does not comply with the requirements elaborated below, amongst others:

### 4.1 Borders of the SRA

No public process was conducted to establish the borders of the proposed HSRA as required by the Act, sections 22(2) and 22(3).

### 4.2 Improvements and upgrades

The HSRA-SC did not provide any details of exactly what improvements or upgrades the proposed additional rates will be spent on as required by the Act, sections 22(1), 22(2) and 22(3).

Because the HSRA-SC did not provide any details, the Municipality can not possibly verify that the addition rates to be levied are for the purposes of improving or upgrading the area, as stipulated in the Policy, section 6.1 and 6.10.

### 4.3 Business Plan

The aim of the Policy (sections 3, 6.1 and 6.3), amongst others, is to ensure commitment to good, fair and transparent governance by the management body, by implementing a transparent process when appointing service providers to improve and/or upgrade the special rating area in the public areas.

The Business Plan lacks transparency in what services will be procured and what and how providers will be appointed. The HSRA is not transparent in the processes that will be followed in the appointment of service providers and/or contractors.

The proposed improvements or upgrades have not been clearly and fully defined as required by the Policy, section 6.8. Because of the lack of definition of the proposed improvements or upgrades it is impossible to establish the viability of the budget and accordingly, there is no evidence of the viability of the use of the special rating area funds (Policy, Section 6.10).

The Business Plan is lacking in the following content as required by the Policy, section 11.1:

- proposed improvements or upgrades;
- explanation of how the proposed improvement or upgrade is linked to the geographical area of the proposed special rating area;

- explanation of why the proposed special rating area will not reinforce existing inequities in the development of the Municipality; and
- Information regarding the service providers to be appointed.

The implementation plan does not contain the following as required by the Policy, section 11.2:

- A clear definition of the improvements or upgrades;
- a schedule of goals to implement improvements or upgrades;
- milestones; tasks per milestone; start and finish date per task or performance indicators per milestone; and
- assignment of responsibility per goal, milestone and task.

The term budget is not split for the provision of improvements or upgrades to different categories of properties as required by the Policy, section 11.3.

At the public meeting on 19 December 2019 questions was raised regarding the legality of the process that the HSRA-SC was following to the effect that ratepayers are asked to consent to the HSRA before the budget had been established and public consultation on the budget carried out; and ratepayers are asked to consent to the HSRA on the basis of a draft of a business plan.

In essence, the HSRA-SC response was:

- There is not link between ratepayer consent to establish the SRA and objections to the Business Plan;
- The Business Plan (which includes the budget) is regarded as final by both the HSRA SC and the Municipality.
- The HSRA-SC intends to resolve these serious issues of non-compliance in private discussions with the individual who raised the objection (not publicly).

These response raises even further concerns in respect of the governance and transparency of the proposed HSRA.

## 5 Remarks

The Municipality previously collected additional rates on properties for a City Improvement District (CID). The organization HPP operated under this CID and received funds from the rates collected by the Municipality. Because of a change in legislation, this funding arrangement was terminated by the Municipality in 2019. The Municipality promulgated a new Special Ratings Areas (SRAs) By-law and Regulations.

On 4 February 2019 Network 24 reported that Roger Smith, the chairperson of HPP at the time, said that they would not be applying for a Special Ratings Area (SRA) (the structure that replaced the CID under which HPP operated). It is reported that he added:

*"Hermanus is not the same as what it used to be 20 years ago when HPP was established."  
"The HPP model cannot be cut and pasted into a new SRA, there have been to many changes." "This is why we will not apply for an SRA." "A new SRA must be mindful of the current needs of Hermanus."*

It is reported that Smith also said that HPP was created to police public land, but the current need was for private property to be protected and the new SRA by-law makes provision for the policing of private property. Smith stated that a possible new SRA may want to include more areas, to make it more inclusive.

From the manner in which they went about preparing the HSRA and the information that they provided, it appears to me that the HSRA-SC are indeed proposing a simple continuation of the HPP model, at a substantial increased of cost to ratepayers. By their own admittance this is true in terms of the area but apparently also in terms of the services that they intend to deliver – (something which the previous HPP chairperson advocated against).

## 6 Closing

I respectfully object to the establishment of the proposed HSRA and the provisions of the Business Plan that was prepared and made public by the HSRA-SC because:

- The process and proposal do not comply with requirements.
- The HSRA-SC have not applied the required rational to defining the HSRA area.
- The improvements and/or upgrades that the HSRA intend to implement is not defined.
- I can not agree that the Municipality collects increased rates for the purposes of funding the HSRA when I do not know what services or upgrades will indeed be provided for this money.
- The process by which the HSRA-SC stated that the HSRA intends to procure the above undefined goods and/or services are not proper and transparent which may result in abuse and possibly malfeasance.
- The proposed budget of R 8 300 000 cannot be validated at all and appears to be excessive by any stretch of the imagination.

For attention of: Municipal Manager, Overstrand Municipality, Municipal Offices, 1 Magnolia Street, Hermanus.

Dear Sirs,

We wish to hereby formally submit our objection to the establishment of the Hermanus SRA.

This is yet another expense business are asked to pay for services which, in our opinion, should already be provided by the municipality and police services.

As you may already be aware, most small businesses are struggling to operate and keep afloat in a very difficult and challenging current economic climate. Taxes and levies are at an all time high for services we see very little of in return. Whilst the aims of the scheme seem very noble, it unfairly targets business to pay for the majority of the proposed plans. We most definitely object.

Yours sincerely,

A.Hall

Dear Mr Serfontein,

Thank you for your email and for providing below information.

As I am currently abroad, meeting you would not be possible, not do I wish to or have the time to enter into further discussion regarding the Hermanus SRA.

My views and objection remain resolute.

Regards,  
Mrs A. Hall

On Fri, 13 Mar 2020 at 09:41, Gideon Serfontein <gideon@bdtcc.co.za> wrote:

Dear Ms Hall

I confirm that I spoke telephonically to Mrs Estelle Snyman (member) who referred me to Mrs Ria Botha (bookkeeper) on Thursday, 12 May 2020.

Mrs Botha in return referred me back to you. It is my understanding that you are out of the country at the moment and that Mr and Mrs Snyman are recovering from a medical conditions which make it difficult to meet.

We had no feedback on our original mail of 10 March 2020 (which I attached for ease of reference) and I can only again invite you to liaise with me (us) on your submitted objection, should you still wish to do so.

Alternatively, we respond by providing the following comments to your objection.

We concur with your view that the municipality and police services are the primary providers of security services in the area. The opinion survey conducted amongst 20% of the affected residents, however indicated that most residents feel that the current levels of security services are not adequate and need to be complemented/topped up. This is the basis for applying to have the SRA established.

In terms of the payment of the levy, we do need to point out that the levy will be paid by all property owners and not businesses only. In the affected wards 3 and 4, there are more residential properties than business properties.

We do understand the shorter term economic costs to businesses, however this is to protect the longer term benefits to them as well. If visitors to the CBD and cliff-paths of Hermanus do not feel safe to walk around, it will have a severe negative impact on all businesses in the longer term.

The Hermanus SRA is essential to keep visitors and residents safe in order to allow for a stable environment for businesses to operate. The SRA will also through enhanced crime prevention and cleaner and safer public spaces attract more visitors and will contribute to more economic benefits and opportunities for all. This will protect property values and longer term stability that is beneficial to all residents.

Yours sincerely

**Gideon Serfontein**

**on behalf of the Hermanus Special Rating Area Steering committee**

21 February 2020

Dear Sir

We hereby wish to object to the Hermanus Special Rating Area (HSRA) due to the following reasons:

1. The old electricity Mass in front of the house. Please see the attached 2 photos.
2. The old out dated cement pavement in front of the house.
3. No cleaning of the pavement area in front of the house.
4. No street lights after the old electricity Mass toward the end of Birdlane.
5. The streetlights are dull and outdated and not very effective.
6. On the January 2020 statement herewith attached, **no electricity usage is indicated on the account.** We do send a photo of the meter reading within the first week of every new month to 2 different emails addresses at Overstrand municipality indicating the new electricity meter reading. For January 2020 the Previous reading was **40467 and the Current reading 40825,** the electricity usage is indicated **ZERO.???**  
**We did follow it up in person at the municipal offices and because of this we have applied for a pre-paid meter which was installed this week at a charge of R1800.**
7. The municipal account have to be paid by the **20<sup>th</sup> of each month and if late payment is made interest is added to the account.** Why the 20<sup>th</sup> of each month? as we only get paid at the end of each month. The payment due date should change to the end of each month.
8. **Every month the Basic charge for electricity plus electricity infrastrature amounts to R404.79** without the usage charge.  
We hereby request that this amount must be calculated on a PRO-RATA basis for when we have no electricity supply as you cannot pay for a service you do not have.

Yours faithfully

D Fourie

## Objection to the Establishment of the Hermanus SRA

1 message

Hermanus SRA &lt;hermanussra@gmail.com&gt;

11 March 2020 at 17:30

To: debbie.fourie@telkomsa.net, Coenie Groenewald <cgroenewald@overstrand.gov.za>, Michael Farr <michaelfarr1@gmail.com>, Elmarie Hooneberg <Ehooneberg@overstrand.gov.za>

Dear Mrs Fourie,

The Hermanus Special Rating Area Steering Committee acknowledges your objection to the establishment of the HSRA.

The motivation for the objection, however, is not within the scope of the supplementary services of the Hermanus SRA.

As stated in the HSRA Business Plan the HSRA will supply supplementary public safety and crime prevention monitoring services and supplementary cleansing services. Proposed supplementary services include: cleansing services; monitoring and patrolling response vehicles (24/7); foot patrols in the CBD, along the Cliff Path and Hoy's Koppie; bicycle patrols in the suburbs; and an advanced monitoring system of CCTV cameras at strategic points.

The Hermanus SRA will bear no responsibility for the billing, supply, and maintenance of electricity services or infrastructure within the area.

We revert your complaint to the Overstrand Municipality for assistance in this matter.

**Municipal Manager:** The HSRA SC would like to request that this objection be set aside and the issues raised by Mrs Fourie be dealt with by the Overstrand Municipality.

With kind regards,

Marcia Bown

On behalf of the Hermanus SRA Steering Committee

>>> "Adele Nortje" <anor@absamail.co.za> 11/02/2020 09:59 AM >>>  
Goeie dag Mnr Groenewald,

Jammer ek het die boodskap op my selfoon begin en toe besluit om dit eerder op die rekenaar te voltooi.

Ons adresse is 34 Fernkloof Village, Fernkloof

Ons het die afgelope jaar R33 000 plus aan adisionele sekuriteit betaal. Plus ons heffings is van R995pm verhoog na R1 362pm om ekstara sekuriteit in die Village aan te bring. Daar is nog n R6 995 spesiale sekuriteits heffing gehef en ons betaal R224pm vir armed response aan ADT.

Sekuriteit	20181017	Internet Payment Debit	Absa Bank Adt	7 054,40
sekuriteit	20180620	Internet betaling debiet	Absa bank d van vuuren	750,00
Sekuriteit	20181104	INETBNK PAY DEBIT ABSA BANK ADT	INETBNK PAY DEBIT ABSA BANK ADT	7 976,06
Sekuriteit	20181124	INETBNK PAY DEBIT ABSA BANK ADT	INETBNK PAY DEBIT ABSA BANK ADT	5 000,00
Sekuriteit	20190110	INETBNK PAY DEBIT ABSA BANK ADT	INETBNK PAY DEBIT ABSA BANK ADT	6 400,27
Sekuriteit	20190201	INETBNK PAY DEBIT ABSA BANK ADT	INETBNK PAY DEBIT ABSA BANK ADT	5 975,37
				<b>33 156,10</b>

Al bogenoemde het tot gevolg dat ons eiendomme baie meer werd is as 'n soortgelyke eiendom in Voelklip, Fernkloof, Hermanus, Onrus, Sandbaai en Vermont wat nie in 'n sekuriteitskompleks gelee is nie.

Ek is al 20 jaar in die eindomsbedryf. Ondervinding het geleer dat huise wat in sekuriteits komplekse met toegangsbeheer kontroles, die nodige elektriese heinings, kammeras ens teen dubbel die prys waardeer word as soortgelyke huise in die onbeskermdede woongebiede.

My punt is ek gee nie om om 'n "flat rate" heffing per huis te betaal vir die implimentering van HSRA nie, maar indien die heffing as 'n persentasie op die waarde van jou huis bereken word, het ek 'n groot probleem daarmee.

1. Voltitel eiendomme in sekuriteitskomplekse betaal al reeds heffings op hul eiendom waarvan die grootste bedrag gaan vir die sekuriteitsmaatreels in die kompleks
2. Spesiale heffings is in baie gevalle gehef om ekstra sekuriteitsmaatreels te instaleer soos kameras ens
3. Ek gaan met 'n huis met 'n munisipale waardasie van by R10 miljoen onder die HSRA nie meer sekuriteit geniet as 'n persoon met 'n munisipale waardasie van R1 miljoen nie.

**Hoe gaan die HSRA heffing bereken word?**

Ons het ook 'n eiendom in 23 Negester Noord, Onrus. Dieselfde argument geld ook vir hierdie eiendom.

### BESWAAR M.B.T. HERMANUS SPESIALE AANSLAGGEBIED

Baie dankie vir u insette met betrekking tot die vestigingsproses van die Spesiale Aanslaggebied vir die [Hermanus](#) area in die Overstrand Munisipaliteit (HSRA).

Die beleidsdokument, *OVERSTRAND MUNICIPALITY SPECIAL RATING AREA POLICY*, vereis die volgende prosedures om besware te hanteer:

#### 10.5 Objections

- 10.5.1 Consents and objections will be considered only if they are submitted to Council by the last day specified in the application notice.
- 10.5.2 Property owners objecting to the establishment of a special rating area in terms of paragraph 10.3.3 must do so in writing and include a motivation for their objection.
- 10.5.3 **The Steering Committee must engage with all the objectors and provide them and Council with minutes of these meetings. The objector/s will be allowed to respond to the minutes.**
- 10.5.4 Any property owner who wants to make oral representations for submission to Council in terms of section 7(4) of the By-law will be assisted by an official to document this for inclusion in the report to be considered by Council.

Die HSRA Bestuurskomitee het u beswaar vanaf Overstrand Munisipaliteit ontvang, en as lid van die Bestuurskomitee, wil ek u graag die geleentheid bied om u besware persoonlik te bespreek en uitklarings te ontvang op u spesifieke bekommernisse. Tyd is ongelukkig streng beperk, en sal ons op die laatste eerskomende Vrydag 13 Maart moet bymekaarkom in die teenwoordigheid van 'n notaris of notaresse.

U word vriendelik versoek om my te skakel of te epos by die onderstaande kontakbesonderhede om 'n afspraak te reël op 'n tyd en plek van u keuse, of andersins ons antwoord op u beswaar per epos te ontvang, in welke geval u vriendelik versoek word om erkenning van ontvangs per epos te bevestig.

**VRAAG: Voltitel eiendomme in sekuriteitskomplekse betaal al reeds heffings op hul eiendom waarvan die grootste bedrag gaan vir die sekuriteitsmaatreels in die kompleks**

**Antwoord:** Daar moet 'n onderskeid gemaak word tussen privaatsekuriteit en sekuriteit in publieke oop ruimtes. Die HSRA beoog om sekuriteit in publieke oop ruimtes, met spesifieke beklemtoning op die Hermanus Kuspaadjie, Hoy se Koppie en die sentrale besigheidskern te vestig. Daarbenewens benodig hierdie unieke bates van Hermanus bykomstige skoonmaakdienste, bó en behalwe dít wat deur die Overstrand Munisipaliteit in sy normale dienslewering verskaf word.

Uitgawes vir privaat-sekuriteit binne óf buite sekuriteitskomplekse hang af van persoonlike behoeftes, en dra direk by tot die reële verhoogde markwaarde van die eiendom.

**VRAAG: Ek gaan met 'n huis met 'n munisipale waardasie van bv R10 miljoen onder die HSRA nie meer sekuriteit geniet as 'n persoon met 'n munisipale waardasie van R1 miljoen nie.**

**Antwoord:** Sekuriteit in openbare ruimtes is in die publieke belang, en kan slegs befonds word deur 'n heffing op al die inwoners van die area. Die enigste regverdigde berekening van so 'n heffing, is om dit te koppel aan die munisipale waardasie van elke individuele eiendom. Dit verseker dat almal bydra volgens dieselfde maatstaf, gebaseer op finansiële vermoë. Hierdie uitgawe dra weer by tot die nutswaarde van die hele area - in ons geval, Hermanus.

Die sekuriteit wat u sal geniet, sal in publieke oop ruimtes wees – nie in u privaat eiendom nie.

**VRAAG: Hoe gaan die HSRA heffing bereken word?**

**Antwoord:** Die addisionele maandelikse heffing vir HSRA sal bepaal word deur die eiendom se Munisipale waardasie, en sal neerkom op 0.048% in die Rand per jaar. Dus:  $R10,000,000 \times 0.048\% = R4,800$ pa, en gedeel deur 12, is dit R400.00 per maand.

Vriendelike groete

Jan Cilliers

**BY HAND DELIVERY**

**OBJECTION TO APPLICATION BY MICHAEL FARR TO ESTABLISH THE  
HERMANUS SPECIAL RATING AREA (HSRA)**

***I hereby object that the aforementioned application for  
the Hermanus Special Rating Area (hereinafter referred to  
"HSRA" be approved and granted for the following reasons:***

***The application exclude the areas of Zwelihle , Mount  
Pleasant and Hawston who could not vote and the present  
voting is therefore not a majority vote.***

***The bounderies are based on the apartheid and group areas  
Act of the Apartheid Regime which was recently declared***

**by Parlement as a crime against Humanity. You can comprehend what the Overseas newspapers will publish and the effect it will have on Tourism which at the moment is poor as a result of the riots.**

**The Minister of Finance deemed it necessary not to burden the private persons with more taxes. The South African economy is in recess and the growth is the lowest in a decade. The income per Capita of ordinary people pensioners, the working persons and the middle class is so low that it borders on survival.**

**The exclusion of the areas are based on race as the majority, that is more than ninety percent of the residents in these areas are from the same race and they have no vote. This is in conflict with the recent arguments in Parlement that Apartheid as well as the Group Area act was declared a crime against humanity.**

**At Bosko Hall the chairman of the committee who was a previous Hermanus Town Manager and involved in the De Mond Camping grounds said he is impartial. On the application it looks if Mr. M Farr is the chairman. At the Bosko Hall the written information could not be read.**

**At the Municipality I waited for more than an hour and eventually found a person in another building that could help me.**

64/66

***The historical context after the democratic dispensation is that immediately thereafter legislation was made that extend the group areas act. This application is purely to benefit businesses, tourism and the municipal officials , to the exclusion of home owners who are retired pensioners and the working class.***

***The South African Police are unable to control the riots and criminal activities how will private security personal do it with less authority?***

***The objection is that the North Cliff home owners middle class and pensioners cannot subsidise businesses and those squatters who does not pay rates and taxes aswell as services. There is also an inequallity as to how payment will be calculated surely not on valuation of the property only but what about income?***

***I request that the application for the Hermanus Special Rating Area not be approved and granted.***

***I thank you.***

***Yours faithfully***

 Northcliff  
 Hermanus  
 7200

Dear Sir

Following on our previous email of the 10<sup>th</sup> March, I have attempted to make telephonic contact, without any success, and therefore supply herewith our written response to your objections to the establishment of the HSRA

### **OBJECTION RE HERMANUS SPECIAL RATING AREA (HSRA) HSRA WRITTEN RESPONSE TO OBJECTIONS: E le ROUX**

#### **1. Areas outside Hermanus are not included in HSRA, therefore not a majority vote.**

Please note that Kleinmond, as well as Onrus / Vermont are also in the process of applying for their own SRA's. Residents in any defined and contiguous area within the Overstrand Municipality may apply for the establishment of an SRA.

#### **2. HSRA boundaries based on group areas, therefore a crime against humanity.**

Please note that there are no existing race segregation policies in South Africa and that our Constitution prohibits it. People of all races and varied financial means own properties in Hermanus.

The Overstrand Municipality Special Rating Area Policy states:

6.2 the special rating area will not be used to reinforce existing inequities in the development of the Overstrand's area of jurisdiction.

The HSRA is open to incremental expansion of its boundaries, should property owners adjacent to those boundaries request inclusion based on majority support.

#### **3. Economic circumstances makes it difficult for the average person to pay extra rates.**

The Overstrand Municipality Special Rating Area Policy states:

7.1 The Overstrand Municipality's rates policy applies with the necessary changes to this Policy. In particular, and without limiting the generality of the afore-going, the exemptions, rebates and reductions set out in the Rates Policy apply with the necessary changes in relation to the levying of an additional rate for special rating area purposes.

7.2 Notwithstanding the provisions of paragraph 7.1 above, when the Municipality grants a partial rebate as set out in the Rates Policy, the relevant property owner will be granted a full (100%) rebate in relation to the additional rate. Any property owner who qualifies for financial relief, will therefore be awarded such relief.

#### **4. Chairman at (2nd) Bosko Hall Meeting was not impartial.**

The Chairman of the meeting was Dr Werner Zybrands, a previous Municipal Manager of the Overstrand Municipality, now retired and living in Betty's Bay. He complied with all the requirements to chair the meeting.

#### **5. The presentation (slides) at the public meeting was illegible.**

The size of the audience and venue made it difficult to make the presentation legible, but it was accompanied by a verbal presentation of the slides. The presentation was uploaded just after midnight, 20<sup>th</sup> December 2019, and a mass email stating that it was available sent to property owners on the same date.

The HSRA's website: <https://hermanussra.co.za/>

#### **6. The HSRA will only benefit businesses, tourism and Municipal officials.**

The HSRA is designed to satisfy the perceived needs expressed by the majority of residents who responded to a public survey, for the maintenance and enhancement of a safe environment and for maintaining preferred standards

of cleanliness and the appearance of public areas of the village in terms of the municipal by-laws, safety plan and IDP – all of which will be beneficial to all Hermanus residents.

**7. If SAPS can't control riots and criminals, how will HSRA do it?**

The HSRA is not intended to replace the mandated functions of the SAPS, their goal is to ensure the maintenance and enhancement of a safe environment that offers increased crime prevention and public safety.

**8. Using property valuation to calculate contributions will be unfair – should be income.**

The Municipal Valuation of properties owned by individuals is a clear measure of their financial ability – therefore the most appropriate and fair measure to apply, for contributions to community services such as an SRA. Section 11(1) of the Municipal Property Rates Act stipulates that the rate levied by the municipality must be an amount in the Rand on the market value of the property.

We trust that our answers to your objections will be satisfactory, but if you require any further clarification, you are welcome to contact me at the contact details below, or email your concerns to the HSRA email address:
