Repairs to the toilets at Sunshine Nation Pre-School are still required before the school can officially open.

Mrs. Suzanne Hans extended a welcome to Alderman de Coning and Ward Committee members at Silwerjare Dienssentrum and Old Grove Sorg Sentrum.

Alderman de Coning explained the important role Mrs. Hans plays in ensuring the continued operation of these facilities and thanked her for her commitment to the community.

The organisation is a non-governmental organisation (NGO) that receives only a small contribution from the State and relies on donations to sustain its services.

Ward Committee members were given a tour of the Care Centre, which can accommodate up to 14 residents. The Centre provides three meals per day and relies on ongoing donations from the community.

Mrs. Hans highlighted the maintenance issues affecting the buildings to the Ward Committee members.
