The Administration

Municipal Manager
Dr Dean O'Neill

A Municipal Manager is appointed by Council. He is the link between the council and the administration, of which he is the head, and also serves as accounting officer who has to account for the municipality's income and expenditure, assets and other obligations, such as proper adherence to the Municipal Finance Management Act. In terms of legislation, he should have the expertise and experience

to discharge his duties. Subject to the municipality's policy guidelines, he ensures, amongst others, that an economic, effective, efficient and accountable administration is established and developed, that the IDP comes to fruition, that municipal services are delivered in a sustainable and balanced fashion, that a personnel corps is appointed, managed, developed and disciplined and that sound labour relations are maintained. He should facilitate participation by the community and develop a system whereby the community's satisfaction with municipal services can be gauged.

In Overstrand's case Dr O'Neill is supported in the above by a team of directors for the following:

- Infrastructure Services: Mr Stephen Müller
- Corporate Services: Mrs Desirée Arrison
- Financial Services: Vacant
- Community Services: Vacant
- Planning & Development: Vacant
- Municipal Public Safety: Mr Neville Michaels
