DERELICT STATE OF THE DE MOND CARAVAN PARK

5

- The item was discussed during the ward committee meeting, and it was decided that an on-site inspection of the premises was needed for members to observe firsthand the deconstruction of the facility. Members present discussed the potential of the area that was viewed as prime property. Infrastructural neglect of resources was evident.

- Ward committee members discussed the deteriorating condition of the property, the lack of security, and the obvious vandalism affecting the facility.
